AN ICE CREAM SOCIAL

Was held at Amherst Island and well patronized. Stells, July 23.—The farmer are busily engaged haying. The crop is good and the quality is of the best. Fall wheat also has been cut. Wheat is a fair crop, but the average is small in the township. Rain is badly needed for the grain and pasture and roots. Quite a number of members of Barleigh L.O. No. 432, and of Deary Lodge, No. 3, P.A.P.B., took in the celebration in Napane on the 12th. An ice cream social was held on Friday evening, under the auspices of the Amherst Island Women's Institute on Mrs. Nelson's lawn in the village. It was quite well attended.

Bishop Bidwell, Kingston, paid a visit to St. Alban's church on Tuesday evening. J. A. McMullen has purchased a gasoline tractor. This is the first one of the kind and people have driven some distance to see it work. It will draw three plows, a forty-plat double disc harrow, quite a number of horses have been sick here. Hugh Glenn lost a nice young driver a few days ago.

A. S. Blakey, butcher, Kingston, was over the island last week. Visitors: Miss Meta Moutray, Ottawa, at W. H. Moutray's; W. English, Peterborough, at C. McNeil's; Major S. McKenzie and family, Gananoque, with friends.

Benjamin Shields, a well-known and highly respected resident of Smith's Falls, died on Sunday. The deceased had been in failing health for three years, and his death was not unexpected. He was sixty-four years of age, and a son of the late James Shields.

At a special meeting of the Smith's Falls council A. L. Connors was appointed assessor at a salary of \$250.

Dr. Edwards, M.P., occupied the chair. Rev. E. Codling, Batterssea, and Robert Vair, Glenburnie, were the speakers of the evening. Besides some home talent, Prof. S. Anglin, B.A., Batterssea, and Mrs. Vair rendered some very enjoyable music. Dr. Edwards gave a profitable address, after which a presentation was made to the men who very early in the war responded to the call to serve King and Country. Mrs. Harry Bearnes and Mrs. John Silver presented the married men, Joseph Hawkey and Harold Johnson, with beautiful mantel clocks, while four little girls, Pearl Bearnes, Helen Moore, Marjorie Silver and Jean Cordukes, handed the young men. Cordukes handed the young men, namely Russell Bearnes, Alex. Pringle, Donald McLaughlin and Bert Hurd, leather suit cases and brushes. Rev. W. Charlesworth replied on behalf of the boys. FINANCIAL MATTERS.

Dominion Textile's Big New Bond Issue.

The Dominion Textile Company announces the calling of a special meeting for August 26th, when the shareholders will be asked to sanction a by-law enacted by the directors authorizing the creation of a bond issue to the amount of \$15,000,000. The company's outstanding bond indebtedness now is \$7,390,000.

Johns Steamships Board.

Sir Henry Pellatt has been elected a member of the Board of Directors of Canada Steamship Lines. Decision was made at a meeting of the board at Montreal this week. The selection has a certain background in that Sir Henry was formerly a director of the Richelieu & Ontario Navigation Company, which is one of the companies in the merger.

Will Move Head Office.

At a special meeting of shareholders of the Consolidated Mining and Smelting Company held in Toronto the shareholders unanimously ratified the by-law authorizing the removal of the head office of the company from Toronto to Montreal. It is expected that the records of the company will be moved to Montreal this month or next, the head office in Montreal will not be officially opened until September.

Breweries May Merge.

Heavy buying of Frontenac Breweries at the end of last week, when it was sold up to a new high level, came from quarters already enriched by profits from National Breweries, and had the effect of rushing the stock to a 20-point jump. It is hoped to force the stock up to 175. Although Frontenac is back both in its bond and preferred interest, the earnings are so great that it is confidently predicted both will be paid off in September. The brewery, like National, is working day and night, and cannot cope with the demand.

There is some likelihood that Frontenac may join the National Breweries merger, preliminary negotiations to that end having, it is understood, been commenced. If that is accomplished, no doubt a high price will be paid for the stock, and it may be the real motive behind the advance.

Commercial Notes.

Total net income of the Southern Pacific Railway Company for the year ending December 31st last was \$1,313,323.53.

The Eastern Holding Company has changed its name to the Ford Motor Company and increased the capital stock from \$100,000 to \$100,000,000.

Quaker Oats Co. of New Jersey, majority of stockholders voted in favor of increasing the capital stock from \$30,000,000 to \$50,000,000 by increasing the preferred stock from \$15,000,000 to \$25,000,000 and the common stock from \$15,000,000 to \$25,000,000.

Make Your Hens Lay More Eggs

Whether eggs bring 30c. or \$1.00 per dozen, the profit from hens is in the number of eggs they lay. Make your hens lay more eggs by giving them proper food. Ordinary grain food and mixtures will keep poultry alive and supply the elements that develop yolks, but for complete eggs you must give hens a ration of food which produces yolks in equal proportion to yolks.
