BANQUET AT HARROWSMITH

In Honor of Soldiers Returned From Overseas.

Harrowsmith, June 19.—When Great Britain sent out her call for men to take up arms in defence of home and country, thousands of men nobly responded to that call. Among the first who volunteered were a large number from the little village of Harrowsmith. They willingly and gladly offered their services in the defence of their homes and loved ones, and now, after years of service in England and France, they are again returning. Alas, not all, for four of the brave boys paid the supreme sacrifice, and will never return.

On Tuesday evening a number of the ladies of the Red Cross Society gave a banquet in the township hall in honor of their brave soldier boys. The hall was artistically decorated with ferns, roses, and dozens of flags. The tables, profusely decorated with cut flowers and laden with all the delicacies of the season, as well as the banquet table, were groined beneath the weight of good things. Ample justice was done by the boys, and then the evening's entertainment was commenced by singing "O Canada!" and other patriotic songs.

R. Vair, Glenburnie, made an efficient chairman, and gave an address of welcome. He was ably assisted by F. S. Sine, M.A., of the Sydenham High School staff, who was quite in his element, and felt it an honor and pleasure to assist in the "Welcome home of the soldier boys who had so nobly acquitted themselves in the line of duty." Solos were delightfully rendered by Mrs. John D. Shibley, Mrs. R. J. Vair, Bert Vair, and E. E. Day. The speakers of the evening complimented the Red Cross workers on their splendid work during the war, and the splendid banquet and welcome extended to the returned men, Miss N. Barstow, the secretary of the local branch of the Red Cross, personally addressed them, and presented a suitably engraved gold signet ring.

Private Percy Boyce replied on behalf of his soldier comrades, and in a neat speech thanked the ladies who had provided such an excellent banquet, for the gifts extended and for the work done for them through the four long, weary years of the war. Three hearty cheers were given the soldier lads, and they in return cheered the ladies in good soldierly style. With the singing of "God Save the King" a pleasant and memorable evening was brought to a close.

HEN THIEVES AT PITTSFERRY

Caught by a Resident, But They Escaped.
Pittserry, June 19.—A resident of this vicinity returned home late one evening found the lock of his hen house door broken, and hen thieves busy. They had thirteen of fourteen of his hens in two bags, and were filling the third, when he arrived and made things lively for them. He ordered them to drop the hens, and the only satisfaction he got was to have the jack of a car hurled at his head. Fortunately it missed him. He then thought he would defend himself, so he knocked down one, and looked around for the second one, who at this time was carrying off the hens. The thief dropped the hens. The first thief knocked down made a quick get-away. It is thought the thieves came in a car, as the jack of a car was used in the school yard the next morning. The resident thinks he would know the men again if he met them, as it was a moonlight night, and he could see their faces plainly.

"The same evening another man's drive shed was broken open and a lot of tools stolen. A number from here went to the dance at Kingston Mills on Wednesday night. Quite a number went to Cananoque on Tuesday morning to see the arrival of the Duke and Duchess of Devonshire. B. Lane, S. Abrams, E. Orr, C. Henderson and J. Orr spent Sunday with friends on Wolfe Island. N. Orr returned home in the evening with them.

A MYSTERY SURROUNDS The Disappearance of a Returned Soldier.

Montreal, June 21.—The police and military authorities in Eastern Canada are making a careful search to determine what has become of a returned and invalided soldier named Claude Bailey. After suffering from nervous prostration and pleurisy in France, Private Bailey arrived in Canada and left his home at Dalhousie, N.B., to visit relatives at Racine, Wis. While in the United States this soldier wrote his parents advising them that he was returning home bearing an approach of another breakdown in health. He left Racine on May 15th, buying a ticket to Quebec via Chicago, Port Huron and Montreal. The railway authorities report that the ticket was used from Chicago as far as Port Huron, but after that point no trace has been found of the traveller. His aged parents have been visiting the various cities along the route for some weeks past, making inquiries regarding their son, but no news has been obtained of the boy. As he was of quiet and steady disposition, it is believed that he has either met with foul play, or having been seized with illness, has lost his identity, and is under treatment in some hospital. Private Bailey was 22 years old, about five feet eleven inches in height and of dark complexion. At the time he left Racine he carried his military papers, and was wearing his service badge. Any information regarding Private Bailey should be sent to the headquarters of the Great War Veterans' Association at Ottawa.

Winnipeg Car Men To Return To Work

More Aliens Are Arrested—Being Brought to Penitentiary in Ontario.

(Canadian Press Despatch)
Winnipeg, June 21.—There were six more arrests yesterday of Winnipeg men charged with seditious conspiracy. The men gathered in the afternoon at the alien camp, and were to be active agitators. The names were not disclosed last night. The arrests were made by members of the Royal North-west Mounted Police, who carried them out as quietly and effectively as on Tuesday morning, when ten of the strike leaders were taken in custody and conveyed to Stony Mountain penitentiary. The aliens arrested yesterday were sent to the penitentiary in Ontario, pending arrangements for their trial. Canadian Pacific Railway officials have verbally notified that the striking carmen will return to work on Monday whether or not the sympathetic strike is called off by that time, it was announced by a prominent railway man last night. The reason given is that they consider that the chief point at issue, that of the legality of collective bargaining, has been conceded to the metal trades workers.

SAURDAY'S MARKET.

Prices Were High For Most Produce Offered For Sale.
The market on Saturday was exceptionally large. Butter and eggs remained at a high figure the former selling almost exclusively at 60 cents a pound, with eggs going at 55 cents. In the meat section, supplies were small and prices high. Veal sold at 15 to 18 cents a pound for front quarters and 22 cents a pound for hind. Lamb was not so plentiful and sold at 35 cents a pound for forequarters at 40 cents a pound for hind. Fowl was also dear, the majority selling at two dollars each, with a few at \$1.75 and \$2.50. In the vegetable market, there was large supply of fresh vegetables of all kinds at low prices. Lettuce and onions sold at five cents a bunch, and rhubarb, which was scarce this week, sold at the same figure. Cucumbers sold at 10 to 25 cents each. Some new beets sold at 10 and 15 cents a bunch. Potatoes remained at last week's high price of \$2.50 a bag. Strawberries were on the market in large quantities. The majority selling at 25 cents a box. A few choice specimens sold at 30 and 35 cents.

AUTOMOBILE OVERTURNED

And Frank Grace and George Alarie Were Injured.
A serious accident took place on Gibsons' Hill, Sydenham Road, on Friday night, when a Ford roadster driven by Frank Grace was overturned. The car was badly smashed, and Grace was accompanied by Mr. George Alarie, G. T. R. freight clerk, and both were injured. They were conveyed to the city by a car sent out by Vanlue Bros., and taken to the Hotel Dieu. Mr. Grace received a badly smashed arm, and after it was dressed he was able to proceed to his home, but Mr. Alarie's injuries proved to be rather serious, and he is still in the hospital. He was injured in the back, besides suffering from cuts. A pathetic incident occurred during the inquest held at the police station on Friday night over the catastrophe on the steamer Atikokan. While the jury was debating on the evidence given, one of the members stated that he would like to have the jury adjourn to secure the evidence of Alexander Watts, one of the victims. A few minutes later word came to the jury that Mr. Watts had passed away.

Educational Movement.

Through the good offices of Deans Goodwin and Coleman, Prof. W. F. Osborne, Winnipeg, was able yesterday to meet a number of local educators representing Queen's University and the Royal Military College, and a number of citizens, including the Mayor, the Bishop of Ontario, and F. R. Anglin, chairman of the Board of Education, in a discussion with them the National Conference on Education which is to be held in Winnipeg on October 30th. The idea is to get together a meeting thoroughly national in scope and character to consider education in general, and in particular its bearing on character and citizenship. Endeavor will be made to have present at the conference not only professional educationists but a wide representation of the business interests of the Dominion. Canada is in a fortunate condition with respect to education, and nothing will arouse her from this so well as a national convention.
