SHOTS WERE FIRED AT BUFFALO WORKMEN

There Was a Hold-up of Street Cars and Then a Riot Instituted.

(Canadian Press Despatch)
Buffalo, N.Y., Oct. 7.—Several men were slightly hurt and one was reported wounded by a bullet from a revolver, this morning, when a crowd of a thousand men, held up the cars of the Buffalo and Lake Erie Traction Company, between the city line and Lackawanna. Ties and blocks of concrete, piled up on the tracks, held up the first car and ultimately blocked six of them carrying workmen to the Lackawanna Steel Company, one of three local plants closed by the strike. A fusillade of rocks met the cars as they came to a standstill. The workmen fought back and several of them, according to police information, used revolvers. A detail of police hurried to the scene in the automobile patrol and quickly put the rioters to flight.

CAR OF WHISKEY IN TRANSIT TAKEN

Brockville Officers Seize \$20,000 Worth of Liquor in Freight Car.

Brockville, Oct. 8.—One of the largest seizures of liquor since the O.T.A. was passed occurred Sunday at Smith's Falls, when Inspector A. G. Sykes and F. B. Baker of Brockville seized a freight car which was in transit from Montreal to Yorkton, Sask. The car contained 139 large boxes, each containing three, four or five cases of whiskey, and apple barrels, each containing a 40-gallon barrel of alcohol. The total value of the shipment is estimated at between \$15,000 and \$20,000.

The liquor was billed as being shipped by Bolvon, Wilson and Company, Montreal, to the Canada Pure Drug Company, Yorkton, Sask. The freight charges on the shipment which were prepaid, amounted to \$440. The seals on the car were broken by the inspectors, who examined each of the cases. Later the car was marked, "Seized by the Board of License Commissioners per A.G.S. and F.B.T.," and allowed to proceed to North Bay where it will be taken in charge to-night by two Government officials from Toronto, who were notified of the seizure.

UNABLE TO WORK FOR FIVE MONTHS

Toronto Man Had Given Up Hope of Ever Getting Well—Tanlac Restores Him.

"My wonderful improvement since taking Tanlac has astonished many persons who know how sick I was before," said W. H. Haston, of 5 Cavell street, Toronto, Ont.

Haston had suffered from stomach trouble for seven or eight years," he continues, "and couldn't get a thing to relieve me. My appetite failed, nothing agreed with me and gas would form on my stomach and bloat me up terribly. My heart would palpitate so I could hardly get my breath, and finally I got so bad off that I had to quit working. I fell off considerably in weight and felt that my case was hopeless."

"Since taking Tanlac I feel like a new man. I have gained eight pounds, my appetite is just fine and I eat three big meals every day and haven't a sign of indigestion. A few bottles of Tanlac have done more good than everything else I have ever taken put together, and I never miss a day from my work now. I am glad to recommend Tanlac, for it certainly fixed me up all right."

Tanlac is sold in Kingston by A. P. Chown, in Plerva by Gilbert Ostler, in Batterssea by C. S. Clark, in Fernleigh by Ervin Martin, in Ardock by M. J. Scullion, in Sharbot Lake by W. Y. Cannon.—Advt.

The Best Cough Syrup is Home-made.

Here's an easy way to save \$2, and yet have the best cough remedy.

You've probably heard of this well-known plan of making cough syrup at home. But have you ever used it? When you do, you will understand why thousands of families, the world over, feel that it is the best cough remedy without it. It's simple and cheap, but the way it takes hold of a cough will quickly earn it a permanent place in your home.

Into a 16-oz. bottle, pour 2 1/2 ounces of Pinex (50 cents worth); then add plain granulated sugar syrup to fill up. Or, if desired, use clarified molasses, honey, or corn syrup instead of sugar syrup. Either way, it tastes good, never spoils, and gives you 16 ounces of better cough remedy than you could buy ready-made for \$2.50.

It is really wonderful how quickly this home-made remedy conquers a cough—usually in 24 hours, even if it seems to penetrate through every air passage, loosens a dry, hoarse or tight cough, lifts the phlegm, heals the membrane, and gives almost immediate relief. Splendid for throat tickle, hoarseness, croup, bronchitis and bronchial asthma.

Pinex is a highly concentrated compound of genuine Norway pine extract, and has been used for generations for throat and chest ailments.

To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with directions, and don't accept anything less. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Toronto, Ont.

This district has been carefully canvassed in the interests of the referendum and it is found that ninety-two per cent. are in favor of retaining the Temperance Act.

Steve Sedore is now living on his farm, lately purchased from Erwin Shiers. C. C. Thompson bought another Ford last week. Miss Celia Parfitt has returned from Winnipeg.

MOONSHINERS ROUNDED UP.

Stiff Fines Handed Out for Making Contraband Whiskey.

Bancroft, Oct. 7.—Revenue officers visited Bancroft and rounded up some fifteen moonshiners. Some stiff fines were imposed, in one case \$425, including costs with the alternative of eighteen months in jail. It was a sad day for the poor unfortunates thus brought to justice, who without the benefit of legal assistance had to rely on their own ingenuity and resources to wiggle out from the meshes of the law. The craftiness, however, that had enabled them to make and dispose of liquors, secretly for some months in defiance of the law, was sadly lacking when they were finally brought to the bar. The evidence brought out the fact that young boys, only seventeen years of age, had partaken of moonshine whiskey and had become intoxicated. As little as two drinks in some cases were sufficient to bring about this result. The whiskey was said to have been particularly bad, causing violent headaches as well as other disturbances, and it was this fact that alienated whatever sympathy might have been otherwise extended to the offenders.

Still Getting Defaulters.

Peterboro, Oct. 8.—Although the Dominion Police office here has been closed, the Dominion Police have not let up in their hunt for defaulters, and on the advice of Capt. J. J. Captain Graham was really very active lately, and no less than six defaulters have surrendered to the Lindsay police during

PROOF THAT BRITAIN IS REALLY DEMOCRATIC

Furnished By the Recent Railway Strike Episode, Says Lloyd George.

(Canadian Press Despatch)
London, Oct. 7.—Proof that Great Britain is a really democratic country was furnished by the recent railway strike episode, Premier Lloyd George declared in an address to-day. Speaking at the Mansion House at a reception to Field Marshal Allenby, the conqueror of Palestine, who was given the freedom of the city, the Premier said:

"Now that the episode on the home front is over, all ranks and classes must work together. The country needs it. We all belong to the working classes in this country. I claim to be a working man in all except the eight-hour day. The strike proved that this is a really democratic country where public opinion must prevail."

LIBERAL MAY WITHDRAW.

J. C. Elliott, Rumor Says, May Go to Saskatchewan.

London, Ont., Oct. 8.—Gossip is being spread in London with stories of alleged plans for withdrawal from the coming contests of Liberal nominees in London and East Middlesex. The story is more particularly concerned with J. C. Elliott, M.P.P., of Glencoe, who, this report contends, plans to move to Saskatchewan, there to launch into Provincial politics in a seat already selected for him by an old friend and native of this country.

Mr. Elliott has been doing some preparatory work in his riding during the past few weeks, and the belief is generally held among his friends that his popularity insures his re-election.

County Court Cases Adjourned.

The County Court sat at 10 o'clock on Tuesday with Justice Madden on the bench. There were only two cases on the docket to be disposed, those of Henry M. Snook vs Charles H. and Jessie M. Clark to get a deed set aside for some property on Pine street and Daniel Woodruff vs Effie Truesdale and A. Foxton for a declaration that a life insurance policy made out to these parties is null and void of no effect.

Both cases were adjourned on Tuesday until 11 a.m. Wednesday as there were no lawyers present either for defendants or plaintiffs in either case.
