NURSES OCCUPY NEW HOME

THIRD RESIDENCE OPENED BY THE GENERAL HOSPITAL.
The Nurses' Alumnae Association Supplied the Beds and Bedding—Changes in the Working Staff.
The board of governors of the Kingston General Hospital met on Wednesday afternoon. The report from the committee of management mentioned that arrangements had been made for the supply of coal to be delivered as required, that the roof of the Empire wing, Fenwick operating room, ice house, laundry and Doran were receiving necessary attention before the winter.
A number of changes have taken place in the working staff. Miss Sobey, of Montreal, has been appointed housekeeper, Miss Kines night supervisor, and Miss Cochrane operating room nurse. Miss Duff, a graduate of McDonald College, will fill the position of dietitian.
The new nurses' home on George street, just across from the Doran building, has been suitably fitted up and is now occupied by twenty-six nurses, who took possession last Saturday. The furnishings and bedding are all new. The Nurses' Alumnae Association very generously undertook the purchase of twenty-five new white enamel single beds, with a good quality of spring and mattress. This gift was very highly appreciated by the management and a vote of thanks passed to them at the meeting.
It was announced with regret that since the last general meeting, in June, two esteemed governors had passed away, Walter H. Macnee and T. McK. Robertson. The latter had been connected with the management for about ten years and had always manifested a real interest in the affairs of the hospital.
The month of September will end the hospital year, and the records will show that it has been an exceedingly busy one, every part of the hospital being taxed to capacity.
The visiting governors for the month will be F. G. Lockett and John Hughes.

REV. T. B. CONLEY IS DEAD IN THE CAPITAL

Retired Methodist Minister Was Stationed in Eastern District Many Years.
After a long ministry in the Methodist church, the death occurred at his residence, 352 Fairmount avenue, Ottawa, on Monday evening of Rev. Thomas B. Conley, D.A., aged seventy-four years.
Rev. Mr. Conley retired from active work in the ministry in 1907 and had since resided in the Capital, where he was well known. By many in the district his death will be a source of deep regret. Born at Richmond, Ont., in 1845, he attended Victoria College, then situated in Cobourg and there secured the degree of Bachelor in Arts in 1878. He had then been a probationer for the ministry for three years and in 1879 was ordained.

Thereafter his stations were as follows: Fitzroy Harbor, South Mountain, Manotick, Matilda, Chesterville, Merrickville and Cranby. From 1894 to 1898 he was financial secretary of the Matilda district and in 1901-02 was chairman of the Waterloo district.
On August 27th last Rev. Mr. Conley celebrated the fortieth anniversary of his marriage to Miss Catherine Tremble, Richmond. Besides his wife, he is survived by one son, N. H. Conley, of the auditor-general's department, Ottawa.

DAMON AND PYTHIAS

Viscount Grey and Sir William Tyrrell Great Friends.
New York, Sept. 4.—An unusual story of friendship between two men in high office was told here to-day by Lieut. Col. Thwaites, British assistant provost marshal, following the announcement that Sir William Tyrrell would accompany Viscount Grey as his private secretary when the latter arrives here at the end of the present month to serve as British Ambassador to Washington. Sir William was private secretary to Lord Grey, then Sir Edward Grey, at the outbreak of the war then the new Ambassador to the British Secretary for Foreign Affairs.
When Sir Edward Grey retired Sir William was made Under Secretary of Foreign Affairs and held that important office for the greater part of the war.
One of his two sons was killed at the front, during the closing days of the great conflict, and his father determined to retire from public life. When Viscount Grey consented to go to the United States as Ambassador, Sir William at once came forward and volunteered to accept the comparatively humble position of private secretary after having filled one of the most important positions of the empire. Viscount Grey's eyesight has almost completely failed and it was this fact which influenced Sir William to accept the minor position.
