IN OUR EXHIBIT AT THE FAIR--

A HEATER built on the principle of a Quebec Heater, having all the good qualities of a Quebec. In addition it is attractive, neat, and does not occupy unnecessary space. It is also square and has two holes on top for kettle or pot. Look for the "Cosy Home" Heater.

COMBINATION RANGES—COAL AND GAS. Takes the place of two stoves in the kitchen, and gives the wife more room. She has the convenience of doing her work on one Range. The "Happy Thought Combination" is the regular Happy Thought Range, which has given such satisfaction in the past, with a gas oven, boiler, and hot plate burners attached. A high class Range.

GOLDEN NUGGET is a combination to meet the demand for a moderate price combination. It has four burner hot plate, with the oven fitted for either coal or gas.

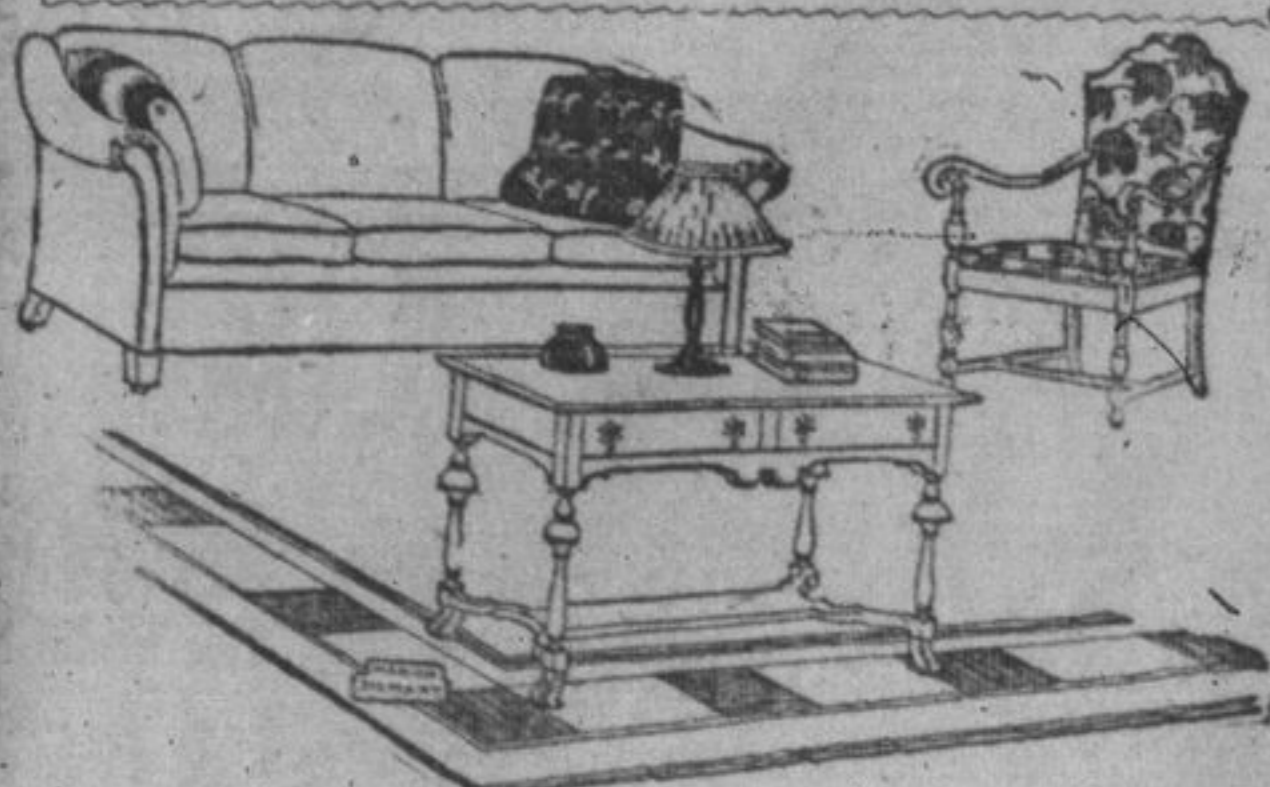

Do not fail to ask our representatives questions—they are there to answer them.

After you have seen the Fair, pay a visit to our store.
