AN OFF-DAY FOR PURTELL

ATHLETICS LOST MONDAY'S GAME IN FIRST INNINGS.

Derry Pitched Splendid Ball But Could Not Recover the Lead—Prospects Failed to Shut Out the Locals.

Although the Buffalo Prospects made a strong attempt to shut out the Athletics at the exhibition game played at the Cricket Field on Monday evening they were unsuccessful and the game ended 8 to 2. It is doubtful if the Buffalonians would have won the game had not PurteLL had an off day and Derry walked and Flack stole second and both scored when the ball bounced away from McNeill into left field on a smash of Dahl's. Dahl scored on an error of Twigg. Sutton was hit by the ball and O'Connor struck out. Meran singled scoring Sutton. Burke walked and Meran trotted over on a two sack hit from Zimmerman. O'Brien followed with another two bagger and scored Burke and Zimmerman. It could be seen that PurteLL had an off day and Derry was substituted for the rest of the game. Flack fouled to Cotman and Lynch bled.

The game jogged along nicely with Derry pitching splendid ball until the last of the ninth when Athletics wound up the game with two runs. Thompson fled to O'Brien. Cotman took first on a muf of O'Connor. Hall followed when Flack fumbled the ball and went to second on Sutton's error. Excitement ran high when Cotman tried to slip home and died at the plate. Coyne singled and Spencer saved the situation with a neat double which scored Hall and Coyne. Derry finished the exhibition by popping to right field.

Altogether it was a snappy exhibition after the first innings and the locals do not need to feel ashamed of their trimming. Without the blow-up in the first innings there seems little doubt that they would have brought the Yankees to a standstill. The teams:

for the King's Challenge Cup. The team was selected two weeks ago and practised at the Barriefield ranges last week under Sergt. Major Gilbert's instructions. The personnel of the team is as follows: Paul Cunningham, Jack Emery, Reginald Sawyer, Hugh Duff, Christopher Veskes, Lionel McKay, J. F. Morris, Jack Findlay, Hugh Stephen, C. Burns.

Li.-Col. G. H. Gillespie, O.C., Cadet Corps, M.D. No. 3 will proceed to Toronto and spend a few days on the ranges to look after the welfare of the team.

KINGSTON DISTRICT FULLY COVERED WITH ROAD SIGNS

All of the road signs painted for the Kingston Motor Club have been put in position except those for the Perth Road. Altogether nearly six hundred small signs, and seven large signs, costing forty dollars a piece, have been placed and the motor club may be justly proud of its work. The Perth Road is thirty-eight miles and there is no section of Ontario which is better equipped with road signs than the district around Kingston.

A Striking Earning Disparity.

A striking disparity between the earning opportunities of the harness horse and the galloper is disclosed in the statement of the winnings of the principal performers on the Grand Circuit for its first five weeks. Of the 2:25 money-winners, trotters and pacers only fourteen have won \$2,000 or more, eight trotters and six pacers. Horses from the stable of Walter Cox head both divisions. McGregor the Great being the leading trotter, with \$7,620 to his credit, exclusive of his Philadelphia winnings. Frank Dewey, \$5,045 in five wins, tops the pacers. Following McGregor the Great, the trotters are: Mignola, \$4,909; Periscope, \$4,702; Royal Mac, \$4,678; Molly Knight, \$3,116; Natalia the Great, \$3,035; Hollywood Kate, \$2,275; the Toddler, \$2,047. The winning pacers after Frank Dewey are: Direct C. Burnett, \$4,875; Grace Direct, \$3,915; Single G., \$3,675; Goldie Todd, \$2,595; Belle Alcantara, \$2,260.

The Grand Circuit is suffering on account of the rainy weather. The Philadelphia meeting was spoiled owing to a two-day postponement there; and this week the meeting at Poughkeepsie was held back for two days on account of the rain.

Just Like Old Times.

Frank Shaughnessy will leave Hamilton immediately after close of the Michigan-Ontario Baseball League season next month and will take charge of the McGill candidates. With Jack Williams in command at Queen's, and Harry Griffiths helping Varsity, things should hum again in the intercollegiate ranks.

GOLF IS NOT A SPORT BUT ONLY A GAME

Golfers Who Played on Sunday Have to Pay Fines in Court.

The district court at Newton, Mass., held that golf, although not a sport, was a game, and that persons who played golf on Sunday violated the Sabbath law. Edward N. Kimball and Howard Emerson, golfers, who were defendants in test cases, were fined \$5 each on the charge of participating in a Sunday game. They appealed and will be given a hearing in the superior court at Boston September 1. The decision was interpreted by those interested to mean that it was legal to play golf on Sunday if no score was kept or other elements of competition maintained, but if players were matched and kept score they became subject to the charge of playing a game.

Going To Gananogue.

Buffalo Prospects and Pontes clash in an exhibition game at the Driving Park in Gananogue on Wednesday afternoon. "Joe" Daley is taking down his regular team, with the exception of a new short-stop, and it is also possible that "Bill" Evans will be induced to turn out.

Bowling on Monday.

At the bowling green on Monday evening Skip C. F. Smith defeated Skip J. F. McMillan by 17-11. A tournament is being arranged for Labor Day to compete for the prizes donated by members of Queen's Summer School who were the guests of the club during their stay in the city.

INFLAMMATORY RHEUMATISM PERMANENTLY CURED

NEW BRUNSWICK LADY GIVES FULL PARTICULARS OF HER RECOVERY

There are many types of rheumatism, but none worse than inflammatory.

It was this kind that almost killed Mrs. Edw. Warman, of Kent, N. B.

Every known remedy she tried, different doctors gave their advice, but the disease increased.

Weak and despairing, she was at her wits' end when the remarkable cure of Thos. Cullen was published. This gentleman was cured of rheumatism by "Ferrozone." Consequently Mrs. Warman used the same remedy. Here is her statement: "For five years I have been rheumatic. I tried various forms of relief without success. The disease increased, settled in my joints and muscles; these swelled, caused excruciating pain and kept me from sleeping. My limbs and arms stiffened, my shoulders were lame and prevented me from working. Week by week I was losing strength and despaired of finding a cure. It was a happy day I heard of Ferrozone. Every day I took Ferrozone I felt better; it eased the painful joints, gave me energy and a feeling of new life. Ferrozone cured my rheumatism, cured it so that not an ache has ever returned. Even damp weather no longer affects me."

Ferrozone has power to destroy Uric Acid, neutralize and enrich the blood, and therefore does cure the worst cases. Mr. Warman's statement proves this.

By removing the cause of the disease and building up a reserve of energy, Ferrozone is certain to cure. Sufferer, isn't it about time to stop experimenting? Ferrozone is a CURE, order to-day, 50c per box, or six for \$3.50, sold by all dealers.
