REAL JOHNNY WITH A GUN

FIRE IT OFF AND HIT ANOTHER LAD IN HAND.

Police Investigating Shooting Affair on Stephen Street Wednesday Afternoon—Boy With Gun Summoned to Juvenile Court.

Little Stanley O'Neil, eight years of age, was alongside the road on Stephen street, on Wednesday afternoon, filling a small pail with grass to feed to his pet rabbits. Along came Johnny Rowe, about ten years of age. He had his 22-rifle with him.

"Let me have a shot at the pail," said Johnny to the O'Neil boy. "No chance," replied the O'Neil boy, who did not want to risk being shot with the gun.

Johnny did not take "no" for an answer, however, and let fire. The shot hit the O'Neil boy on his right hand, and it is feared that he may lose one finger.

The matter was reported to the police, and Constable James Downey is making an investigation. Johnny has been summoned to appear before Magistrate Farrell in the juvenile court.

THEATRICAL.

Margaret Anglin To-night.

No theatrical booking of the present season has enlisted more attention than the engagement of Margaret Anglin and her original New York Company in her comedy success, "Billeted," which is announced for Thursday, May 29th, at the Grand Opera House. Miss Anglin has occupied a place of exalted distinction on the American stage for a number of years. She has demonstrated again and again—in widely divergent roles—her right to be classed among the few really great emotional actresses, and by her portrayal of Shakespearean characters, and in exacting roles in the classic Greek drama she has measured up to the highest standards of her art in both comedy and tragedy. Her engagement here in the delightful comedy, "Billeted," will naturally attract the attention of all discriminating theatregoers.—Advt.

At the Strand.

"Blackie's Redemption," which will be the feature at the Strand theatre on Thursday, Friday and Saturday with Bert Lytell as the star, is the second of the clever Red Book Magazine stories from the pen of Jack Boyle to be made into screen plays by Metro. The first was "Boston Blackie's Little Pal," in which Mr. Lytell did splendid work.

"Blackie's Redemption" is the story of a "gentleman crook" who desires to "go straight." The clever cast supporting Mr. Lytell includes such artists as Alice Lake, Henry Kolker, Bernard Dornin, Jack Duffy, William Musgrave, Gertrude Short, Don Bailey, Wilton Taylor, and Al Toy. The direction was the work of John Ince and the production was made under the personal supervision of Maxwell Karger, director general.—Advt.

At Griffin's.

Beautiful Marguerite Clark, who is known to her army of admirers as "The Sweet Girl in Motion Pictures," will headline the bill at Griffin's for to-day, Friday and Saturday in her new photoplay, "Three Men and a Girl." The story is an excellent one for Miss Clark, and it affords her a delightful characterization of which she makes the most. Sylvia Weston, a sprightly young woman, resents her proposed marriage to an old man whom she despises, and deserting him at Hymen's altar, she flies into the country, arrayed in her wedding gown, and finds refuge in a country house owned by her father. This place has been previously leased to a trio of women haters who have entered upon a bucolic existence in the hope of escaping the wiles of women. The exceptionally funny situations which take place now afford Marguerite Clark an opportunity to exhibit all the winsome charm for which she is noted, and the picture is sure to please all. As an added attraction, Henry B. Walthall will be seen in "Modern Husbands." This master-actor of the screen finds a role worthy of his talents in this picture, and succeeds in giving a vivid portrayal of a type which is the result of the high pressure of the hectic social life among the pleasure seeking rich. You cannot afford to overlook this programme.—Advt. (Continued on Page 3.)

MADE FINAL ARRANGEMENTS.

Big Doings Are Scheduled for the King's Birthday. Final arrangements for the King's birthday celebration were made at a meeting of the Kingston Gentlemen's Driving and Matinee Club held on Wednesday evening. Definite assurances were received that the Governor, N.Y. baseball nine would arrive in the city by special motor launch at ten o'clock on Tuesday and would be ready for the big game in the afternoon. A band is being engaged for the day and other features are on the programme. The entry list for the horse races is very satisfactory and a splendid day is anticipated. In order that there may be no accidents, arrangements have been made for the gate at Stanley street to be used by automobiles and the Alfred street one will be used exclusively by pedestrians.
