BERLIN PEOPLE FAVOR SIGNING

Rather An End With Terror Than Terror Without An End. FEELING TOWARD TREATY REPORTED TO BE TAKING A FAVORABLE TREND.

The Majority Socialists, Democrats and Clericals are Declared to be More Favorably Inclined Towards Revised Terms. (Canadian Press Despatch.) New York, June 19.—The Associated Press this morning issued the following: German feeling toward the peace treaty appears to be taking a more favorable trend. Although the peace delegations, headed by Count von Brockdorff-Rantzau, is reported as decidedly opposed to the acceptance of the revised Allied terms, the latest despatches from Weimar, where the German Cabinet and National Assembly are considering the treaty, reflect a different viewpoint. The majority socialists, who present a dominant political force in the German republic, are declared in these advices to be more favorably inclined towards the treaty than at first, while the clericals and democrats of the left wing are reported to be swinging in the same direction. One report from Berlin represents the people of the capital as re-acting to the future, desiring only to see the treaty signed and the suspense ended.

End the Agony. (Canadian Press Despatch.) Berlin, June 19.—"Sign the treaty and be through with the agony," is the gist of the comment of the people of Berlin today. After the wrath provoked by the ultimatum was calmed in the course of the Allies' answer, the residents of Berlin seemed to have resigned themselves to the inevitable "rather an end with terror than terror without an end" was the way one small merchant put it today.

IRISH ARE PAINFULLY SURPRISED AT WILSON'S Refusal to Champion Ireland's Cause Puts Sinn Fein in Bad.

London, June 19.—Irish messages speak with gained surprise at Wilson's refusal to contemplate the cause of Ireland being considered at the Peace Conference. One Dublin message says: "The Sinn Fein recognizes that this is its last chance. Failure now means certain overthrow. It is recognized in Ireland that the Sinn Fein will be unable to fulfill the promise its leaders made prior to general elections, namely, that they would walk into the Peace Conference with head erect."

There are indications of the return of the country to the policy of constitutional Nationalism. Elections of chairmen of the local boards are taking place all over the country, but so far they have not resulted in the expected rout of the Nationalists. On the contrary, the Nationalists are holding their own well, and in some places have replaced Sinn Fein men who hitherto held office.

THE WORLD'S TIDINGS IN BRIEF FORM Tidings From All Over Told in a Pointed and Pithy Way.

West Elgin Liberals want farmers and laborites to join them. The British Admiralty has issued orders practically reinstating the German blockade, stopping all ships en route to Germany and ordering all vessels to quit German ports. The Manitoba command of the Great War Veterans Association support the Dominion executive, in the request that Sir James A. Loughheed, Minister of the Soldiers' Re-establishment Department, be relieved of his portfolio. Judge Morson, Toronto, imposed a sentence of three years in the penitentiary on Nelson Steel Gotschall, who had pleaded guilty to the theft of \$1,000 from Grace Motors, Limited, by whom he had been employed as a manager for eleven months at a salary of \$1,000 per month.

Further bomb outrages are expected by William J. Flynn, chief of the Bureau of Investigation of the U.S. Department of Justice, who said every precaution was being taken by police through the country to forestall the radicals. Peter Swatch was sentenced to hang on Sept. 12th by Judge Desy in the Court of Kings' Bench, Montreal, Wednesday afternoon, for killing George Jacobovitch, a Russian wedding in Prince Arthur Hall on the night of Feb. 9th last. The Mexican Government considers as closed the incident brought about by the crossing of American troops into Mexican territory, said a statement issued by Gen. Claudio Aguilar, President Carranza's confidential ambassador to the United States.

A CONFERENCE HELD REGARDING ARRESTS Of the Strike Leaders at Winnipeg—Labor Committee Considering the Question.

(Canadian Press Despatch.) Winnipeg, June 19.—Representatives of the strike committees were in conference with Hon. G. D. Robertson, Minister of Labor, last night. No statement was given out as to the nature of the proceedings, but it is understood the minister fully went into the question as to why advantage had been taken of the amendment to the Immigration Act to arrest strike leaders suspected of Bolshevik tendencies. The explanation will be considered by the strike committee, and it is possible that a further conference with the minister will be held to-day. The conference was held at the instance of T. J. Murray, counsel for the men under arrest, and among those present were A. J. Andrews, K.C., Commissioner Perry, of the R.N.W.M.P.

SENATE SMASHES THE "DRY" BILL Orders Liquor Prohibition Terminated Upon Signing of Peace.

The Commons is Defied BY THE OLD LADS OF THE RED CHAMBER. The Commons May Refuse to Concur in the Amendment and Bring About Another Deadlock. Ottawa, June 19.—That order-in-council prohibiting the importation, manufacture and transportation of intoxicating liquor shall terminate with the signing of peace was declared by the Senate yesterday afternoon.

A bill from the Commons, enacting as a statute law the orders in Council of the Government proclaimed under the War Measures Act, was taken up by the Senate in committee of the whole. Senator De Veber offered an amendment striking out the words "and for twelve months thereafter" from the declaration that the regulations "shall continue in force during the continuance of the present war, and for twelve months thereafter."

The amendment carried by thirty-four to twenty-four after a number of speeches, chiefly dealing with the constitutional point raised on second reading, that by section 121 of the B.N.A. Act inter-provincial trade could not be interferred with.

Want Senate Abolished.

(Canadian Press Despatch.) Toronto, June 19.—Leading prohibitionists here express confidence that the House of Commons will fight the Senate in connection with the action yesterday of the Upper Chamber in amending the bill prohibiting the importation and manufacture and inter-provincial importation of alcoholic liquors so as to make the prohibition end when peace is signed. Instead of twelve months thereafter, as legislated by the Commons. Many representative bodies, such as the local Methodist Conference, are clamoring for abolition of the Senate, but others are depending on the declaration of Hon. N. W. Rowell, that the Commons will send an amendment bill back to the Senate that it be reconsidered.

It is pointed out that attendance in the Upper Chamber when the measure was amended was not large. A reconsideration and another vote might bring about a different result. The effect this amendment will have on the coming referendum in Ontario is a matter for speculation. If the bill is amended in any way, it is argued that many voters who otherwise would vote for prohibition, will not do so if the Dominion Government permits this province to be flooded with liquor from other provinces, or from the United States.

THE LEAGUE DOES NOT HIT UNITED STATES

McCumber Defends the Covenant as Only Means of Securing Peace. Washington, June 19.—Declaring opponents of the league of nations have conducted a campaign of misrepresentation and distortion, Senator McCumber, of North Dakota, a Republican, made a statement in the Senate relations committee today that the league covenant offered the only present hope of preventing future and more terrible wars. Replying to arguments of many Republican senators, he upheld the league as entirely consistent with the American constitution and devoid of any ability dangerously to entangle or curtail American interests. Defending the covenant, he said: "That it discriminates against us is unfair in its treatment of our country, or that it imposes on us any obligation or burden that is not equally borne by every other nation, I most emphatically deny."

THE GERMANS INCITE THE POLES TO REVOLT Use Harsh Measures in Upper Silesia and Eastern Prussia.

(Paris, June 19.—The Germans who were gathering their troops on the Polish frontier in Upper Silesia a few days ago and appeared ready to assume the offensive, have ceased their activities for the moment, says the Warsaw correspondent of the Journal Des Debats, in describing conditions on the Polish-German border. He adds: "The Germans are doing all they can to incite the Polish inhabitants of Upper Silesia and Eastern Prussia. They are imprisoning hostages and making apparent efforts to provoke a revolt of the Polish element. Despite these acts on the part of the Germans, the Poles in territory controlled by the Germans are showing a wonderful discipline and courage without complaint all sorts of vexatious measures."

SPECIAL BOARD TO HOLD ENQUIRY Into the Acts of the Strike Leaders Arrested at Winnipeg.

MONEY CAME FROM CHICAGO TO ESTABLISH SOVIET RULE THROUGHOUT THE DOMINION. The Dominion Labor Congress Will Not Interfere Unless the Western Labor Leaders Ask For Its Aid. Winnipeg, Man., June 19.—Large sums of American currency were found in the vaults of the Labor Temple that was opened by the police. Correspondence with R. B. Russell, one of the strike leaders arrested, shows that for three months he has been receiving funds from Chicago sources for the purpose of spreading Bolshevism and establishing Soviet rule throughout the Dominion. Senator Robertson states that the record now obtained gives positive proof that Bolsheviki money from headquarters in the United States was sent for the past three months to Russell.

An afternoon paper carries in its news columns the following with regard to arrest of strike leaders: "The leaders will be tried by special board of inquiry appointed at Ottawa under the new Immigration Act. The board has been appointed and is on its way from Ottawa now. Its personnel is not known. These details were given out by A. J. Andrews, K.C., who stated that he felt that no had would be allowed. The board of inquiry's investigation does not constitute a civil trial."

It's Up to Winnipeg. Ottawa, June 19.—The Dominion Labor Congress is ready to back the Winnipeg strikers with all necessary assistance as circumstances may demand, but it's up to the Winnipeg strikers or their committee or the arrested leaders themselves, to ask the congress to take action. Unemployed Winnipeg laborers resume communication with the congress. President Tom Moore holds that it would be indefinite and uncalled for on his part to interfere.

MAJORITY OF 51 ON BUDGET VOTE The Amendment Offered by Mr. McMaster Was Defeated.

FIFTEEN UNIONISTS VOTE AGAINST THE GOVERNMENT ON THE ISSUE. All of These Were Westerners Except Fielding, Pardee and Cockburn—Mr. Fielding Attacked Finance Minister. (Canadian Press Despatch.) Ottawa, June 19.—The final figures on the voting on the budget, which took place in the Commons this morning, established the Government's majority at fifty-one, as recorded on the budget as a whole. The debate was concluded at 2:30 and the division bells immediately rang in the members from the corridors. On the amendment submitted by Mr. McMaster vote of 70 for and 121 against was recorded. Fifteen Unionists voted against the Government on the budget issue. They were all westerners except Hon. W. S. Fielding, F. P. Pardee (West. Lambert) and J. P. Cockburn (Brandon). Mr. Cockburn voted for the Government against the McMaster amendment, but against the Government on the budget, presumably in both cases on account of his high protectionist principles. The Oppositionists who supported the budget were McCrae of Sherbrooke and Euler of North Waterloo.

At 1 a.m., previous to the vote being taken, Hon. Mr. Fielding, former minister of finance, made a castigating attack on the present minister of finance, Sir Thomas White, who, he said, was one of the "noble eighteen" who in 1911 cried, "No truck or trade with the Yankees," and defeated reciprocity in 1911, but reduced the tariff to the same level in 1919. While the concluding speeches were being delivered by Col. Arthur and Col. James Peck, V.C., most of the members were in the corridors singing, "Pack all your troubles in your old kit bag," and other popular songs, while the Government whips were making last efforts to steady the recalcitrant western supporters.

May Be British Envoy.

(Canadian Press Despatch.) Toronto, June 19.—The Toronto Methodist conference, by a vote of 122 to 72, passed resolutions requesting "the authorities of our Methodist colleges to accede to the popular decision by declining to grant any further honorary degrees to ministers, except in very special cases where eminent scholarship and distinguished service has been rendered."

Lloyd-George To Visit Battlefield.

(Paris, June 19.—Premier Lloyd-George left Paris on Wednesday for a visit to the battlefield of Verdun, the Temps says. He will be absent from Paris two or three days.

LEAGUE TO PROMOTE FULLEST HOME RULE Has Been Formed by Irishmen Who Think a Republic is Not Attainable.

Dublin, June 19.—An influential organization is being formed in Ireland under the name of "the Irish Dominion League." It is composed of republicans who believe that an Irish republic is unattainable and undesirable, but think that a prompt measure of home rule on the fullest colonial lines is urgently necessary. Among the promoters of the league are Sir Horace Plunkett, chairman of the Irish convention, and many men who were associated with him in the convention, as well as representatives of important business and professional interests.

The proposals mark a large advance on the provisions of the 1914 home rule bill, or the two previous home rule bills, in that they are by men of position is regarded as significant of the growth of home rule opinion and the urgency of a settlement. A weekly paper in the interest of the league is to be published. It will be known as the Irish Statesman. The directors include Sir Horace Plunkett, William Butler Yeats and T. P. O'Connor. The contributors, it is announced, will include some of the most distinguished of the workers for Ireland.

TAKEN BY MISTAKE.

A Winnipeg Minister Arrested For Rev. William Ivens. Winnipeg, June 19.—An interesting incident in connection with the arrest of the strike leaders was the arrest of Rev. S. O. Iven in mistake for Rev. William Ivens. Mr. Iven is pastor of McDougald Methodist church, formerly Iven's charge, and lives at the McDougald parsonage, occupied by Ivens until a year ago. The family were aroused about 10 p.m., and one of the girls was startled to find at the door a red coat with a warrant for the arrest of the minister and convinced the officer that there had been a mistake. He left very shortly, but others returned who were more suspicious and ordered Mr. Iven to dress and accompany them. However, they were convinced when shown the marriage register kept in the house.

THIRTEEN SONS KILLED.

Remarkable Record of One French Family in War. Paris, June 19.—Thirteen sons killed on the field of battle, three discharged with grave injuries, one wounded four different times, the father and one daughter serving in the army, and another daughter killed by a German shell at Dunkirk, is the record of the family of Mr. Vanhee, a French farmer of Remiremont, near Nancy. Mr. Vanhee had thirty-six children, twenty-two sons and fourteen daughters, all of whom were living when the war broke out. One of his sons was valet to Pope Pius V; he returned to France to fight and was wounded in each of four different engagements. One of the sons lost both legs, another returned from the front blind and deaf, and another underwent the trepanning operation.

BORDEN WITH UNIONIST PARTY.

Reorganization of Cabinet and New Party Formed. Ottawa, June 19.—In a front page editorial the Journal, edited by P. D. Ross, an intimate friend of Premier Borden, the announcement is made that Sir Robert Borden intends to remain in the helm to reorganize his cabinet, and to form a Unionist party. Sir George Foster, Hon. M. J. Doherty, Hon. Frank B. Carvell, and other ministers are said to be slated for retirement. An effort is to be made to bring in James Gouin, Hon. Rodolphe Lemieux, and some other prominent French-Canadians into the cabinet.

For Disabled Men in Industry.

Hamilton, June 19.—The Hamilton Central branch of the Great War Veterans, at a meeting presided over by Col. William Hendrie, passed the following resolution: "That it is the opinion of this meeting the time has come for the Government of Canada to consider and put into effect a law for the whole of Canada, whereby every incorporation or industrial employing male labor shall employ a certain number of disabled war service men and that this law apply to soldiers who went from Canada and served in the C.E.F., Imperial, naval or military forces."

Down Come Beef Prices.

Kansas City, June 19.—Retail prices of beef dropped three, and five cents a pound last week, and further decline is looked for this week. Chickens have dropped 10 to 12 cents a pound. The lack of export demand and diminished buying are the chief reasons for the drop in beef. Swift & Co. quotations showed a decrease of from five to six cents in the wholesale price of better cuts of beef.

Mortgage Corporation Fails.

(Canadian Press Despatch.) Toronto, June 19.—The Standard Reliance Mortgage Corporation closed its door yesterday. The liabilities are about eight million five hundred thousand dollars. It is hoped the assets will meet the claims.

CAUGHT BURGLAR; TWO ESCAPED The Night Constable at Napanee Fired Two Shots at Them.

BROKE INTO A GROCERY AND WERE DISCOVERED BY CONSTABLE BEARD. Two of the Trio Ran Away—The Third Was Getting Out of a Window and Gave Himself Up. (Special to the Whig.) Napanee, June 19.—Three men made a bold attempt to burglarize the grocery store of Newman & Livingston, at Napanee, about 3:45 o'clock this morning, but their little game was nipped in the bud by Constable Beard, the wide-awake night constable of the town. The latter fired two shots from his revolver and captured one of the would-be burglars, but the other two made good their escape. The fellow under arrest is about twenty-seven years of age and refuses to give his name, although he says he is an American.

Constable Beard noticed the man he placed under arrest, getting out of a back window of the store, and two other men were also on the outside. The constable ordered them to surrender, and to show them that he meant business he fired a couple of shots. The man getting out of the window gave himself up, but the other two took to their heels, and as Constable Beard had the one prisoner, he could not give chase to the other two. On being taken to the police station, the prisoner refused to give his name, although he seemed to take a delight in declaring that he was an American. He and the other two men were covered with coal dust, and it is believed they dropped off a freight train for the purpose of getting something to eat in the store and also to pick up any loose change they could get in the till. The man arrested had about \$2 in small change, taken from the till.

DISCOVERS OURE FOR INFLUENZA Dread Disease No More to Be Feared Than a Boli.

New York, June 19.—Influenza and pneumonia are no more to be feared than a boll on the back of your neck, according to Dr. Charles H. Duncan, one of the founders of the Volunteer Hospital, who, in an address here to-day before the convention of the Allied Medical Association of America, described his method of combating Spanish influenza by means of "immunizing a patient to his own poison." Upon 246 patients ill with pneumonia and influenza last winter, Dr. Duncan said, he had used the treatment "without a single fatality or any complications."

WON'T STOP BIG FIGHT.

BILL to Authorize Governor to Revoke Permit Defeated. Columbus, Ohio, June 19.—The Ohio legislature refused to interfere with the Willard-Dempsey fight at Toledo, July 4th. The House of Representatives by a vote of 37 for to 29 against defeated the Dunn bill that would have given Governor Cox authority to revoke the permit issued by the city of Toledo, if in his judgment the proposed bout would be a prize fight. Sixty-three votes were needed for passage.

SEE WILLIAM MACKENZIE WHO HAS BEEN FOR LONDON ON AN IMPORTANT FINANCIAL MISSION.

HON. ARTHUR BALFOUR When the people of England strongly desire should be sent to America as ambassador to succeed Lord Reading.

THOMAS MOORE President of the Dominion Trades and Labor Council says that, unless the Government proved conclusively that the arrested Winnipeg strike leaders were dangerous to the state in the fullest sense of the word, the trades and labor movement of Canada would hold the Government strictly to account.

HON. ARTHUR BALFOUR When the people of England strongly desire should be sent to America as ambassador to succeed Lord Reading.
