NOTICE TAKE NOTICE THAT:

1. The Council of the Corporation of the City of Kingston intends to improve the streets named in the schedule below, and intends to specially assess a part of the cost upon the land abutting directly on the work.

2. The estimated cost of the work is as shown in the schedule, to be paid by the Corporation. The estimated special rate per foot frontage is as shown in the schedule. The special assessment to be paid in annual instalments is shown in the schedule.

3. Before proceeding with the work the Council will be bound to make provision for the street line on either side and also lay all necessary water mains, service pipes and stop cocks and make all necessary alterations in the same, and will also lay all necessary gas mains, service pipes and stop cocks, and make all necessary alterations in the same, and the cost of all such water or gas service pipes, stop cocks and alterations and of all private branch drains and connections will be specially assessed only upon the particular lot to serve which it was constructed or effected.

Table with columns: Estimated Cost of Improved Footing of Street or Av., Location to be Served by City, Estimated Special Rate per Foot Frontage, No. of Annual Instalments.

Total \$1,291.54 \$ 647.89 Amount brought forward 198,789.85 61,171.42

A petition against the work will not avail to prevent its construction. Dated this 12th day of July, 1919. W. W. SANDS, Clerk.
