BASEBALL ON SATURDAY

TWO GAMES WERE PLAYED AT THE CRICKET FIELD.

Opener in Junior Series a Natty Feature—Military League Game Disappointing to Those Interested.

In spite of the splendid weather on Saturday the baseball officials were very disappointed with the sparse attendance. Both of the scheduled games were interesting though by no means clever, but attractive enough to draw out a large crowd. Lack of advertising of the events was probably the cause for the small attendance.

The opening game of the City League Junior series was commenced at two o'clock between Y. I. C. B. A. and Red Sox—a team composed principally of students at K. C. I. Very good games were shown by the youngsters, and it was only through hard work that the Young Irishmen were able to pull a win of 5 to 4. The Irishmen have had the advantage of fairly steady and consistent practice, but the collegians did not permit an easy win. They have not played together as much as the Hibernians, but they show class, and should stand up well when the final count is made. The teams:

Y.I.C.B.A.—Fitzgerald, s.s. and c.; Claire, r.f.; Connolly, c. and 3b.; Gourlier, 1b.; McNeill, l.f.; Gaultier, 3b. and s.s.; Arnell, c.f.; Devlin, 2b.; Koen, p. 5 runs, 7 hits, 3 errors.

Red Sox—F. Morris, c.f.; Sawyer, s.s.; E. Gill, c.; V. Johnson, l.f.; E. Hunter, 1b.; A. Ada, 2b.; Brennan, r.f.; Neilson, 3b.; B. Morris, p. 4 runs, 5 hits, 2 errors.

Umpire—"Flat" Walsh.

The Military League Game.

The game between G.W.V.A. and V.T.S., which was the scheduled opener a week ago, was replayed at the cricket field on Saturday afternoon owing to misunderstanding as to the number of innings that would have been played. With W. F. Nickle, M.P., at bat, Mayor Newman in the box and George Young, military secretary of the Y.M.C.A., behind the plate, the league got off to a good start, even though the batter tipped a foul. The runs were notched up so fast that it kept the scorers hot, and the game ended 19 to 13 for Vocationals. Without any idea of trying to pick faults or of being a knocker, it could be generally agreed that the opening game was a failure. The play was loose and dull and spectacular work was almost wholly lacking. The fault lay mostly with the batteries, which were decidedly weak as well as some of the infield workers. If the crowd is to be enticed to the cricket field to see games hereafter, there will have to be decided improvement on Saturday's feature for public exhibitions of amateur sport cannot be allowed to become juvenile. These facts are recognized even by the players themselves, and with a week or two of steady practice considerable improvement should result. The original positions of the teams, which were changed on several occasions during the game, were:

V.T.S.—Claire, s.s.; Parrott, l.f.; Stevenson, p.; Cumming, 1b.; Broder, 2b.; McGuire, c.f.; Third, c.; Kane, 3b.; Peppiatt, r.f.

G.W.V.A.—Gowan, c.; Boyd, p.; Covert, 1b.; Reid, 2b.; Weaver, 3b.; Twigg, s.s.; Shields, l.f.; Alton, c.f.; Wirt, r.f.

Umpire—Dehaney. Base referee Coyne and Nicholson.

The score by innings.

G. R. Smith Unable To be Secretary

An effort was made to secure G. R. Smith, the popular teacher at the Collegiate Institute, as secretary-treasurer of the City League, but on Saturday he stated that he would be unable to accept the position. He is leaving the city in the early part of July, and for that reason will not be able to take over the duties. Mr. Smith, who has shown considerable interest in sport at the Collegiate, and has the confidence of the pupils,

would have been a valuable acquisition to the City League.

"POP" GOING TO "GAN."

Colored Aggregation Will Conduct Operations From River Town.

"Pop" Watkins and his famous Havana Red Sox aggregation will probably settle in Gananoque for the season. Some correspondence has passed between "Pop" and Mayor Wilson of that town in regard to the location in Gananoque for the summer of the famous colored team of baseball players, with the result that Pop will be in Gananoque this week to conclude negotiations.

"Pop" has just returned from the South, and says he has picked up the finest aggregation he has yet managed, and promises that wherever they appear there will be something doing in the baseball line. For many years Gananoque boasted of a baseball team that ranked with the best, but when the war was on the enterprise was abandoned. So, when Pop's proposition came along, it was taken by the Mayor and those with whom he conferred as a fitting opportunity to revive interest in the great American sport.

"Pop's" bunch will probably appear in Kingston at an early date.

Think The Spell Of Fourth Is Broken.

There has been a change of attitude on the part of the two younger teams in the K.C.I. Baseball League. For some time past the second form, especially has seemed to be somewhat frightened to come up against the fourth form. On Friday afternoon however, the third form stood their ground against the senior form and cleaned up by 10 to 2, gaining six of their runs in the sixth inning. The second form now seems to have a hunch that the spell which put the fourth in the win column each time is broken and they are going to work hard to smash a win at the next game they are pitted against the fourth form.

IT SEEMS THAT

Jinx says: "It ain't so much thuh humidity as thuh remarks 'bout it that makes us sweat."

The Military League showed good sportsmanship on Saturday afternoon when the Junior City League game was permitted to start at two o'clock, although the military game was scheduled to commence half an hour later. It is probable that representatives of the Military League will wait on the board of management of the City League at their meeting next Tuesday night to come to some amicable arrangement respecting the hour of starting.

It is like old times to see "Bill" Dehaney at the ball games. "Bill" handles the game in the role of Mr. Ump, for the Military League very well and his voice carries for a good distance.

Arthur Twigg, who was a star player with the 21st Battalion in France, shows up very well in the G.W.V.A. team. He makes a much better pitcher than a shortstop, as his arm does not seem strong enough to shoot the ball from the infield to catcher. Most of his throws from that position on Saturday were short.

Stevenson, twirler for Vocationals, had an exaggerated idea of his pitching rights on Saturday. At times he would balk very conspicuously with a peculiar little jump and he had to be warned to stop it. Both the teams in the junior game on Saturday were well balanced. They hand out good steady ball.

When a gallant man is asked to guess a woman's age, he first makes a silent guess and then knocks off one-third.

CICERO ISN'T THE ONLY ONE WHO SHOULD ATTEND SUNDAY SCHOOL

Now, Cicero, you've got your Sunday school lesson down fine. I'm willing to help you every week, papa wants you to be a good boy and then when you grow up you'll be a good man.

THE DOPE ABOUT LOT AND HIS WIFE IN THIS LESSON WAS INTERESTING, BELIEVE ME!

JEFF SINCE I'VE BEEN HELPING CICERO WITH HIS SUNDAY SCHOOL LESSONS I'VE BEEN A BETTER MAN. I'M STARTING THE LAD OUT RIGHT. TO-DAY HE STUDIED ALL ABOUT LOT AND HIS WIFE!

WAS LOT AND HIS WIFE HAPPILY MARRIED?

YOU'RE POSITIVELY STUPID. LOT AND HIS WIFE LIVED IN A VERY WICKED CITY AND AN ANGEL TOLD LOT TO LEAVE, AS THE CITY WAS TO BE DESTROYED BY FIRE. THEY WERE TOLD NOT TO LOOK BACK ON THE BURNING CITY!

DID THEY LOOK BACK?

SUCH A QUESTION! YOU DON'T KNOW AS MUCH AS CICERO. LOT'S WIFE LOOKED BACK AND SHE WAS TURNED INTO A PILLAR OF SALT. THAT WAS HER PUNISHMENT. AFTER HIS WIFE WAS TURNED INTO SALT WHAT DO YOU THINK LOT DID?

M-H AFTER MRS. LOT WAS TURNED INTO SALT—

I SUPPOSE MR. LOT LOOKED AROUND FOR A FRESH WIFE!
