THE PONIES WON AGAIN

IT WAS LARGELY DUE TO GALLAGHER'S GREAT PITCHING.

He Struck Out Nineteen Men During the Game—Langdon Twirled Well For the Athletics.

Nineteen strikeouts was the total recorded by "Teddy" Gallagher at the game on Saturday afernoon at the Cricket Field between Ponies and Athletics when the former won by 4 to 1. Throughout the entire game the hurling of Gallagher was absolutely superb and he has attained an envious position as a twirler.

There was a good sized crowd out to see the fixture and they were not disappointed for it was a snappy game from first to last. Athletics had Langdon, a veteran of the 139th Battalion and now with the G.W.V.A., pitching and he made a fine impression, although he was handicapped by the indifferent support which was given to him at times. Both pitchers held the batters down to eight hits, but better fielding and Gallagher's pitching gave Ponies the game.

Ponies started off by notching up two runs in the first innings, Haines and Daley passing over on a right field smash from Somerville. In the third Daley followed up with another after making the circuit on a series of errors. Tht last run was scoured in the sixth, when Cherry doubled, took third on Twigg's error and home on a single from Fitzgerald.

Athletics made their solitary score in the fifth innings, when Spoor trotted over on a single of Thompson.

Cobb Says He's Through.

Tyrus Raymond Cobb says he's through. The grand "hero" of modern baseball has stated that his mode of playing becomes methodical and that he does not put the same "pep" into his playing as in former years. This talk may sound pretty nice, but results hardly warrant a belief of these statements. Recently he was again proclaimed the popular hero in Detroit when the Tigers defeated the Philadelphia Athletics by a 2-0 score, thus keeping pace with Kid Gleason's gang of "white-hosed "pill-chasers. The Georgian Peach has not lost his old-time "batting eye." He is still the dread of all major league pitchers, and some of the best twirlers have oft stated that they fear him more than anw other batter, because he has the ability to place 'em where he wants them. Here's what he did against Athletics last week: Beat out two infield hits, drove out one for three bases, and scored Detroit's second run, beating the return throw of Veach's sacrifice fly. And then he has the courage to say he's losing his effectiveness. What's his idea of effectiveness?

Play Baseball In Poland.

Baseball is now being played at Warsaw in Poland, according to a letter which has been received at Knights of Columbus headquarters in Paris from members of the United States Army assigned to duty in Poland wit the American Relief Administration. Several months ago the K. of C. shipped complete baseball equipment to Poland, and the American soldiers on duty in that country are not only playing the game, but a number of members of the Polish Army are also taking up the great American game.

It is likely that within a short time the "Casey" athletic instructors may be sent to Pots d to work with the American soldiers in that country, and in that event America's national game will be given a big boost. The organization has already supplied the American soldiers in Poland with cigarettes, tobacco and other comforts.

Redland Fans Acquire A Hunch.

New York Times: Cincinnati baseball fans, unacquainted for fifty years with the pride that comes with having a first-class baseball team, are stepping all over themselves now with joy at the showing of Pat Moran's Redlegs. The following of the team have fallen to playing hunches. Their strongest hunch was furnished during the series in Cincinnati with thee Giants, when President John Heydler, of the National League, assigned four umpires to one of the games. This is being takeen as a sure sign of a world's series at Redland Field in October, and Cincinnati fans are making their plans accordingly, totally oblivious of the fact that the Giants are in the league.

True Sportsmen.

Manchester, Eng., City News: It naturally follows that the two airmen who flew the Atlantic must be perfect sportsmen in every sense. An instance of this has just been made public. From their prize of £10,000 SirJohn Alcock and Sir Arthur Whiten Brown have awarded £2,000 to be divided between the employees who were engaged on the successful machine. It is understood, howeveer, that Messrs. Vickers will augment the sum until it is sufficient to pay one week's extra wages to all at the Waybridge works.

No Yacht Race Saturday.

There was no yacht race on Saturday and it is not likely there will be another until after the handicap of the Chiriya has been determined. The executive committee has not yet been able to give a decision on the last race. The Chiriya was bought on the American side and her designer and builder has been asked for a copy of the model with her dimensions.

VICTORY FOR 21ST TEAM

DEFEATED THE VOCATIONALS BY 5 GOALS TO 4

In the Military Football League Game, Saturday Evening—Strowger Seized With Cramp In His Leg.

The Vocational team lost its first game in the football series Saturday evening when it was defeated by the 21st, by a score of 5 to 4, in what was undoubtedly the fastest game seen this season. The 21st has been coming for some time under Harrison's able management and he has a team now that for combination and individual play, as witnessed at this game, is a cause for just pride. Vocational played a splendid game and both teams were aggressive from the start. Vocational was handicapped in the second half by the loss of a strong back in Strowger who was seized with cramp in his right leg. Tibbitts played an excellent game, but it is difficult to cite any individuals as all of them did so well. There was a most enthusiastic throng of spectators and great applause followed good plays that appealed to the sporting spirit. The shadows were creeping across the field before the end of the game and it was almost dark at the finish. It will be necessary to make an earlier start or shorten the duration of the games in the future.

The whistle called the game at 6.30 and the first goal was made by Guy for Vocational in a mixup. This was tied by W. Heap in a penalty kick. Lafferty was a lead, but it was tied by Reid. Lafferty scored his second but was followed by Baylie and half time saw the game standing 3 to 3. In the second period, Heap scored twice and in all probability the game would have ended 5 to 3, but in a mixup round his own goal Batty accidentally shied the ball into the net counting a goal for Vocational. The line up was:

21st		Vocational
Blackburn	goal	Taylor
Honeysett	full backs	Strowger
Livesey		Reid
Wenthol	half backs	Baylie
Harrison		McLeich
Brown		Smith
Batty	forwards	Watts
Hurst		Singleton
Heap		Tibbetts
Lafferty		Guy
Jarrett		Kendell

Old Folks' Coughs, Catarrh, Bronchitis Quickly Cured

This Tells of a Method That Cures Without Using Drugs.

Elderly people take cold easily. Unlike young folks, they recover slowly. That is why so many people past middle life die of pneumonia.

Cough Syrups seldom do much good because they upset digestion. Any doctor knows that a much more effective treatment is "CATARRHOZONE," which heals and soothes the irritated surfaces of the throat.

In using Catarrhozone you do not take medicine into the stomach—you simply breathe into the throat, nose and lungs rich piney balsamic vapor, so full of healing power that colds, catarrh and bronchitis disappear almost instantly.

The germ-killing balsamic vapor mixes with the breath, descends through the throat, down the bronchial tubes, and finally reaches the deepest air cells in the lungs. All parts are soothed with rich, pure, medicinal essences, whereas with a syrup the affected parts could not be reached and harm would result through benumbing the stomach with drugs.

A Catarrhozone Inhaler in your pocket or purse enables you to stop a cold with the first sneeze. Large size costs $1.00 and supplies treatment for two months, small size 50c; trial size, 25c; all storekeepers and druggists.
