Farmers are about through haying, which has been a fair crop. Rain is badly needed. Donald McLaughlin is working with Cromwell Cramer in the cheese factory. Mr. and Mrs. Buck and Miss Ash, Kingston, spent Thursday evening at Charles Irving's. Joseph Hawkey has returned from Chicago.

KEPLER.

Mr. Cornelius and wife have returned to their home in the city after spending a few days the guest of Arthur Smith. Lindsay Watson, recently returned from overseas, has been visiting his cousin, H. E. Johnston. Recent visitors were: Major John Staag, Arthur Gibbons, and Melville Suddard, Kingston; Miss Dorothy Potter, Bath Road, at Percy Potter's; Capt. L. Buck and family at Harvey Buck's; Miss Helen Sigworth Hartington, at Mrs. N. Orser's; Mrs. Watul and children, Watertown, N.Y., at J. Redmond's; Miss Mildred Grey, Sharbot Lake, at O. V. Hansen's. W. Orser and family visited friends at Perth Road recently. The local bee-keepers report a good crop of honey of a very fine quality.

LELAND.

August 2.—Rain is much needed at present, as pastures are getting quite dry. Haying is about finished and grain will be next on the programme. A number from here attended the tent meeting at Inverary on Sunday last. The heavy wind of last Sunday put the telephone line out of commission. Born, to Mr. and Mrs. A. Campbell, Jr., a son, on July 21st. Mrs. Peter and family, of Chicago, Ill., called on friends after an absence of six years. Miss Hattie Gibson, Inverary, is at A. Campbell's. Washington Brewster is engaged by D. Ferguson, for haying and harvest. W. McIlroy and Miss Laell Sills, called on Mrs. John Banks recently. Mrs. J. Sills, who has been with her daughter, Mrs. T. McIlroy, Keelerville, has returned home. Miss Mabel Kellar, Newcastle, is spending her holidays with her parents here. Mrs. F. Buck, Kingston at Harvey Kellar's.

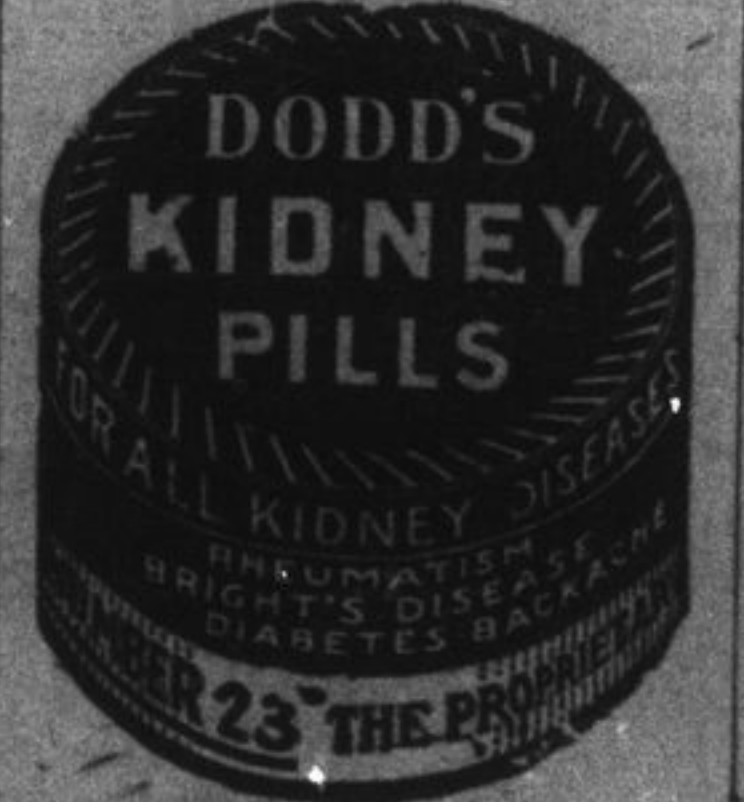

GODFREY.

Aug. 1.—A very quiet but pretty wedding took place at the home of Mr. and Mrs. Godfrey W. Giles, Godfrey, on Wednesday evening, July 30th. Their second daughter, Mary Louise, was united in marriage to Russell Henry Ferguson, of Elphin, Lanark County. The ceremony was performed by Rev. J. Jay Johnston, pastor of Verona's Methodist church, in the presence of the near relatives of the bride. The bride was simply and daintily clad in a white silk gown with pearl trimmings. To add to her charm was a white net veil crowned with orange blossoms. After the ceremony, an elaborate evening repast was served the bride performing her part very gracefully. Her many and costly presents showed the high esteem in which she was held by her numerous friends. Mr. and Mrs. Ferguson left for a short honeymoon, after which they will return to Elphin where the groom is a prosperous blacksmith.

Prince Edward

SALEM.

Aug. 1.—The hay crop is about finished, some farmers having large crops with little help. Quite a lot of hay has been harvested as seed. The crop was very uneven, the dry weather in early June drying up the light land so that the hay was shrivelled up and had to be cut before it was matured, while on deep land it was a heavy crop. The weather was ideal for harvesting, and the crop went in to the barn in good condition. Prices are high, however, as the grain crop is very light, and the acreage sown is much smaller than usual. When last year some phenomenal yields of peas were grown, several farmers receiving cheques of over \$1,000, this year many will not get more than their seed, and much of the seed was never sown. Cows and hogs are the

money makers for Prince Edward County farmers this year, milk selling at \$2.30 last. Mr. Carr, clear of expenses, Charles Carter, of Concession, last week, received a cheque for over \$1,400 for 31 hogs.

Leeds

WILLOWBANK.

July 28.—Our cheese maker was taken with appendicitis and removed to the hospital in Kingston and since then the proprietor has had a time getting a substitute. We have now George W. Brown, Atchens, Mr. and Mrs. Walter McNinch and son and Mr. and Mrs. Stanley McNinch motored out to Sunbury, Sunday, 30th, and Mrs. Gilbert Lindsay, Toronto, are visiting at his brother's, William Lindsay, at Lindsay's Point. Two gangs of men are on the road west of Gananoque widening and levelling it, the beginning of a new state road. Haying in the order of the day, it is delayed by an occasional shower of rain. Grain will be late and not a very good crop. The farmers are much disappointed that the commission is going to set the price for cheese as they have done now for two seasons. It does not seem fair when other things keep so high in price.

How to Rid the Skin Of Objectionable Hairs

(Aids to Beauty)
A simplified method is here given for the quick removal of hairy or fuzzy growths and rarely is more than one treatment required: Mix a stiff paste with some powdered delatone and water, apply to hairy surface and after 2 or 3 minutes rub off, wash the skin and every hair has vanished. This simple treatment cannot cause injury, but care should be exercised to get real delatone.

TENDER GUMS — A WARNING

Beware of gum tenderness that warns of Pyorrhea. Four out of five people over forty have Pyorrhea—many under forty also. Loosening teeth indicate Pyorrhea. Bleeding gums, too. Remember—these inflamed, bleeding gums act as so many doorways for disease germs to enter the system—infected the joints or tonsils—or causing other ailments.
Forhan's positively prevents Pyorrhea. If used in time and used consistently. As it hardens the gums the teeth become firmer.
Brush your teeth with Forhan's. It cleans the teeth scientifically—keeps them white and clean.
If gum shrinkage has already set in, start using Forhan's and consult a dentist immediately for special treatment. 2¢ and 6¢ tubes. All Drugstores.
