LINDSAY'S. The Home of Contentment. Longfellow, the beloved American poet, once said—"Show me the home wherein music dwells, and I will show you a happy, peaceful and contented home." What about your home? If life is not what it might be why not bring the blessings of music into the family circle by purchasing a piano? And while you are at it you might as well decide at once to get The Lindsay Piano. True, it costs a little more than some, but on the other hand you may pay more and get an inferior instrument. The first step is to come and hear the LINDSAY. We will gladly leave it to your own good judgment, so confident are we that you will find the LINDSAY a superior instrument. Yes, you may buy on long-time terms. LINDSAY'S. Montreal, Ottawa, Quebec, Brockville, Belleville, Cornwall and Three Rivers. 121 PRINCESS STREET, KINGSTON.
