PRINCE IS INVITED TO SEE GOLD CUP RACES

Miss Detroit III. Will Defend Motorboat Trophy Against All-Corners.

The Prince of Wales, now touring Canada, has been invited by Commodore A. A. Schantz of the Detroit Gold Cup Committee to attend the Gold Cup regatta there Aug. 23, 30, 31 and September 1, when the world's motor-boat championship will be decided. Capt. E. V. Rickenbacker, the American ace of aces, has been named as one of the judges. The Gold Cup race is 30 miles, divided into three heats. Miss Detroit III, will defend the cup, having won it last year. The challengers include Miss Detroit II, Miss Minneapolis and Arab IV, from Buffalo. Four events in addition to the championship race make up the regatta program.

Carl Mays, Suspended, Has Been Reinstated.

Three members of the board of directors of the American League, consisting of a majority of the board, ordered Pitcher Carl Mays reinstated at a special meeting here yesterday, thus nullifying the action of President Johnson in suspending him. The directors after reviewing the case passed resolutions declaring that the "alleged suspension was without authority and void and against the best interests and detrimental to the welfare of baseball," and ordered Johnson from taking similar action against any other player in the American League "without a hearing and an opportunity to be heard given to the player and the club involved for any alleged offence." The resolutions also called upon the president of the American League "to submit forthwith to Charles A. Comiskey, chairman for the account of the board of directors a full and complete statement of the amounts from time to time accumulated."

RECORD PRICE PAID

J. K. L. Ross Said to Be Purchaser of Mare and Weanling.

What is said to be an American record price for a thoroughbred mare and her weanling colt was established at Saratoga when Henry McDaniel purchased Melody, a chestnut mare, by Meddler out of Balantras (Imp.)—(the weanling by Prince Palatine)—for \$36,000 at the Clarence H. Macway disposal sale. It is reported that Mr. McDaniel acted as agent for Commander J. K. L. Ross.

Veteran Dies in Winnipeg. Richard Roche, Winnipeg's veteran horseman, and a man famous all over the harness racing world, is dead. He was sixty-four years of age. Dick Roche was at one time one of the foremost drivers of America and his ability to pilot trotters and pacers past the winning post in front led to his engagement to drive horses in all parts of the world. He was one of the first outside drivers to compete in races in Russia, and his work there attracted the attention of some of the big horse owners of Austria and he later on drove many winners in the races in that country. He also took part in races in Germany, France and Great Britain.

Betting Does Cricket No Good. Expressing a fear that in some parts of England betting on cricket was "edging its way in," Lord Harris, at a meeting of the Cricketers' Fund Friendly Society, appealed to all cricketers to do their utmost to eradicate it. Lord Harris said he was not in favor of prizes for cricket, but he hinted that the case containing the celebrated "ashes" might one day be given by its owner as a prize for a contest between the Mother country and the Dominions. He thought there was every reason to be encouraged by the war in which, since the war ended, cricket had again laid hold of the affections of the people. One thing was obvious; England had got to find fast bowlers, or be at a serious disadvantage in international matches.

No Race Meet At Montreal. Independent race track owners held a meeting in Montreal, and after considering the pros and cons of the situation as pertaining to the sport on the island, decided to abandon the idea of conducting race meets there until such time as the Federal Government repealed the Order-in-Council which definitely prohibits betting. The decision of the racing magnates means that the opening for the last week in August has been definitely postponed, and it is more than likely that no racing will be held there this year.

Shaughnessy's team are now established on the summit of the Michigan and Ontario league. The American attendance has been so poor of late that all the games are being transferred to the Canadian side.

FRANK SHAUGHNESSY TO QUIT BASEBALL

If the Hamilton Tigers win the Michigan-Ontario Baseball League pennant this season, Manager Frank Shaughnessy will add another triumph to his already long list. Shaughnessy is a leader of champions. In 1912 he gave Port Wayne a pennant winner in the Central League. In the next three years he took three pennants in the Canadian League with Ottawa, while in the fall he coached McGill University to a couple of football championships. It's a habit with Shaughnessy.

This will probably be Shaughnessy's last season as a manager and ball player. He did not want to return to the game, but Hamilton made him such a tempting offer that he could not afford to turn it down. The Hamilton directors have been well repaid. They figure that the Tigers have played to over 50,000 people at Hamilton already this season. The owners have been fortunate in having to make few changes in the team. Shaughnessy started the season with most of his present players. His pitching staff has not been the strongest in the league by any means, but Shaughnessy knows how to win with poor pitching.

Shag will retire at the end of this season and likely settle down in Ottawa or Montreal. He may possibly coach one of the big football teams this fall, but he is emphatic in his decision to quit baseball as a participant. Shag is much in favor of reorganizing the old Canadian League, and next season he may blossom out as a club owner with Ottawa or Montreal, if the Quebec city can be secured.

Jack Dempsey, the heavyweight boxing champion, who is now appearing in vaudeville, will, according to information received from San Francisco, appear in his first bout in the East, and his opponent will be Willie Meehan.

Meehan declares that he has the written promise of Jock Kearns for the first bout in which the champion takes part after leaving the stage, and that the time will be the middle of November or the first week in December. Kearns also informed Meehan that the contest would be eight rounds minus decision, indicating that the manager of the champion has New Jersey in mind.
