Have you heard about it? It dives dashes, darts and wiggles just like an injured fish. Probably the secret of the success of this bait is its extremely erratic motions. Several hundreds thousand have been sold.

The back-lash which occurs so persistently when using an ordinary reel has done more to discourage the sport of casting than even that oft-mooted question:

"Why Don't They Bite"

Now we have a Reel that won't back-lash, and you don't have to thumb your line. The caster has only to learn to throw his bait properly.

## THE BOWLING TOURNAMENT VISITORS NOSED OUT A WIN

KINGSTON PLAYERS TOOK PRIZES IN DOUBLES AND SINGLES.

The Prescott Club Was Very Generous and It Was a Splendid Outing—Mayor Newman Seconded Vote of Thanks.

After the most successful series since pre-war seasons the annual tournament of the St. Lawrence Lawn Bowling Association was brought to a close Friday with the playing of the final stages in the doubles and singles competitions. In the semi-finals Green and Kimmer, Kingston, were defeated by Mosley and Cordukes, Victorias, Ottawa, but were awarded fourth prize—two briar pipes—in the competition. W. H. Wren with Kingston, was defeated in the semi-final of the singles by Stewart, Victorias, Ottawa, and was awarded fourth prize of a box of fifty cigars.

All the bowlers were profuse in their thanks for the hospitality extended them by the members of the Prescott Lawn Bowling Club. Rev. Dr. Milne, of the Ottawa club moved a resolution of thanks to the club for the generous treatment, seconded by Mayor Newman, Kingston.

Bay City has released Bill Yim, the Chicago player who came from the Eastern League. One critic says Yim seemed to be playing good ball, but that Bay City's new manager, Cal Wenger, didn't like his looks. Catcher Frank Crossin, who has been doing most of the catching for Reading, is out of the game with a broken leg. He may be out for the rest of the season.

MANHATTAN GIANTS DEFEATED PONIES BY 9 TO 8.

It Was a Peppery Game But Errors Were Bunched Up—Y.L.C.B.A. Won the Junior Game.

Over four thousand persons are believed to have attended the exhibition game between the Manhattan Giants of Buffalo and the Ponies at the Cricket Field on Saturday afternoon. Every part of the grounds was crowded and the game proved to be very interesting. After a hard struggle the visitors managed to nose out a win by 9 to 8, although it looked for a time as though the Ponies might gain the laurels.

It was a peppery game, from first to last, although both teams slipped in a bunch of errors which made it quite ragged at times. The visitors are not quite so lively as their brethren, the Havana Red Sox, and failed to hand out the line of antics of "Pop" Watkins' Gananogue babies. There was some hard hitting during the game and the visitors' famous pitcher, Emery, showed a poor class as has been seen on the local diamond this season. Too much hard work in the hot sun has evidently told on him.

The locals jazzed the game along right through and handed the position pickers a tough proposition to handle. However, the trotters went up in the air more or less in the fifth and sixth innings and managed to lose their lead for the rest of the game, although the game was tied until the ninth innings.

### MILITARY FOOTBALL GAME WAS A DRAW

The R.C.H.A. and Shipbuilders Each Scored One Goal Saturday Evening.

The most exciting game of football yet played on the cricket field was witnessed on Saturday evening between the R.C.H.A. and the Shipbuilders. It resulted in a draw, the score being 1 to 1. The supporters of the two teams were out in force. The individual play was good, but it was superior combination work that placed the match in a higher class than any yet seen. The R.C.H.A. scored in the first half and the Shipbuilders in the second, and while the fight raged from end to end of the field neither team was able to get the ball into the goal for a win. The crowd went wild with excitement whenever the slightest advantage was gained by one side or the other, for all desired to see a decision. The most sensational play was the goal scored by the R.C.H.A. in the first half. The ball was kicked from the centre of the field and Duncan, goal keeper for the Shipbuilders, caught it but it bounced out of his hands over his head into the goal.

The line-up was as follows:  
R.C.H.A.—Kemp, Clarabutt, McIntosh, Graham, Wilson, Phillips, Lynch, Lowrie, Thomson, Leonard, Bramhall.  
Shipbuilders—Duncan, Easton, Goldfish, Montgomery, Givens, Graham, Ruttan, Stewart, Jamieson, Burgess, Knowlton.  
Referee—McFarlane.

## To Travelling Salesmen

**W**HEN showing goods, the traveller's cuffs as well as his goods are brought right before the prospective customer's eyes. A soiled cuff doesn't create a favorable impression. And it draws the attention away from the article to the soiled cuff.

The alert, particular traveller, therefore, has to take a big bunch of shirts on his trips and change often—unless he carries W. G. & R. Shirts with Double Wear Cuffs with him when he needs just half the usual quantity.

Everyone knows that the cuffs—the most exposed portion of a shirt—get soiled first. And it doesn't take long for a dirty train or dusty road to soil them.

But when one side of his Double Wear Cuffs gets soiled the traveller just turns the cuffs, which fold easily and lie perfectly flat either way they're turned. He thus wears his shirt twice as long.

If he is away for a period of two weeks to a month or longer every inch in his grip or personal trunk is valuable. W. G. & R. Shirts with Double Wear Cuffs save space for him, cut laundry bills for shirts in half, and wear longer.
