WANT STANDARD TIME REVIVED

The Board of Education to Petition the City Council.

THE SCHOOL BOOK FEES

LIKELY TO BE ABOLISHED BY THE BOARD.

To Advertise for Land in Cataract Ward Suitable for School Site—To Arrange for Children's Part in Reception to Prince of Wales. The Board of Education, at its meeting on Thursday night, the first to be held since the summer vacation, decided to petition the City Council "to take the necessary steps to have 'standard time' in the city by September 21st, or as soon as possible."

The motion was made by Trustee J. F. Macdonald, seconded by Trustee Henderson and was passed with one dissenting voice.

Trustee Macdonald stated that now the days were becoming shorter, he did not see any advantage of the daylight saving time, and pointed out that it was hard to get the "little children up for school. Several cities and towns were making the change.

Trustee W. H. Godwin gave notice of motion that he would move at the next meeting of the Board, that the school book fees be abolished.

The erection of the new school in Cataract ward was under discussion, and on motion of Trustees Henderson and Macdonald, the Property committee was empowered forthwith, to advertise in the press, asking citizens who know of available sites, in Cataract ward, containing from an acre to an acre and a half of land, send in the information to the Board for consideration.

Lost Valued Member.

Before the Board took up the business on its slate, Trustee J. G. Elliott expressed his regret, and that of the members of the Board, on the death of W. H. Macnee, for many years a valued member of the Board. "He was a man of great efficiency, and capability," said Trustee Elliott, "and reflected a great deal of honor on the Board during his term of office. No trustee was more attentive of his duties or more zealous in his work on the board and the interests of Kingston—and we all regret his death."

Trustee Elliott moved that a resolution of condolence be drafted and forwarded to the family of the deceased. The motion was seconded by Trustee Renton and carried. In seconding the motion, Trustee Renton said he had been an intimate friend of the late Trustee Macnee for upwards of thirty years, and paid a warm tribute to his worth as a citizen and as a member of the Board. The Board would miss him as a member.

Reception to the Prince.

A deputation from the city council composed of Ald. Norman Smith and Ald. Percy B. Chown waited on the Board and asked that the members allow the school children to take part in the welcome to be given to the Prince of Wales, on the occasion of his visit here on Oct. 25th.

The plan, as pointed out by the deputation is to have the school children sing three songs at the "doings" on the cricket field. The city will provide each school pupil with a flag and will also provide a platform. The children will be asked to sing "God Bless the Prince of Wales," "O Canada," and "Rule Britannia."

On motion of Trustee Henderson, the request of the deputation from the City Council was granted. The management committee will make the necessary arrangements for the training of the children.

The Board received a letter from R. J. Bushell, manager of the Kingston Industrial Fair, in which he asked that the school children be given Tuesday afternoon, Sept. 23rd, to attend the exhibition. This day is to be made children's day. It is also the opening day, and Brigadier General A. E. Ross is to open the fair and deliver an address.

On motion of Trustee Elliott, it was decided to grant the "kiddies" the half holiday asked for, to attend the big show.

Letters to the Board.

Oliver J. Graham and Isabel Leslie, applying for positions on the public school teaching staff.

Evelyn Fraser, tendering her resignation as a public school teacher.

Isabel Bureau, thanking the Board for a year's leave of absence.

James W. Fraser, of the Collegiate Institute staff, asking for an increase in salary.

J. W. Cowles, provincial school attendance officer, containing a copy of the new act respecting compulsory school attendance.

Beulah Miller, domestic science teacher, stating that the cost of supplies for that department during 1918-19 was \$120.17; cost of pupil 34 cents; cost per pupil for lesson, 1 cent.

A. T. Hatch, tendering his resignation as teacher of manual training.

Joseph Leonard, tendering his resignation as caretaker of Macdonald school.

Treasury Department, containing a cheque for \$545.83 on the annual grant.

Armandale Chapter, I.O.D.E., containing a cheque for \$19 towards the playgrounds equipment.

J. Russell Stuart, stating that the sum of \$250 was the Board's share of the fees collected for departmental and matriculation examinations this year.

On motion of Trustee Macdonald, seconded by Trustee Renton, the appointment of Mr. Shaver as assistant in classics at the Collegiate Institute was confirmed, the same being added

to the report of the management committee.

Supervised Playgrounds.

An interesting report was submitted by Trustee J. G. Elliott, chairman of the Committee on Supervised Playgrounds. The report follows:

The supervised playgrounds established in connection with Macdonald and Central Schools opened on July 23rd, and closed August 16th. The attendance was as follows:

Macdonald School, aggregate attendance 8,863; daily average 250; morning average 90; afternoon average 160; highest morning attendance 175; highest afternoon 250.

Central School, aggregate attendance, 8,148; daily average, 235; morning average, 90; afternoon 145; highest morning attendance, 135; afternoon 200.

In the industrial department, the number of pupils registered was: Macdonald School 65; Central, 45; total 110. Average daily attendance, Macdonald School, 26; Central school 17. The industrial work was arranged as follows:

Junior Class—sewing cards, models in plastics, paper folding and cutting.

Intermediate Class—Raffia hats, mats, napkin rings, picture frames and card making.

Senior Class—crochet bags, edging, camisole strings, and handkerchiefs; also samples, aprons and rugs.

The total expenditure for the playgrounds was \$902.02. The apparatus alone cost \$333.87.

Trustee Elliott, following up the report of the committee on supervised playgrounds, had warm words of praise for the work accomplished by Trustee, Mrs. Newlands.

Reports On Attendance.

Inspector J. Russell Stuart reported on the attendance in the public schools for June as follows:

Enrollment in public schools, 2,654; daily average, 2,329; Orphan's Home, enrollment, 27; daily average 35; total enrollment, 2,691; daily average, 2,365. He reported that Chief Armstrong suggested the employment throughout the schools of a common form of fire alarm.

The Inspector also stated that the attendance of pupils will be definitely reported at the end of the month. Although some trouble has been taken to bring the enrollment in particular schools, the enrollment in a good many classes for this year will be larger than that permissible under the regulations. It has also been necessary to transfer a good many pupils to more distant schools to bring the enrollment in some class-rooms within the seating capacity.

Inspector Stuart stated that on the whole he believed that the attendance would be about the same as last year, but he made this statement from present observations.

Principal Sliter reported that the Collegiate Institute on opening day had 531 pupils enrolled; to-day, the enrollment was 570, as against 513 a year ago. He pointed out that there was very serious overcrowding in the second and third forms especially. In his opinion, the only remedy would be another form and another teacher.

Trustee Renton praised the work of the Collegiate cadets, who carried off the highest honors in the shooting competition at Toronto. "We have good material at the Collegiate no better in the country," he said.

Trustee Renton moved to have a photograph taken of the cadets, together with Principal Sliter, Mr. Kelly and Lt.-Col. G. H. Gillispie, that a photograph of the late Trustee Macnee, who took such an active interest in the work of the cadet corps be also placed in the group. The motion was carried.

The chairman, F. R. Anglin, presided at the meeting and the other members present were Trustee Craig Elliott, Godwin, Henderson, Macdonald, Minnie, Miss, Miss E. G. Mowat, McLean, Mrs. A. Newlands, Renton, Sawyer and Lockett.

WHITMAN EXECUTOR DEAD

Poet and Editor Passed Away At Bon Echo.

Word was received here of the death at Bon Echo, a literary colony, situated in one of the wildest parts of the province, of Horace Traubel, poet, editor and Whitman biographer of Camden, N.J. Traubel was sixty years old. He was the author of many books of poetry and prose and ranked with John Burroughs as the greatest living authority on Walt Whitman. He was the editor of the Conservator, Philadelphia, Pa.
