at the Cricket Field. Final arrangements have been made for the baseball game at the Cricket Field on Saturday afternoon when Athletics are scheduled to meet Havana Red Sox. The latter have a greatly improved team and it is expected that there will be a hard fight for the honours. The Athletics are in good trim and should give a good account of themselves. With good weather the management of the City League is hopeful that there will be a large number of spectators out to see the fixtures.

A NEW CLEANSER.

It Can Be Used With Splendid Re-

As will be observed from the advertising columns of the Whig, an entirely new article is being placed on the market by a local firm which has just commenced operations. This article is known as the "World-Wide Cleansing Fluid," and it is manufactured in Kingston by the World-Wide Manufacturing Company. The dis tribution of this preparation is in the hands of R. F. Holland, whose office is at the corner of Clarence and Ontario streets. It is something entirely new in the way of a cleanser, and h can be used with splendid results for laundering purposes, for removing stains from any kind of washable material, for cleaning floors, woodwork, windows, silverware, dishes, washbowls, sinks, and all kinds of enamelled ware. It is also useful for removing oil and greese spots from woodwork and metal surfaces, and varnish or paint spots from articles of cloth or woodwork. The company which is producing it is composed of local men, and they are confident of
