**CITY BASEBALL LEAGUE INCIDENTS OF THE DAY**

**THREE TEAMS ARE ENTERED IN THE JUNIOR SERIES.**

Wolfe Island Not Likely to Be Re-presented—No Decision As to a Senior Series.

At a representative meeting of the City Baseball League on Friday evening it was decided to revise the constitution by appointing a board of management to conduct the affairs of the league. In accordance with this motion the managers of the teams will not hereafter be members of the executive and all matters of dispute will come directly before the board. The following were appointed to the board: Bert Booth, president; P. J. Moran, first vice-president; G. R. Smith, secretary-treasurer; Hugh Shanahan and E. J. Hartick, committeemen.

B. Morris, representing the Kingston Collegiate Institute, requested the league to permit that institution to enter a team in the junior series. This was done and it is probable that there will be three teams in the league, viz., Orioles, Y.I.C.B.A. and K.C.I. Wolfe Island had no representative present and it was considered wise to eliminate them from the schedule until definite assurances had been received that a team would be entered. The first game will be played on Saturday, June 7th, between Kingston and C.I.B.A.

The advisability of organizing a senior division of the league was discussed but the matter was left over for the board of management to consider. Athletics and Red Sox have strong aggregations entered and a third team would complete the series.

**The Croquet Club Revived.**

A meeting of the Croquet Club was held on Thursday afternoon, when arrangements were made to start play as soon as possible. The grounds are in splendid condition, and it is hoped that it will be a most enthusiastic club this season.

**Military Football Meeting.**

There was a very good representation at the meeting of the Military Football League on Friday evening in the Y.M.C.A. with Major McManus in the chair. The following teams were entered: Vocational Training School, 21st Battalion Club, Shipbuilders, Army and Navy Veterans, and R.C.H.A. It was decided that the first game would be played on Saturday, June 14th.

**SATURDAY'S MARKET.**

Eggs and Butter Higher—Lots of Fresh Vegetables.

There was a large crowd at the market on Saturday morning, the ideal weather having sprung up the night and made it possible for many farmers to come into the city. Prices remained at a high level for most commodities, the only things which showed any reduction being fresh vegetables. Eggs generally sold at 55 cents a dozen, with a few at 50 cents. The rise in the price of cheese affected the supply of butter, which was selling at 55 and 60 cents a pound, and was scarce. Fowls were dear, the price going as high as \$3 a pair for choice specimens, with very few selling under \$2.

In the meat section supplies were poor. Pork was 32 cents a pound for forequarters and 35 cents a pound for hindquarters. Veal sold at 15 to 17 cents a pound for fronts, and 20 to 22 cents a pound for hinds. A small supply of yearling lambs were on sale, the price being 30 cents a pound for forequarters and 33 cents a pound for hindquarters.

Potatoes sold at \$1.75 to \$2.25 a bag for good quality tubers, with poorer ones going at \$1.50. Rhu-barb sold at two bunches for fifteen cents; asparagus 10 cents a bunch. Lettuce, fresh and green, sold at 10 cents and 12 cents a bunch, and green onions at 10 cents.

The feature of the market was the large supply of plants for transplanting purposes.

**St. James' Girls' Concert.**

The girls of St. James' Sunday school gave an entertainment in St. George's Hall on Friday evening, their own hall being too small to accommodate the Sunday school scholars. It was a most enjoyable and successful event. A farce entitled "The Clancy Kids" was given and provoked much amusement. The feature of the evening, however, was "The Midsummer Night's Dream" which was illustrated by the appearance of the queen of the fairies with a troop of attendants introduced by two trumpeters. The fairies gave a number of very pretty dances that brought forth much applause. Mrs. L. A. Guild presided at the piano throughout and her services were highly appreciated.

**ERNIE MARKS COMPANY.**

At the Grand This Evening, Producing "The Boss."

The Marks Stock Company pleased a good-sized audience at the Grand on Friday evening with the sensational New York play "Kick in." It is a play that has its setting in the office of the Police Commissioner, and to those who look for the sensations of criminal episodes the play affords all that could be desired. Ernie Marks, upon whose dramatic ability the success of the piece depends, plays the part of the commissioner, and fulfills all expectations. Miss Kitty Marks, as the wife of "Chick," a reformed crook, has a delicate part to sustain, and she does it with tact and cleverness. The music and vanderbille numbers were good. The company is at the Grand to-night, producing "The Boss."

**Nan Took French Leave.**

Nan, the 21st Battalion's mascot, which has been staying at Tete de Pont barracks since the battalion returned home, took French leave on Saturday morning, and started out to see the sights. She was cute enough to keep off the main streets, and hid herself off to the outskirts, but after being out a short time was rounded up on Stephen street.
