The Real Issue of the Referendum Oct. 20th

EVERY effort is being made by certain interests to confuse and mislead you into thinking that you must either vote for the retention of The Ontario Temperance Act in its present form—or see the old license system revived with all its abuses and evils.

Let it be clearly understood here and now-No one wants the whiskey bar back and the general sale of liquor—the Government does not want it, the Citizens' Liberty League does not want it—even the Brewers and Distillers are opposed to it. There is no sentiment in this Province supporting a return to the old license system and the sale of whiskey over the bar. The Citizens' Liberty League does not and will not support

But-the Liberty League conscientiously believes that anyone who makes a careful study of Ontario's vexed temperance problem will agree that The Ontario Temperance Act, as it now stands, is too drastic in its prohibitory measures. Ninety per cent. of Ontario's labor unions have

asked for a more palatable beer -the Beer of the Ballot-a little stronger than the beer sold under The Ontario Temperance Act, yet absolutely non-intoxicating. The same request has been made by a large number of the returned soldier organizations and citizens generally.

Vote "Yes" on Questions 2 and 3—Assure These Men the Beer of the Ballot.

These men are neither drunkards nor children. They are the same men who form the backbone of Ontario's industrial life—they are the same men who fought Germany to a standstill and brought Canada to

In voting "Yes" to all four questions, you will not be voting for a return to the whiskey bar, but you will be voting for the sane, moderate compromise that the labor and soldier organizations are asking forthe sale of light beer and wine generally and the sale of pure, spirituous liquor only through Government agencies.

Which are you for—Intolerance or Compromise? Vote "Yes" to all Four Questions.

Mark your ballot with an X. Any other marking will spoil it. Remember, also-every voter must vote on every question or his ballot will be spoiled.
