WEDDING AT NEW LISKEARD

MARRIAGE OF MISS WALKER AND WESLEY EDWARDS

There Were Friends From Frontenac Present on the Happy Occasion—A Wedding at Cataract.

The home of Sam Walker of Diamond Township was the scene of a happy event on Wednesday afternoon last when his second daughter, Miss Ina Algiva, was united in marriage to Wesley Edwards, recently returned from overseas. Miss Mildred Edwards, sister of the groom, attended the bride, both being prettily gowned in white silk and carrying beautiful bouquets of pink carnations, the bride also wearing veil and orange blossoms. Alton Walker, brother of the bride, supported the groom.

The ceremony was performed by Rev. George Lawrence, beneath a bower of autumn leaves, with which the house also was decorated. Little Misses Marion Brown and Florence Brown formed an aisle with white ribbon; the path being strewn with the autumn-leaves, and Miss Verla Gold played Mendelssohn's wedding march.

After the knot was tied about fifty guests were served to a buffet luncheon, the Misses Maud Chpster, May Walker, Jean Mason, May Dumond and Lulu McKnight being assistants. The groom's gift to the bride was a winter coat, while to the bridesmaid he gave a brooch set with amethysts and brilliants, and to the groomsmen a tie pin set with rubies.

The bride was the recipient of beautiful gifts of silver, cut glass, and many useful articles, including a sum of money.

Hooper-Caverly Marriage.

A very pretty wedding took place in Cataract Methodist church at 9.30 o'clock on Wednesday morning when Eva V. Purdy, eldest daughter of Mr. and Mrs. E. F. Caverly became the bride of William G. Hooper, second son of Mr. and Mrs. J. J. Hooper, Glenburnie, Rev. E. R. Kelly officiated. The organist, Mrs. P. Valentine, played the Wedding March while the bride came in leaning on the arm of her father looking very charming in a gown of georgette crepe over ivory duchess silk. The bridal veil was caught with lady fern and white rose buds and she wore a corsage bouquet of pink and white roses. The bridesmaid, Miss Ada Caverly, sister of the bride, looked very pretty in a dress of Marguerite trimmed with cluny lace with sash and hair bow of pink ribbon and a corsage bouquet of pink flowers. Leroy Hooper, brother of the groom assisted the groom.

After a buffet luncheon served at the home of the bride's parents the happy couple amid showers of rice, confetti and old shoes left on the noon boat for Clayton, Syracuse and other American points. The bride's going away gown was a navy blue suit with hat to match. The bride was the recipient of many beautiful presents showing the esteem in which the young couple were held. The groom's gift to the bride was a white fox stole, to the bridesmaid a very pretty pin set with pearls, to the groomsmen a tie pin set with rubies and to the organist a pin set with pearls. After the honeymoon trip Mr. and Mrs. Hooper will reside near Glenburnie.

CANADIAN NATIONAL RAILWAYS

Increased Service—Transcontinental Train Every Day in the Week. Toronto-Winnipeg-Vancouver-Victoria, in effect October 5th. A daily transcontinental service between Toronto-Winnipeg-Vancouver-Victoria, is the principal feature announced in the Canadian National Railways fall and winter time table.

This train will leave Toronto 9.15 p.m. daily and will be equipped with up-to-date sleeping, dining, first-class day coach, tourist and colonist cars. Between Toronto and Winnipeg there will also be a compartment-observation library car.

A parlor car will be attached, for the convenience of passengers, while travelling through the Rockies, so they may enjoy in the utmost comfort, the magnificent scenery for which the Canadian National route is famous.

Further particulars can be obtained from passenger officers of Canada's National system of Railways.

Vocational School Moves.

The vocational training school of this district has moved from the university buildings to the old hosiery mill on King street. For the past year, the university has placed at the authorities' disposal all the mechanical apparatus in the university laboratories, and it has been of invaluable help for the students taking courses. But now the fall session is open at the university and both the vocational building and Grant Hall, which was Queen's Hospital, are needed. The old mill is still in good shape and this move will bring all the vocational courses under the one roof, which will make things easier to administer.

Coming To Kingston.

The members of the Ladies' Aid of St. Andrew's Presbyterian church, North Bay, met at the home of Mrs. George Hay and presented Mrs. McKenzie with a handsome umbrella. Mrs. McKenzie, who with her daughter is removing to Kingston, is one of the oldest members of the Ladies' Aid Society. Much regret is expressed at her removal. She will be missed in the work of the church, in which she has been an active member for so many years.

No Shortage Of Ice.

There is no shortage of ice yet in the city. The short summer, no doubt, an account for this condition, as it was thought in the early summer that there would be an ice shortage before fall.

Guard Of Honor.

Applications for Guard of Honor for the Prince of Wales and 14th Regimental registration of war service in Canada or overseas at Orderly Room in Armouries, 9-12.45 and 2-5 daily. Evenings of Tuesday, Thursday and Saturday.

Visiting An Amherst Island.

Christopher Morrow, wife and son, Leonard, of Vancouver, B.C., are visiting the former's mother on Amherst Island.

HEARD ON THE SIDE

In reply to the suggestion that bells be placed on the sheep to frighten off the dogs that chase and kill the sheep, a well-known farmer asks: "Why not put the bells on the dogs?"

A man named Hugg is being sued at Ottawa for breach of promise of marriage. What's in a name?

The automobile owners in town are saying that some person is always taking the joy out of life. They have to pay dearly for their gasoline and now the civil utilities commission has a plan on foot to make them pay for the water they use in cleaning their cars.

Incidents of the day. "Bob" Bushell is getting ready for the fair of 1920.

Kingston has been building a new hotel for many years—on paper.

Well, we will all be in the same class as the farmers after Sunday, for then the civil utilities commission has a plan on foot to make them pay for the water they use in cleaning their cars.

We are convinced that the summer is over now that the ice man has cut off his daily visits.

Cheer up, Kingston is not the only place that needs more hotel accommodation. Last week three travellers had to be given shelter in the city "lock-up" at Galt.

As a result of the jury on one of the murder trials here last week being locked up in the court house for two nights, will be in order for the Toronto Telegram to remark that the judge locked up the jury and allowed the prisoner to go free.

The law is no respecter of persons. Last week a newlywed was handed a summons to act as a juror at the Supreme Court on his arrival home from his honeymoon, and he spent the first two nights after his homecoming with the rest of the jurors in the court house.

ALD. PATTERSON TO STAND FOR LABOR MEN

Made Definite Announcement to the Labor Men On Wednesday Night.

Ald. W.H.M. Patterson announced to the labor men on Wednesday night that he was in the field definitely as their candidate for the House of Commons in the bye-election, to fill the vacancy caused by the resignation of William F. Nickle. A general committee was appointed to raise funds for the campaign. Some of the unions have already been interviewed on the matter, and the others will be approached at once.

ALGONQUIN PARK.

Grand Trunk Hotel Open This Winter.

The Grand Trunk have decided to keep open the "Highland Inn" in Algonquin Park during the autumn of 1919 and the winter of 1919-20. This attractive and popular hotel has had a splendid summer season and the requests from guests for a place where Canadian winter sports can be enjoyed was a factor in the Grand Trunk's decision to throw open the hotel this coming winter. During the winter of 1913-1914 the "Highland Inn" was the objective of many happy parties from the United States and Canada, and was operating to capacity. Owing to war conditions it has been closed since the autumn of 1915 and the winter of 1915-16. The hotel this coming winter. During the winter of 1913-1914 the "Highland Inn" was the objective of many happy parties from the United States and Canada, and was operating to capacity. CONSERVATION

is of more importance to the country to-day than ever.

Do Manufacturers Realize the necessity of better Fire Protection? Do they realize WHAT FIRE PREVENTION MEANS?

Fires during 1918 in Industrial Plants numbered only 486 or 5 per cent. of the total number for the year; but these 486 fires caused a loss of \$7,565,322, or 48 per cent. of the total Fire Waste of the Province.

Cleanliness, Order and Forethought

are important factors towards reducing this preventable waste. Manufacturers should provide better and more systematic inspection and Watchman Service.

More efficient fire fighting equipment—Chemical Fire Extinguishers and Automatic Sprinklers. In 15,000 fires, tabulated by the N. F. P. A., Boston, where Automatic Sprinklers were installed 85 per cent. were put out by one Sprinkler Head.

Fire Prevention Day—October Ninth
