WINNERS OF BRITISH WHIG CHALLENGE CUP

The above is the Vocational Training School football team, winners of the British Whig challenge cup, 1919, and officials of the Kingston Military Football League. Top of picture, left to right, Geo. Young, president of the League; Capt. Fairfull, president Vocational Sports Committee; J. R. Forster, treasurer of the league. Top row of the players: F. Foster, left back; L. Taylor, goal; H. Singleton, trainer; A. D. Ludgate, right back. Centre row: A. G. M. Strowger, manager; R. M. McLeish, right half back; P. McArthur, centre half back; W. A. Bailey, left half back. Front row, Rev. J. McNab, outside right; A. Davis, inside right; A. Tibbits, centre forward; R. C. Watts, inside left; G. Guy (Capt.), outside left.

The league gave a great impetus to Soccer football in the city and to encourage the military sports the British Whig donated the cup seen in the picture. It is a permanent trophy to be played for and won three years in succession before becoming the property of any team. At the conclusion of the summer series the fall series was organized and is now being played. Unfortunately the above team was disbanded, but the members are playing in other teams.

WOMEN AS BRAVE AS THE MEN

THEIR STRUGGLE SHOWS A REMARKABLE SPIRIT.

Talk of the bravery of men, but where can you find a finer spirit than among the half-sick women who are fighting and struggling to do their duty against the terrible odds of ill-health, and who will not give up.

One woman in every three is struggling against weakness. Most of them are not exactly sick, but, oh, how miserable!

The burden and misery of it all has its foundation in the blood which is thin and watery. The red cells are too few. The very stream of life is reduced in vitality. Weakness and inevitable ill-health are the certain result.

Every ailing or weak woman can quickly regain her health in this very simple way. By filling the system with the nutrition that comes from rich red blood, a quick change for the better will result. To accomplish this, take two chocolate-coated Ferrozone Tablets after each meal. You'll feel better immediately for the simple reason that Ferrozone renews the blood. It gives you vim, vigor, endurance, restores a tired, worn-out system very quickly. You'll feel like new all over once you get Ferrozone working through your blood. It puts color into faded cheeks, brightens the eye, quickens the step, brings back that wonderful feeling of youth.

One of the best things Ferrozone does is to make you eat lots and digest it as well. With keen appetite, sound sleep, strong nerves and lots of nourishing blood you're bound to regain robust health. Any sickly girl or ailing woman that Ferrozone won't make well must be incurable. There is a secret power in Ferrozone and it is worth a trial at all events. Fifty cents per box, six for \$2.50. At all dealers in medicine.

CURLING ENJOYS BOOM IN BRITISH COLUMBIA

The annual meeting of the Fernie B.C. Curling Club is to be held this week with a view to erecting an organization for the carrying on of the forthcoming curling season. With the return of nearly all the boys from this city from overseas, there now appears to be a large surplus of the knights of the roarin' game, and consequently the membership for this season will be larger than ever in the history of the game.

It is even intimated that the applications may exceed the number which can be accommodated, and that possibly there will have to be a limit placed upon the number allowed to join the Fernie club.

A Dark Horse Won. The running of the Cesarovitch stakes at Newmarket on Wednesday, furnished a sensation when an outsider, Ivanhoe, owned by J. White, against whom odds were 20 to 1, took the event. Golden Melody, owned by V. Stewart, was second, and Bridgen, owned by W. Griggs, was third. Nineteen horses ran.

HIGH SCHOOL CADET MATCHES

High school cadet matches will take place in Toronto on Friday and Saturday the 17th and 18th inst. at the Long Branch Rifle Ranges for a number of prizes. Lieut. Col. G. H. Gillespie, inspector of cadet corps, has arranged for the representation of Kingston at the matches and the following boys from the R.C.L. will constitute the team: W. R. Sawyer, Hugh R. Duff, Jack R. Emery, John H. Findlay, T. G. Minnes, Paul H. Cunningham, James C. Burns, Hugh M. Stephen, James F. Morris, Lionel C. Mackay.

STAFF TEAM WON AT INDOOR BASEBALL

An interesting game of indoor baseball was witnessed in the Armouries on Wednesday night, between the 21st Battalion and the Headquarters Staff. The latter team won out with a score of 27 to 8. The fielding of both teams was very good all through. The batteries were: H.Q. Staff, Dunkerley and Davey; 21st Batt., Twigg and Whitehead.

THINKS THAT QUEEN'S WILL WORRY MCGILL

Toronto Star: The college rugby season promises some very interesting games this season judging by the football displayed in the first championship game here in Toronto between Varsity and Queen's and the McGill victory over Ottawa on the holiday. Without wishing to detract in any way from the victory of "Shags" men at the Capital it is only fair to point out that the Rough Riders had a rousing battle on Saturday with the Argos, and were hardly in shape to tackle the collegians on Monday. However, McGill must certainly be given great consideration in the college race. They will make their championship debut at Kingston on Saturday and will have to show their very best form to score a victory over Jack William's team.

SAYS INDIAN BLOOD GIVES ROUSH SPEED

The secret is out at last—why Eddie Roush, the fast flying centre-fielder of the Cincinnati Reds is so footed. It's because he has Indian blood.

Mrs. Mary C. Richie, Eddie's grandmother, who lives in Princeton, Ind., confirmed the story. The prideful blood of the Logans, much prized by a few families in this country, runs through Roush's maternal ancestry, and continues to run in Eddie.
