INDOLENCE ALONE SHALL SUF. FER WANT, HE SAYS

Waste of the Earth's Riches Side By Side With Want-Must Not Be-

tray the Heroic Dead. London, Sept. 16 .- Premier Lloyd George has issued a message to the people of Great Britain in "the future," which was distributed free throughout the country yesterday.

The Premier says: "Millions of gallant young men have fought for the new world. Hundreds of thousands died to establish it. If we fail to honor the promise gi-

ven them we dishonor ourselves. "What does the next world mean" What was the old world like? It was a world where toil for myriads of honest workers, men and women purchased nothing better than squalor, penury, anxiety, wretchedness; a world scarred by slums, disgraced by sweating, where unemployment, thru the vicissitudes of industry, brought despair to multitudes of humble homes a world where, side by side with want, there was waste of the inexhaustible riches of the earth, party through ignorance and want of forethought, partly through entren-

ched selfishness. ."If we renew the lease of that world, we shall betray the heroic dead. We shall be guilty of the basplished that the Government should est perfidy that ever blackened a at once promote legislation embody- people's fame. , Nay, we shall store children.

> "The old world must and will come to an end. No effort can shore it up much longer. If there be any who feel inclined to maintain it, let them beware lest it fall upon them and overwhelm them and their house

"It should be the sublime duty of all, without thought of partisanship to help in the building up of the new world, where labor shall have its just reward and indolence alone shall suf-

ANOTHER "FLU" EPIDEMIO

Regarded As Possible By U. S. Public

Health Service. Washington, Sept. 16 .- That a recurrence of the influenza epidemic this year is probable, but by no means a certainty, is the declaration made by the United States Public Health Service in a statement issued by Surgeon-General Rupert Blue. The health service has made a careful study of the disease, and asserts that if the epidemic should again occur indications are it will not be

as severe as it was last winter. Urging state and city officials and the boards of health throughout the country to prepare for a possible retelephone, but the man was dead be- health service are rigid enforcement of sanitation rules and avoidance of
