A NEW FOOTBALL LEAGUE

FORMED AT A MEETING ON FRIDAY EVENING.

It is Named the Kingston and District Football League—The British Whig Donates the Trophy.
There was a full attendance of football players at the G.W.V.A. club rooms on Friday evening for the purpose of organizing a new league to take the place of the Kingston Military Football League, whose schedule will be finished with the game to be played this evening at the Cricket Field. The name adopted was "The Kingston and District Football League." It is to be affiliated with the Ontario Football Association. The following officers were elected: President, Sergt.-Major T. Hewitt, of the R.C.H.A.; vice-president, A. T. M. Stronger; secretary-treasurer, George Young, of the Military Y.M.C.A.; groundsman, James Heap. There are to be no paid referees. Each team entered is to name two men to act as referees at games of their own teams are not playing in. The honorary patrons are: H.R.H. the Prince of Wales; Leman A. Guild, British Whig; Brig.-Gen. Victor S. Williams, G.O.C., M.D. No. 3; Col. J. S. N. Leslie, R.C.A.; J. Russell Forster, William Hart, Jr.; W. R. Givens, Daily Standard; Major-General McDohell, commandant of the Royal Military College; Lieut.-Col. H. E. Pense, Mayor H. W. Newman, Lieut.-Col. Constantine, R. E. Kent, W. F. Nickle, K.C., Major T. A. Kidd, Major C. Scott, H. C. Nickle, Major W. J. McManus, Lieut.-Col. A. B. Cunningham, Brig.-Gen. A. E. Ross, C.M.G., M.P.P.

It was decided to play an exhibition game with teams to be selected from A. & N. and G.W.V.A. veterans by the executive on the occasion of the visit of H.R.H. the Prince of Wales, and invite His Royal Highness to kick off the ball.

The following teams were entered at the meeting: R.C.A., A. and N., 21st, and Shipbuilders. The secretary was requested to invite the R.M.C., Queen's University, K.C.I., Belleville, Gananoque and Napanee to enter teams in the league before the schedule commences on Saturday next. The sum of \$5 was fixed as the entrance fee, and a sum of \$5 must accompany every protest, and in the event of the protest being lost, the money is forfeited to the league.
The meetings are to be held alternately at the club rooms of the A. and N. Veterans, the G.W.V.A. and the Y.M.C.A.
A. Tugwood, J. R. Forster and Sergt.-Major Hewitt were appointed a committee to wait upon the chairman of the city parks committee, Ald. R. E. Kent, and arrange for the use of the Cricket Field on Saturday afternoons, as the baseball schedule has been completed.

Mr. Forster announced that the British Whig Challenge Cup would be the league championship trophy. It was won by Vocational School in the Military League this year, but that team has disbanded and will not be entered in the new league. The cup is a permanent trophy and must be won three years in succession before becoming the property of any team.
The league made a good start and has every prospect of success, as the city teams are already strongly organized and are keen for the championship.
Whig Cup Awarded.
At a meeting of the executive of

the Kingston Military Football League on Friday evening, the Whig Challenge Cup was awarded to the Vocational School team as the winners of the championship, and the treasurer was directed to place on the base of the cup. When the engraving is completed the cup will be on view in the window of Smith Bros. Jewellery store, King street. The last game of the schedule will be played on the cricket field this evening.

District Depot Won.
The District Depot won from the Vocationals in a very superior game on Friday evening by a score of 3 to 0. The stories of both teams were in good form and received strong support in the field. The game was witnessed by an unusually large crowd of spectators, who were very much pleased over the performance of the players. Coyne made a sensational catch in the fourth inning and Graham made one after a run in left field in the fifth that brought applause. Gallagher's delivery was superb throughout and his rival Goyer did well. The line-up was:

PROMOTING OPTIMISM

THE Manufacturers' Record, in a recent editorial, takes the ground that what saved the United States from a period of depression last spring, was advertising. It calls attention to the appeal issued by the government to business men, that they should advertise freely. Last winter the financial outlook was very doubtful. It was generally expected that the release of the soldiers and the closing of the war-work plants would create a tremendous amount of unemployment.
The government took the position that what the people needed was confidence, and that liberal advertising would tend to promote that feeling, and would stimulate a buying movement that would keep all the industries busy. As the result of the government's appeal, or of ordinary business sense, the commercial interests of the country have done an unprecedented amount of advertising since January 1st. And this must have been the cause of the tremendous buying movement that has set in. Certainly never before has so much money been in circulation.
Confidence is as contagious as fear. Optimistic advertising spreads abroad the idea that business is going to be good. And if people believe that business is going to be good, it usually is. There is, of course, such a thing as undue optimism. But pessimism and fear promoted a great deal more industrial disasters than hope and courage. Every man who advertises makes it his foundation that there is always a good market for good goods, and that these always will be. Every one who goes ahead with faith in that idea, encourages many others to advertise freely and to buy freely and to plan for future needs, and when people are doing that, business cannot be bad.

BE CONSTANT AND KEEP ADVERTISING

ONE step won't take you very far,
You've got to keep on walking;
One word won't tell folk who you are,
You've got to keep on talking.
ONE inch won't make you very tall,
You've got to keep on growing;
One little ad, won't do it all,
You've got to keep them going.

BECAUSE
A CONSTANT drop of water
Wears away the hardest stone,
The constant gnawing Towser
Masticates the toughest bone.
The constant cooing lover
Carries off the blushing maid,
And the constant advertiser
Is the one that GETS THE TRADE.
