# COUNTY RATE 9 1/2 MILLS

### GOOD ROADS TO TAKE SIX MILLS THIS YEAR

Fifty Thousand Dollars Additional Insurance Placed on the Court House—Ask That Perth and Portland Roads be Made County Provincial.

The county council on Friday night fixed the tax rate for the year at 9 1/2 mills.

These recommendations of the finance committee were adopted: That the bill of H. M. Mowat before the Commons regarding capital punishment be endorsed; that Dr. A. R. B. Williamson be appointed county surgeon for the House of Refuge and Dr. William Gibson surgeon for the House of Providence; that the assessment of the county municipalities be the same as last year, viz. \$6,321,500.

The roads and bridges committee recommended these grants: Oden, \$200; Hinchinbrooke, \$200; Oso, \$200; Clarendon and Miller, \$200; Barrie, \$100; Bedford, \$200; Palmerston and Canoto, \$200; Kennebec, \$100; Loughboro, \$200; Storrington, \$200; Pittburgh, \$200; Portland, \$250; Kingston, \$250; Portsmouth, \$300; Howe Island, \$100; Wolfe Island, \$200. Adopted.

The property committee recommended: That an additional \$600 be given to the committee for the reconstruction and renovation of the court rooms, corridors and windows; that an additional \$50,000 insurance be placed on the court house; that the contract for sand and gravel be awarded the Kingston Sand and Gravel Company at \$1.60 a cubic yard.

The following court house reconstruction tenders were awarded on recommendation of the property committee: Robert McMahon, painting and decorating, \$2,421; Valley City Seating Co., Seats, \$800; Elliott Bros., plumbing, \$68; Elliott Bros., roofing, \$190; H. Hunter, carpenter work, \$72; Burke & Graham, electric wiring, \$35; electric fixtures, \$300; freight and cartage, \$45; architect W. Newlands, \$287; total, \$4,818.

The committee on good roads recommended that a rate of six mills be struck for road purposes for 1919 and that the tender of \$2,400 of the Sawyer Massey Co., Ltd., for road machinery be accepted. Adopted.

On recommendation of the committee on printing and education the account of \$4,305.64 for maintenance of county pupils at the Kingston Collegiate Institute was ordered paid.

It was decided to spend \$125 in making repairs to the clerk's office. Resolutions were passed asking the Ontario Government to make the Perth and Portland roads county provincial highways.

The council sat until late Friday night. The matter of erecting a continuation school at Scharbot Lake was left over until the November session.

There was a discussion on the question of a soldiers' memorial, but action was deferred. The council on Saturday morning discussed the seed potato case. Some of the councillors, led by Councillor Reed, wanted the court action withdrawn, in view of the passing of the Ontario Legislature of a retroactive measure covering the purchase of potatoes by county councils, but objection was raised by Councillors Spankie and McFadden. The case will not be heard until the late autumn, so in the meantime some arrangement may be made.

# The System is Poisoned

By Failure of the Liver and Kidneys to Purify the Blood, Relief Obtained by Use of Dr. Chase's Kidney-Liver Pills

Too much eating of heavy, highly-seasoned foods, and too little outdoor exercise are the most frequent causes. The liver is upset, becomes torpid and inactive, the bowels are constipated, the kidneys are overworked in an effort to get rid of the accumulating poisons and breakdown. Headache, backache, aching limbs, round, a warning note, and when this is not heeded the natural development is rheumatism, lumbago, and painful and fatal forms of kidney disease.

To best overcome this condition Dr. Chase worked out in his private practice a prescription which has come to be known as Dr. Chase's Kidney-Liver Pills, because of their combined action on these filtering organs. No treatment has ever proven so successful in awakening the action of the kidneys, liver and bowels, and thereby cleansing the system of all impurities. For this reason Dr. Chase's Kidney-Liver Pills have a world-wide reputation as the most thorough cure for rheumatism, lumbago, chronic indigestion and constipation.

Mrs. Alex. Gordon, Walkerton, Ont., writes: "A few years ago I suffered from kidney and liver trouble, with pains in my back. I had heard of Dr. Chase's Kidney-Liver Pills being good for this, so I commenced taking them. I had only taken a couple of boxes when the trouble was all removed."

Mrs. M. Nichols, 128 Milton street, Sarnia, writes: "I have found Dr. Chase's Kidney-Liver Pills an excellent remedy. I suffered considerably with kidney trouble and backache, but after I had taken five boxes of the Kidney-Liver Pills they gave me relief. Since then, which was about five years ago, I keep them on hand, and use them whenever I feel the need of them."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, all dealers, or Edmanston, Bates & Co., Limited, Toronto. Substitutes will only disappoint. Insist on getting what you ask for.

# LITTLE BOY WAS DROWNED

### HAROLD PETERS LOST HIS LIFE IN ANGLIN'S SLIP.

Was Fishing, and When His Line Got Caught He Jumped Into the Water to Release It and Got Tangled Up With the Line. Pulmotor Used for Over An Hour.

Harold Peters, aged 11 years, son of Adam Peters, No. 2, Place de Armes, lost his life by drowning in Anglin's Slip, about 2:20 o'clock on Friday afternoon.

The circumstances surrounding the lad's death are extremely sad. He was seated on a lumber pile near the slip, and was fishing with a line and pole. When the line got caught he jumped into the water to release it, and he got tangled up with the line and went down. It was stated that he was a good swimmer. A brother of the lad, and some other boys, gave the alarm, but it was all of twenty minutes or more before the body was recovered.

Dr. Harold Angrove was summoned and with Capt. Frederick Reid, and other members of the fire department and citizens they worked hard for over an hour with the pulmotor, but the life of the lad had passed away.

The remains were taken in charge by James Reid & Sons, and removed to their parlors. Quite a large crowd gathered at the scene of the drowning.

Deceased was a bright boy, and a favorite with all his companions. The sincere sympathy of a wide circle of friends will be extended to the bereaved parents. Besides his parents he is survived by four brothers and two sisters.

There was about ten feet of water where the lad jumped in. It is believed that he would have been all right had he not got tangled with the line. Police Constable F. Clark, who answered a call to the police station, got the boy out with the use of a grappling hook.
