

SIR SIDNEY BUTTER NOT MONKEY WITH THE BUTTER.

By Bud Fisher.

\$10,000 Belleville Fire. Belleville, Oct. 16.—Fire destroyed a large storehouse of the Trenton

Cooperage Mills, of that town, which was filled with barrel staves. The loss is estimated at \$10,000. The origin of the fire is unknown.

CONVENTION OF TEACHERS OF LEEDS AND GRENVILLE HELD AT LYNDBURST

Some Excellent Papers Were Read — A Summary Given of the Addresses That Were Delivered.

Lyndburst, Oct. 14.—The thirty-second annual convention of the Leeds and Grenville No. 1 Teachers' Institute, was held in St. Luke's hall, Lyndburst, on Thursday and Friday, October 9th and 10th. Rev. W. Hilyard Smith conducted the opening exercises. The president, Miss Juliana Stevens of Gananoque, very ably addressed the convention. She took as her theme, "The Work of the Teacher during the Reconstruction Period after the War." She referred to the fact that teachers are meeting under much happier circumstances than for some years past. Never in the history of Canada has there been a greater need for the development of honesty, industry, and frugality in Canadian children than during this period of reconstruction, and never have the responsibilities of the teacher been greater in moulding the character of the future men and women of this land. During the war many thousands of brave Canadians left home and friends and were willing to suffer untold hardships and even to give their lives for their country, and it is the work of the teacher to prepare the boys and girls to today to be ready to sacrifice the foolish pursuit of unnecessary pleasure so that when they are grown they may be fitted for the loyal service Canada will require of them. Pupils must be taught the nobility of service. They must be inspired to appreciate those high qualities of patient, thoughtful, and steadfastness, which are as useful for peace as for war. Teachers must see to it that the children of Canada grow up still believing in national honesty, in humanity, and in the supreme blessings of peace.

The report of the O. E. A. was given by Miss Isabel Kenyon of Westport. Among the communications read to the Public School Section, one was of general interest. It consisted of a protest against the superannuation scheme as being unfair to the majority of teachers who were forced to subscribe to it.

W. F. Moore of Dundas gave an interesting address on "The Ontario Public School Readers." He considered it wise that they should be revised and that the new editions would be such as would eliminate vulgarity, improprieties and difficulties. The president of the Association gave an inspiring address on "Nation-Builders." He stated that a Canadian teacher must be a builder for eternity and for high ideals as it is neither wise nor safe to reverse the divine order of things.

A splendid address was given by Mrs. A. C. Thomas on "Medical and Dental Inspection in Rural Schools." To show just the condition of rural schools she stated that an average of 26 per cent of the pupils suffered from eye strain, 34 per cent from throat trouble, and 73 per cent from poor teeth. Government inspection will soon replace private doctors, and will report not only on the condition of the pupils, but on the school buildings as well.

Dr. Mabey of Gananoque, gave an instructive and helpful address on "Dental Inspection and Oral Hygiene in Public Schools." He explained how the health of the nation depended on the health of the individual and that 90 per cent of the infections of human bodies come from the mouth and nose.

J. W. Forbes, B.A., of the Ottawa Normal School delivered an excellent address on "History." The chief aim in teaching history is to create in the pupils a desire to read history. Two splendid papers on "Domestic Science in Public Schools" were delivered by Miss Enid Howard of Elgin, and Miss Bertha Stewart of Westport, both of whom have proved it to be an excellent means of relating school work with home activities.

Mr. Forbes then gave another address on "Arithmetic," emphasizing the fact that use should be made of the child's self-activity in finding out things for himself. The evening session opened at eight o'clock in St. Luke's hall, J. C. Linklater, of Gananoque, occupying the chair. Rev. W. Hilyard Smith, rector of St. Luke's, addressed the teachers, extending to them on behalf of the people of Lyndburst, a very warm welcome. The address of welcome was responded to by Miss Nellie Lake, of Gananoque.

Little Miss Phyllis Smith, of Lyndburst, sang very sweetly, "I'm Forever Blowing Bubbles." Then followed a pleasing feature of the evening's programme. J. C. Linklater presented to Miss Gertrude McNally, of Westport, winner of the highest number of marks at the entrance examinations in June, the "William Johnston" medal, donated by the institute to commemorate the memory of the late Inspector Johnston.

Miss Nellie Lake, of Gananoque, gave a very humorous reading, "My Financial Career." Little Miss Bessie Sheffield, of Lyndburst, gave a recitation, and Misses B. Webster and F. Breesee, an instrumental duet. J. F. McGuire, M.A., delivered a very interesting and instructive address on "Consolidation of Schools," presenting the advantages of the new system. A hearty vote of thanks, moved by W. C. Johnston, of Lyndburst, and seconded by George Gardiner, of Seely's Bay, was tendered Mr. McGuire for his excellent address, after which the programme was brought to a close by the singing of the national anthem.

On Friday morning an excellent paper on "Elementary Geography," was given by George Wheeler. He emphasized the fact that the teacher should be a student of nature, rather than of books, and that field excursions to the surrounding neighborhood should be taken as a basis for teaching the principles of geography. Miss Faith Greer, of Lansdowne, president of the local branch of the Federation of Women Teachers' Association, gave an address on "The Relation of an Organized Teaching Profession to the Economic World," urging the need of the teachers standing together in order to secure their rights.

Helpful hints in "Training in Deportment" were given by Miss Nellie Lake, of Gananoque. She emphasized the fact that the comfort of the pupils had a great deal to do in securing their good will and good deportment. An interesting paper on "Primary Reading" was given by Miss C. M. Wright, of Gananoque.

Harrowsmith Events. Harrowsmith, Oct. 14.—The farmers have finished their threshing and corn cutting in this vicinity. What might have been a serious loss occurred here last week when fire started in the cheese factory. Fortunately it was soon seen and in a short time the neighbors had it under control. Winifred Nichols spent Sunday at Mr. Sigsworth's, Hartington. Miss Pansy Percy and Miss Fannie Blacklock spent a few days with Miss Helen Wood. Harry Patterson, in Kingston attending Queen's, spent Thanksgiving at home. Miss Mildred Moreland spent a few days in Kingston this week. Most of the young people around here attended the dance held in Sydenham Friday night. Mr. Hamilton spent Sunday at William Fitzgerald's. Miss Stella Graham spent the week-end the guest of Miss Mildred Moreland. Miss Marion Freeman has been visiting at William Nichols. A large reception was held by the Forest Red Cross at Mr. Joyce's for Timothy Kinnelly. Both young and old enjoyed a very pleasant evening in dancing, singing and games.

Notes From Odessa. Odessa, Oct. 14.—Visitors in the village; William Wycott and son, Harold Wycott, Watertown, N.Y., at the Dominion. Miss Gladys McClaren Toronto, with her sister, Mrs. Elwell Emmons, and Mr. Emmons. Mr. and Mrs. Karl Ettlinger, Kingston, spent the week-end and Thanksgiving with Mr. and Mrs. George Watts. Mr. and Mrs. S. Bird and family, Belleville, were guests of Mr. and Mrs. William Calder last Friday. Miss Ethel Fraser, Kingston Junction, spent the week-end with her father, Stanley Fraser. Mr. and Mrs. Charley Decker and son, Fred, Kingston, spent the week-end and Thanksgiving the guests of Mr. and Mrs. James Boyce. Urban Snider met with a very serious accident last Tuesday afternoon, falling in front of his store and breaking his limb, a double fracture, above the ankle. Mr. and Mrs. James Denyes have moved into their new home on Ferguson avenue, recently purchased from Albert Snider, who expects to leave in the near future to make his home in Toronto.

Has Taken Up Farming. Kingston Junction, Oct. 15.—The many friends of Miss Janet Donaldson will be pleased to learn that she is recovering slowly. Mrs. Paul Cody who underwent an operation on Friday last, is doing fine. The flock of chickens belonging to Jack Knox most mysteriously disappeared on Sunday night. William Neilson has moved to the country and taken up farming. Miss Cora Kemp has returned to Belleville after spending a few days with her parents Mr. and Mrs. J. Kemp.

Tidings From Murvale. Murvale, Oct. 13.—Ploughing is the order of the day. The late rains have helped ploughing conditions considerably. Some are digging their potatoes and report a very poor crop. Max Purdy sold a fine horse, last week. The many friends of Mr. and Mrs. Gerald Walker met at their home on Wednesday evening and gave them a kitchen shower. The evening was spent in games and music, until midnight when a dainty lunch was served by the ladies. All wished Mr. and Mrs. Walker a happy future. Miss Gladys Swerbrick and Mrs. Frances Vanliven spent a day in the city recently. The Ladies' Aid met at the home of Mrs. Thomas Swerbrick on Wednesday afternoon. Visitors: Mr. and Mrs. Cousins at Gerald Walker's; Mr. and Mrs. Frink at W. Botting's; Mr. and Mrs. Max Purdy at J. Ferguson's; Mr. and Mrs. Calvin Emmons, also Mr. and Mrs. Bonnie Emmons of Odessa; Miss Ada and Harold Castill of Westbrook at C. H. Emmons'; Mr. Robinson city, at Best Purdy's; Max and Burt Purdy also Mr. Robinson went for hunting Monday. They brought home a fine big fox.

"Cascarets" work while you sleep! When one of you gets bilious, head-achy, constipated. If the breath is bad, stomach upset, or for colds, sal-lowness, just take "Cascarets" to regulate the liver and bowels and all is well by morning. "Cascarets" never gripe, sicken or

Keep you anxious all next day like Calomel, Salts, Oil or violent Pills. "Cascarets" are the most delightful laxative-cathartic you ever experienced. Switch to "Cascarets"—Cost so little!

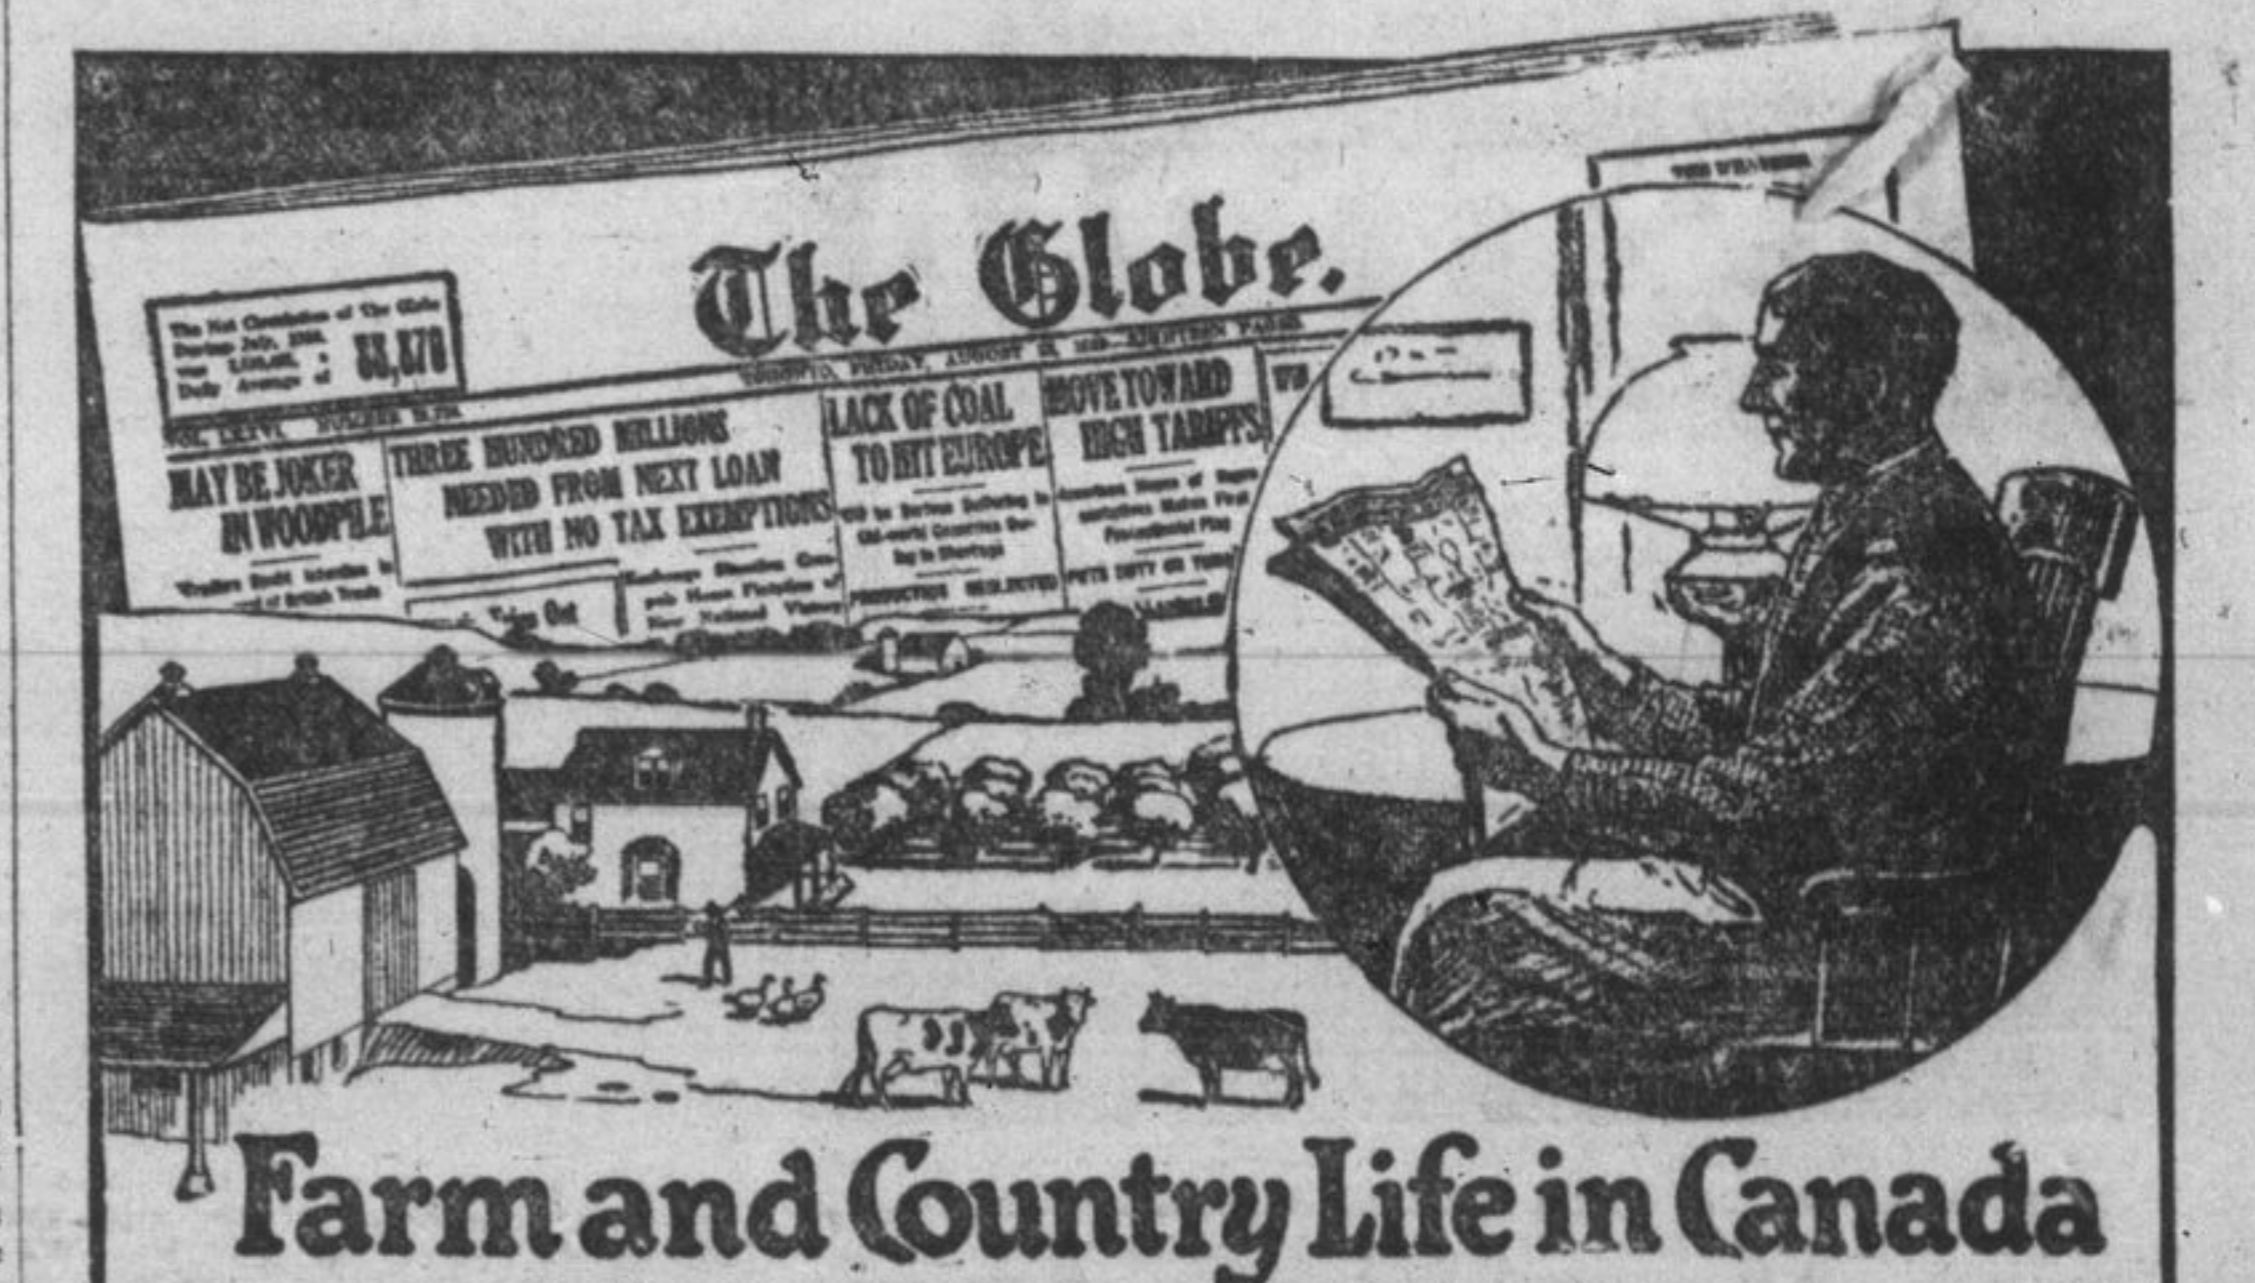

To the Voter

REMEMBER—Beer is the most nourishing beverage we possess. It contains such a very small amount of alcohol and such a relatively large amount of nutritive material that it would be difficult indeed to find a meal at once simpler and more nutritive than a bottle of beer, a piece of cheese and a crust of bread. One eminent physician proclaims Beer to be a liquid beef-steak.

REMEMBER—The Beer of the Ballot must not be confused with the beers sold in Ontario before prohibition. The beers sold in this Province under the Old License System had an alcoholic content as high as 7% and over—the beer for which you are asked to vote on October 20th is but 2.51%.

REMEMBER—The Beer of the Ballot is absolutely non-intoxicating—beer of even .24% stronger has been proven non-intoxicating by scientific experiments and thorough research by a board of fourteen, qualified experts. The Beer of the Ballot is nothing but a mildly stimulating, healthful and refreshing non-intoxicating beverage—brewed from a high grade of malt and hops—containing only sufficient alcohol to make it digestible and nourishing.

Ontario Brewers' Association

FARMING is a basic industry in Canada. From the first days of its publication, The Globe has always strongly advocated the development of scientific agriculture.

When the breeding of pure-bred stock in Canada was first deemed necessary, The Globe, by example and precept, showed what could be done. The late George Brown was a leader in experiment. At Bow Park Farm, near Brantford, he bred from imported cattle so as to place pure-bred stock at the disposal of his neighbors.

From those days to the present, the furthering of the interests of the Farm and Country Life of Canada has been an important feature of The Globe. The Weekly Farm Department has always been a source of inspiration to the farmers to improve their knowledge of agriculture.

The Globe believes that one of the best ways of teaching a man is to show him what his neighbor is doing. This is the policy The Globe adopts in its Farm Department. Two members of The Globe staff devote their whole time to the collection of material for this Department and in so doing spend several days each week in the country. They visit good farms all over Ontario and attend Fairs and Conventions. They report all developments in rural life as reflected in these gatherings as well as in the personal experience of successful farmers. Through its "Farm and Country Life" Section, The Globe has identified itself with every movement calculated to improve the conditions under which farmers and their families do their daily work.

This is the service thousands of Farmers in Ontario and elsewhere receive and appreciate, and one of the reasons why many thousands of them read The Globe. But that is not all. Keen competition, and the continued fluctuation of prices make it necessary for the farmer and his family to keep in touch with current produce and other commodity prices even from day to day.

The Globe has a well-merited reputation for accuracy, because in nothing is it more dependable than in its market reports. All prices quoted in The Globe are verified by the highest authorities SIX TIMES EVERY WEEK. But besides all this, The Globe is a Great Family Newspaper. It is as much a necessity and convenience in the Farm Home as anywhere else. The coming of the daily paper to the Farm Home ranks in importance with the rural mail delivery, the telephone, electricity and the good road.

It broadens the outlook of those who live on the farm. It keeps them informed on current events the world over. Not only does The Globe do this, but it serves the agriculturists of Canada in a peculiar and appropriate way. The service The Globe has already rendered three generations of Farm Life is a guarantee of what it will do in the days to come.

This is why The Globe should have a place in every Farm Home in Ontario.
