**NEW YORK MODIFICATIONS ON PROPOSED TREATY.**

Should the Allies...  
 June 7.—The New York...  
 "Treaty" comments...  
 follows:  
 here is talk of temper-  
 to the shorn wolf. The  
 be modified. Lloyd  
 is to be eager for it, Mr.  
 the proposal with sym-  
 M. Clemenceau approves  
 but he would prefer to  
 Germans to sign it as it  
 then mitigate the terms  
 of grace. So is the rumor,  
 as of all stories arising in  
 now, we can only say that  
 may be true.

is some practical reason  
 modifications here and  
 If the present German Gov-  
 ernments it will take time to  
 ther, and the whole tedious  
 of negotiation must be gone  
 with again; and from the  
 view of the rest of the world  
 present German Government is  
 the least undesirable that  
 hold office in Germany just  
 And no doubt there is in the  
 France the desire to make such  
 modifications as may leave the Ger-  
 mans satisfied with the justice of the  
 y, purged of the longing for a  
 of revenge. The whole world would like  
 that sort of a treaty, but there  
 little chance of getting it. A  
 treaty that would satisfy the Ger-  
 mans to-day would not satisfy any-  
 else. They are holding out  
 for a peace without victory, which  
 would leave the undertaker's bill  
 at least as well off as the na-  
 tions whose territory it has overrun.  
 The specific modifications talked of  
 in Paris are four. First is the early  
 admission of Germany into the  
 League of Nations. Germany will  
 thus be guaranteed against unjusti-  
 fied aggression by the League; if she  
 shows signs of aiming for another  
 war after that we shall recognize her  
 purpose at once. It is also propos-  
 ed to fix definitely a total sum due  
 in reparation, and most probably the  
 sum in mind is the hundred billion  
 marks mentioned as a beginning in  
 the treaty terms, and which Brock-  
 dorff-Rantzau is willing to pay pro-  
 vided no more is asked.

There is some reason in this, too,  
 for we are not likely to get much  
 more than that out of the Germans  
 in any event. The German counter-  
 proposals on the points are not quite  
 met by the suggested modifications,  
 for they want immediate admission  
 to the League and longer terms for  
 the indemnity and no interest.

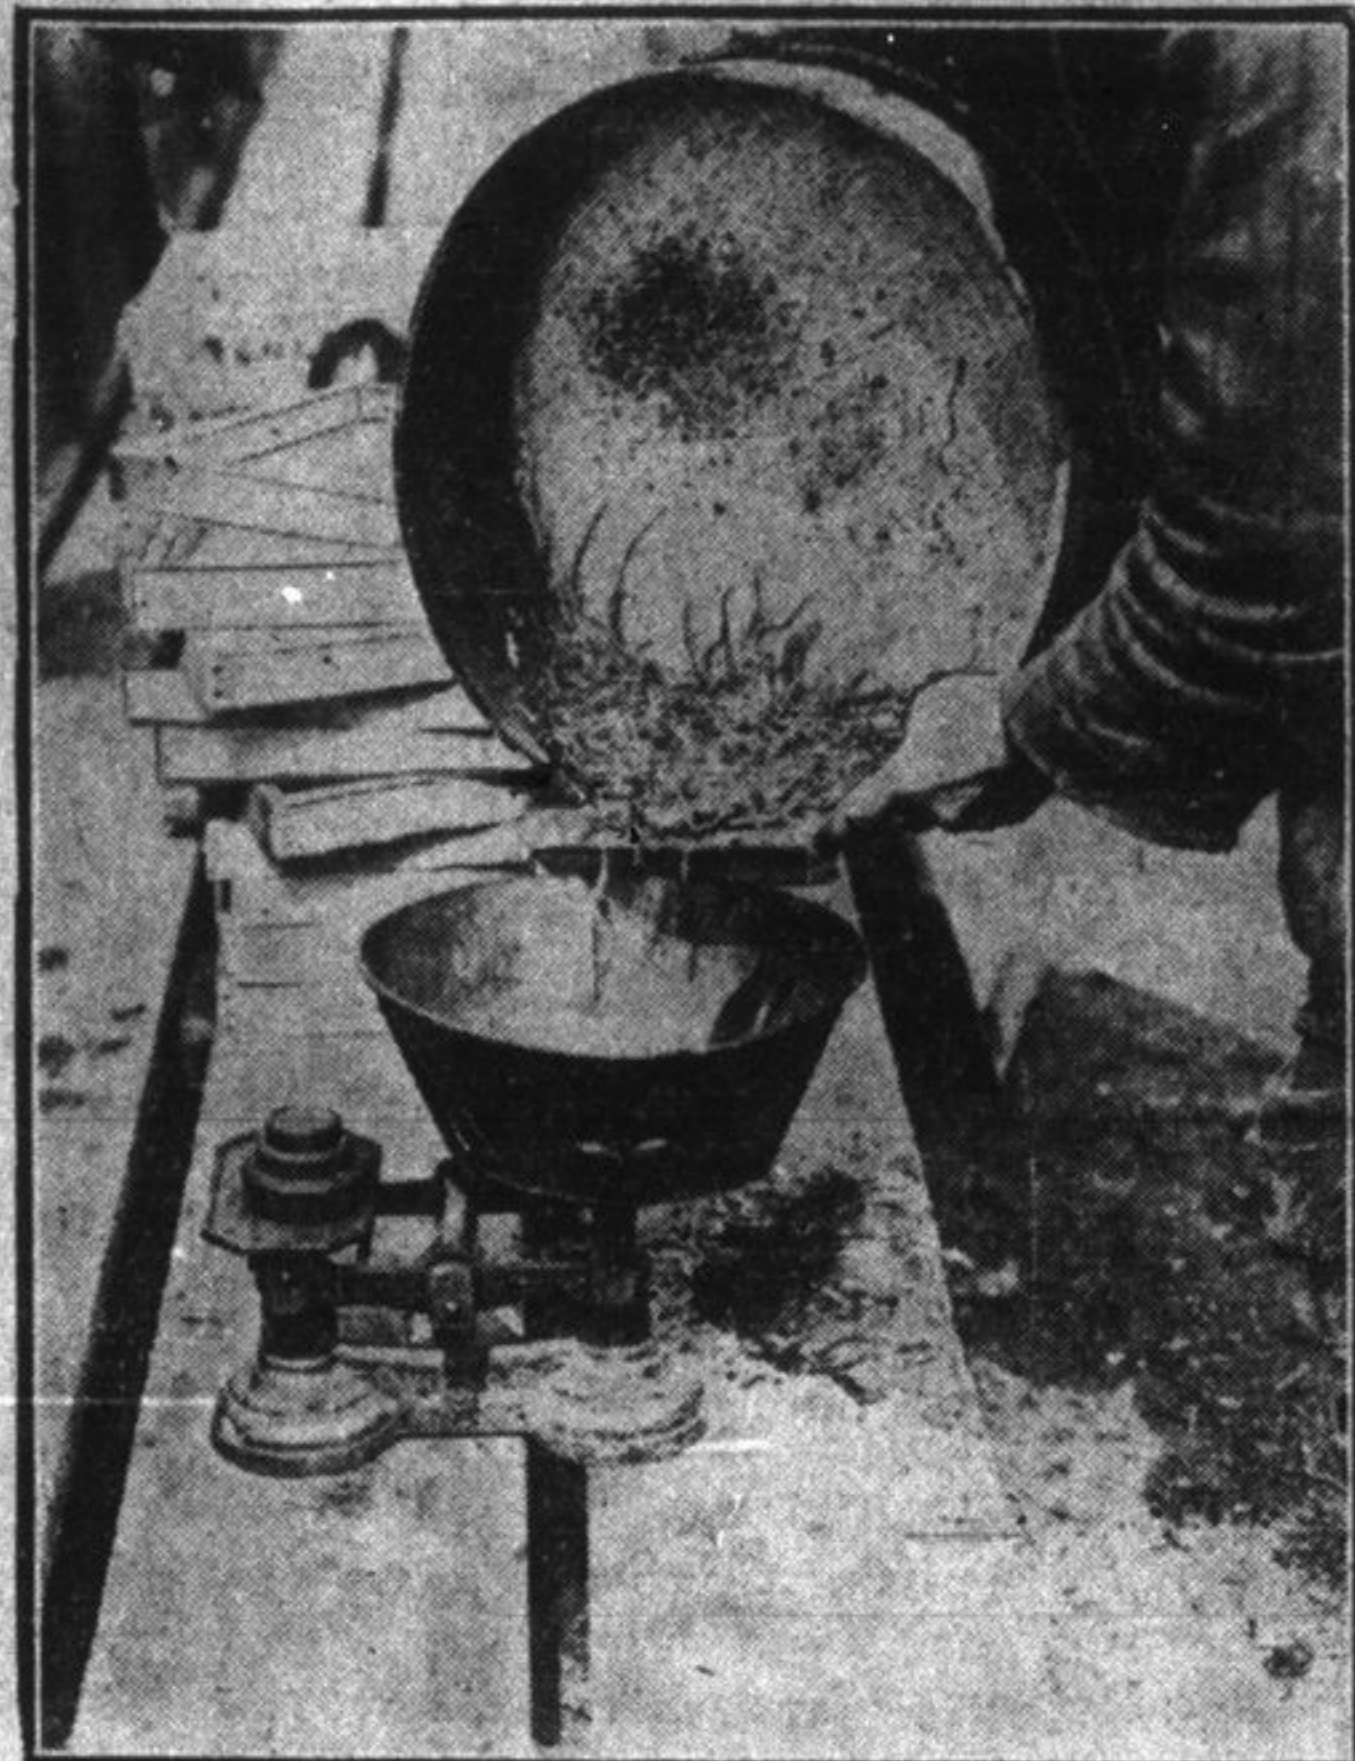

Still Same Germans.  
 After discussing the German coun-  
 ter-proposals as regards German  
 shipping, fisheries for Alaska-Low-  
 rene and the West, Franzosen and  
 Upper Silesia districts, the Times  
 continues:  
 "Modify the treaty, yes, as a prac-  
 tical measure; provided we do not  
 surrender any essential interest, and  
 provided that modification brings  
 some compensation worth while. But  
 it would be an unforfeitable blunder  
 to surrender vital guarantees of safety  
 in order to get a peace that will  
 satisfy the Germans. They are  
 still the same Germans. A peace  
 which would suit them would betray  
 the peoples who have given millions  
 of lives to defeat Germany."

The Late Peter Cole.  
 Peter T. Cole, Picton, died rather  
 suddenly Wednesday. He was taken  
 ill during the night. Mr. Cole had  
 not been enjoying good health for  
 the past few months, but was able  
 to be about and had been around all  
 day Tuesday. The deceased had re-  
 sided in Picton for a long time and  
 was a member of the firm of Mc-  
 Henry & Cole, barrel manufacturers.  
 A little over a year ago he and his  
 family went to Toronto where they  
 assisted in munition making for a  
 time, returning to Picton when hos-  
 tilities ceased. In 1916 Mr. Cole  
 was a member of the council. He  
 was a Mason and a Forester. The  
 deceased leaves his wife, formerly  
 Miss Hattie Sweeney, and one  
 daughter, Miss Ruth and three sons,  
 Harry, Claude and Clarence. Harry  
 has been overseas for three years  
 and is at present in France with the  
 Mechanical Transport section of the  
 British army.

Rev. W. G. Henderson, formerly  
 pastor of the Methodist church,  
 Carleton Place, stationed last year at  
 Aylmer, has retired from active ser-  
 vice of the ministry, and will make  
 his home at Ancaster after leaving  
 Aylmer.

The engagement is announced of  
 Marianna, second daughter of Mr.  
 and Mrs. S. D. Crook, Wellington,  
 to Arthur L. Siders, Hillier, the  
 marriage to take place quietly the  
 second week in June.

So go out and hustle for yourself.  
 Or on pay-day you'll be missed;  
 The mill will only grind for you  
 While you supply the grist.

**CULTIVATION OF EELS; ABOUT 1,200 TO THE POUND.**  
 The rivers of Great Britain have an abundant supply of eelers and the station at Epney was established by the Germans, who exported some millions annually for stocking their waters. The Board of Agriculture and Fisheries of England has now taken it over. The picture shows the eelers being sold by weight.

**WHY CAN'T I GET TO SLEEP?**

Thousands of people all over the country ask this question, but still continue to toss night after night on a sleepless bed, and it is impossible for them to get a full night's refreshing sleep.

Some constitutional disturbance, worry or disease has so debilitated and irritated the nervous system that it cannot be quietened except by the pernicious use of opiates or narcotics. Or again, you have heart palpitation, or sensation of sinking, a feeling you are going to die, or perhaps you wake up in your sleep feeling as though you were about to choke or smother, and the only way you can get relief is to sit up in bed.

To all who suffer in this way, Milburn's Heart and Nerve Pills offer an inestimable boon. They bring back the much-needed night's rest by improv- ing the tone of the nerves, strengthen the heart, enriching the blood and making the whole organiza- tion act in harmony—then you sleep as peacefully as a child.

Mrs. James Latimer, 39 Leinster St., St. John, N.B., writes: "At night I could not sleep. I had to sit up in bed, my heart beat so fast, and when I walked up stairs I would get all out of breath. A friend recommended Milburn's Heart and Nerve Pills and after using two boxes I can sleep all night and am not out of breath after walking."

Milburn's Heart and Nerve Pills are 50c a box at all dealers, or mailed direct on receipt of price by The Milburn Co., Limited, Toronto, Ont.

On Sunday, June 1st, at the Methodist church, an interesting event took place when a grand pipe organ was dedicated by Rev. Dr. W. R. Young, a former pas- tor of twenty-nine years ago. Prof. V. P. Hunt of Albert College and Bridge street Methodist church, Belleville, presided at the new or- gan. The choir of the Wellington church was assisted by the Belleville male quartette, E. A. Mouck, W. A. Wrightmyre, H. Moorman and E. T. Anstett.

Randall Clark, of Consecor, was shot and killed on Tuesday night last. His money, to the amount of \$20, was taken. His arm was broken and shot penetrated the abdomen.

Others Did Well, Too.  
 "The French, ever since Foch's vic- tory, are almost in danger of be- coming swell-headed," said Immigra- tion Commissioner Caminetti of New York. "And no wonder. The French surely showed great courage and genius in this war and praise and compliments have been showered up- on them from all sides. Not long ago in a French restaurant I order- ed a steak. The waiter took the or- der and just as he was about to go I cried as an afterthought, 'Well done, waiter.' The young man, flushing and with pleasure, drew himself up and saluted smartly. 'But you Ameri- cans, monsieur,' he said, 'you Ameri- cans also covered yourselves with glory at Chateau Thierry and Bois de Belleau.'"
