If men were compelled to eat their words there would be an epidemic of indigestion.

Combination Gas And Coal Ranges

Would you like in your kitchen a range that you could bake with either Gas, Coal or Wood. They are popular, as they take up no more space than a coal range. You can have a stove that the same oven can be heated with, either gas or coal, or one that either method of heating is separate. In the latter pattern the high closet is the gas baking oven. We would be pleased to show them to you.

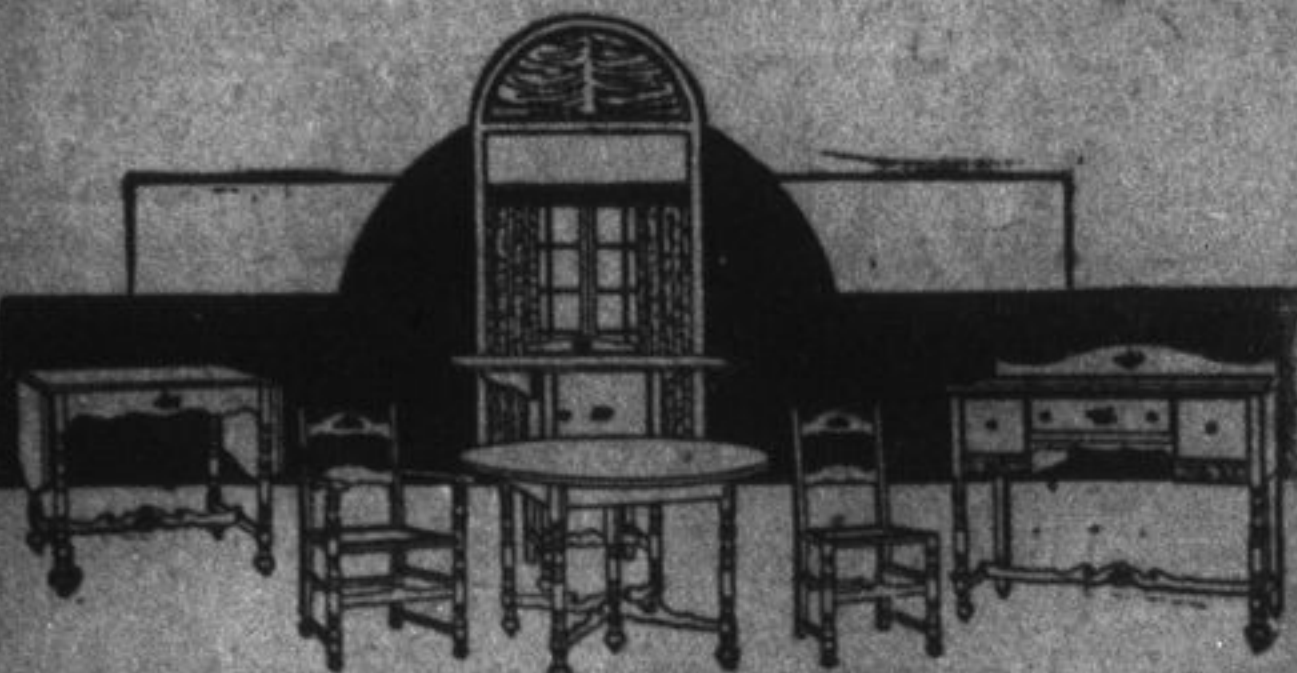

- Golden Age Combination Gas or Coal Stove\$90.00
- Happy Thought Combination or Coal Stove\$105.00
- It is 32" high, has 3 burner grill top, good sized oven...\$12.50 is a splendid baker, at a moderate price.

Now is the Time to Have Your Furnace or Roofs Attended to.

A Splendid Gas Stove With Oven is McClary's No. 183
