

HAD TO CALL IN THE NEIGHBORS

Mrs. Rook Was So Rundown Couldn't Do Housework—Restored by Tanlac.

"This is the only medicine I've ever taken that does just what they say it will do," said Mrs. J. L. Rook, R.F. D. No. 4, Platt, Ill., in telling her experience with Tanlac.

"For eleven years," continued Mrs. Rook, "I suffered with stomach trouble and was in a general run-down condition, but all different with me now, for three bottles of Tanlac almost made a new woman of me. I lost my appetite and got so that actually I would get sick at the smell of food cooking. What little I did manage to force down would cause gas to form, and press up around my heart so bad at times I could hardly get a good breath. I would have cramping pains in the pit of my stomach which would last for many hours, then to make matters worse my kidneys became affected and I had terrible pains in my back and sides and at times could hardly turn over in bed. I finally got so weak and run down I couldn't do my housework and had to call in the neighbors to help me. I was so nervous the least little noise would upset me, and I could sleep but very little at night.

"I was in this very condition when I heard about Tanlac and asked my husband to get me a bottle, and to my surprise and delight I started to improve right from the start. I have taken three bottles now and I'll tell you it's wonderful the way this medicine helped me. The pains in my back and sides have all left me. My nerves are quiet and I sleep fine now, all night long, and when I get up in the mornings I am rested and refreshed. I never know what it is to have a headache now, I have a splendid appetite and feel perfectly well in every way and I want everybody to know what a great medicine Tanlac is."

Tanlac is sold in Kingston by A. P. Chown, in Plevna by Gilbert Ostler, in Battersby by C. E. Clark, in ... Leigh by Ervin Martin, in ... M. J. Scullion, in Sharbot L. W. Y. Cannon.

Use Coconut Oil For Washing Hair

If you want to keep your hair in good condition, be careful what you wash it with.

Don't use prepared shampoos or anything else that contains too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain mulsified coconut oil (which is pure and entirely greaseless), is much better than anything else you can use for shampooing, as this can't possibly injure the hair. Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get mulsified coconut oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.

GANANOQUE

(From Our Own Correspondent)

August 20.—On account of a mishap which placed the engine for furnishing auxiliary power for the works of the Skinner Co., out of commission, the old engine is being removed and another installed in its place. A well attended service was held at the town hall last evening when Mrs. Hamilton Scott of Toronto, (formerly Capt. Millie Goodall Gananogue's first S. A. Officer) gave an interesting address. The store of McFarland Bros., grocers, King street, is closed for stock taking this week and is expected to re-open shortly in charge of W. V. Webster of Trenton.

The Gananogue Water Power Co., has made arrangements for shutting off the water from the local factories on Aug. 30th, to permit of the annual repairs to their dams, canals and flumes, which is expected to require about two weeks.

The board of provisional directors of the Gananogue co-operative society which, for the past few weeks has been busily engaged in the disposal of stock in that organization, has practically doubled the amount of stock sales necessary to permit of incorporation and has made due application to the Lieutenant-Governor for letters patent granting to the society a charter of incorporation. Adam C. Hudspeth, accountant of the local branch of the Bank of Toronto, is applying for the manager of the Lyndhurst branch of that organization, for a few weeks.

Horace G. Gould, King street, has taken a position as junior clerk on the local staff of the Merchants Bank. Hewitt Smith of Kingston, spending the past few days in town with his aunt and uncle, Mr. and Mrs. William K. Crouter, King street returned home yesterday.

PRINCE TO OPEN HOUSE.

On the 1st of September—To Help the West.

(Canadian Press Despatch.) Ottawa, Aug. 20.—White Orders-in-Council are to be continued in force after the formal proclamation of peace is made, the legislation before the House of Commons, which will be opened Sept. 1st by the Prince of Wales, may not be very heavy. The majority of the bills will simply make provision for the continuance in force of the orders, for a specified period. Supplementary estimates will be light. The matter of relief for certain western districts badly hit by successive crop failures is now engaging the attention of Hon. Arthur Meighen and Hon. J. A. Calder, who are in the west and may call for legislative and financial assistance from parliament.
