THE COMMONS APPROVES AUSTRIAN PEACE TREATY

The Grand Trunk Bill Further Discussed in Committee—Physical Assets of Railway to be Liable to Municipal Taxation as Heretofore.

Ottawa, Oct. 25.—After a brief discussion the House of Commons last night formally approved the peace treaty with Austria. The League of Nations covenant and the labor clauses, the Minister of Justice explained, were identical with those in the German peace treaty. Mr. McKenzie, acting Liberal house leader, while declaring that he was not prepared to offer objection to the passage of the resolution, yet maintained that it was unnecessary. In effect, he claimed the House had already approved the treaty by concurring in the senate amendments to the bill to put the German peace treaty into effect.

The Grand Trunk Bill. During the greater part of the day the House was in committee on the Grand Trunk bill, and the bill will be further considered in committee. In course of the discussion the Minister of Railways stated that the physical assets of the Grand Trunk would be liable to municipal taxation as heretofore. When the House went into committee on the Grand Trunk bill, Mr. McKenzie asked if the Government could give any general estimate of the value of the stocks it was assuming in paying for "the huge white elephant."

TROTSKY'S ENTIRE STAFF HAS BEEN CAPTURED BY ANTI-BOLSHEVIKI TROOPS

Trotsky Rallied the Bolshevik Forces Which Savagely Attacked the Russian Northwestern Army.

(Canadian Press Despatch) Copenhagen, Oct. 25.—The entire staff of Leon Trotsky, Bolshevik military leader, and his family, including his wife and two children, have been captured by anti-Bolshevik troops. According to a dispatch from the Russian front, Trotsky himself escaped by clinging to a railroad car and later fleeing from the scene in an automobile. Troops of the northwestern Russian army pursued the minister and fired upon his car, but Trotsky succeeded in reaching Petrograd.

The left flank of Gen. Yudenitch's army is reported to be under fire from the enemy. Rallying under the command of Leon Trotsky, Bolshevik Minister of War and Marine, troops of the Russian Soviet government have savagely attacked the lines of the Russian northwestern army, and have succeeded in parrying, for the moment at least, the thrust of the latter against Petrograd, according to reports reaching Tsar-Koselo and Pavlovska south of Petrograd, have been reapprehended. Reports indicate, however, the consideration by the Soviet leaders of a plan to withdraw all Bolshevik troops into Turkestan and to abandon Moscow.

Serbian forces are on their way to Odessa to assist Gen. Denikine's campaign. Tobolsk, Western Siberia, is said to have been captured from the Kolchak army by the Bolsheviks. The report, if confirmed, would indicate an advance of the Soviet army in that sector as last reports showed them quite a distance to the westward of Tobolsk.

MUST LEAVE OFFICE DR. CODY DECLARES

The Minister of Education Ends the Rumors of His Return.

Toronto, Oct. 25.—Hon. Dr. H. J. Cody, Minister of Education, who was re-elected by acclamation, touched on his future plans in an address given by him at a banquet of the Insurance Institute of Toronto. He referred to a wish expressed that he might be retained in office as head of the Ontario Educational Department, and stated that the gathering must remember as some of the people of Ontario appeared to have forgotten, that a Minister of the Crown could not retain office after his party had been put out of power.

LABOR'S PRINCIPLES

Not Little Englander in Sense of Empire Alliance. London, Oct. 25.—Arthur Henderson, discussing labor's imperial policy in the periodical "Overseas," writes: "Labor is certainly not a Little Englander in the sense of being indifferent to the potential utility of this great alliance of free states which the Empire in its best aspect implies. Labor stands in all its traditions for the principle which has made the real strength of the Empire, namely, conciliation through self-government."

Ingersoll, Oct. 25.—Higher prices for milk during the winter months was a matter under discussion at a large gathering of milk producers held in the I.O.O.F. hall this afternoon. The producers are agreed that they should receive a higher price than is at present being paid in this district. The meeting was one of the most representative that has been held here.

Keynote of Government Platform Recovery of France Through Ardent Labor.

Paris, Oct. 25.—The campaign for the election of a new Chamber of Deputies to succeed the Lower House of the wartime Parliament will be in full swing after the opening speech of Premier Clemenceau at Strasbourg Sunday. The tickets of most of the parties are, however, still far from complete. The Socialist, who as usual are the first to get into action, had practically completed their lists of candidates when moderate representatives of the party, resisting political exile, took steps to nominate separate tickets in the department of the Seine. Unless the extremist majority in the party reconsiders the nominations, which are almost exclusively from this faction, a serious split is apparently to result.

ADDING MACHINE BROKE DOWN UNDER HEAVY STRAIN

(Canadian Press Despatch) Toronto, Oct. 25.—As each outlying constituency is heard from, the majority in favor of a dry Ontario is increasing with monotonous regularity. It was facetiously stated by the referendum headquarters that the adding machine in use by the prohibitionists broke down under the heavy strain of negative totals. There will be no further summary obtainable on the referendum figures until the official total is given out by the chief returning officer at the parliament buildings next week.

THE PRINCE JOYFULLY RECEIVED IN KINGSTON

Civic Reception to His Royal Highness at the Cricket Field—Presents Medals to Many Veterans of the Great War.

"England's Fighting Prince" is spending the week-end in Kingston. His Royal Highness the Prince of Wales arrived in the city at ten o'clock on Saturday morning, via the Grand Trunk Railway, and was received with open arms and open hearts by the citizens. It was, indeed, a most enthusiastic welcome that the citizens tendered Prince Charming. Long before the time set for the arrival of His Royal Highness and party, the down-town streets were thronged with thousands of citizens anxious to get a glimpse of the young Prince who did his "bit" at the front, and it is safe to say that at no place in his itinerary has the heir apparent to the British throne been given a warmer welcome. He was tendered a tremendous ovation on his arrival and during all the ceremonies of the day he was greeted with cheering crowds.

All along the route of parade to the cricket field, where the civic reception took place, the streets were lined with cheering crowds, and it was a day long to be remembered by all who had an opportunity of taking in the "doings." A most interesting programme had been arranged by the committee in charge, and it was carried out to the letter. Arrival of the Prince. His Royal Highness was met at the Grand Trunk station by His Worship Mayor H. W. Newman and Major-General V. A. S. Williams, G.O.C., C.M.D. No. 8, a Guard of Honor from the 14th Regiment, P.W.O.E., under command of Capt. H. D. Wightman, M.C., and the band. Just as the Royal train reached the station a Royal Salute of twenty-one guns were fired by the R.C.H.A., under command of Major Laflerty, at Macdonald Park. His Royal Highness inspected the guard of honor, which was composed entirely of veterans who had served in France. He then entered the mayor's car, with Major-General Williams, while his staff occupied four other cars. His Royal Highness and staff were dressed in khaki.

Close behind the Prince came his staff, who had travelled on the royal train with him. Amongst them were: Chief of staff, Rear Admiral Sir Lionel Halsey, K.C.M.G.; private secretary, Sir Godfrey Thomas, Bart.; military secretary, Lieut. Col. E. M. Grigg; equeries, Capt. Lord Claude Hamilton and Capt. the Hon. P. W. Leigh; naval aide-de-camp, Commander Dudley North, C.M.G.; Canadian aide-de-camp, Major-General Sir Henry E. Buzzell, K.C.B., C.M.G.; representing his excellency the governor-general, Lieut.-Col. the Hon. H. G. Henderson, governor-general's secretary; representing the Government of Canada, Sir Joseph Pope, K.C.M.G., C.V.O., I.S.O., under-secretary of state for external affairs.

Proceeded to Cricket Field. All available space about the station was crowded with citizens of every condition eager to get a view of the Prince, who will some day be known as King of England and Emperor of the British Dominions, and the route to the cricket field, where the formal civic reception took place, was thronged. The procession proceeded along Ontario street to Brock, up Brock to King, along King to Clarence, up Clarence to Wellington, along Wellington to West, down West to Sir John A. Macdonald's monument, along the park drive to West to Union, and to the pavilion on the cricket field, where the greater part of the city's population had assembled, together with the veterans of the war and the school children. Mayor Newman introduced the eldersmen to His Royal Highness, and the officers of his staff, and Major-General Williams introduced the officers of his staff, after the school children, numbering 1,800, under the direction of Lieut.-Col. Galloway, sang "God Bless the Prince of Wales."

We have special interest in Your Royal Highness and we love you in consequence of the magnificent part you have played in the great struggle now ended. You were associated with and devoted to the Canadian soldiers, sharing with them great hardships and trials which were rendering valiant service for the Empire. Our boys are never tired of singing the praises of the soldier prince who fought with them for the liberty of her people, and so Kingston likes to see you here to welcome and to pay homage to Your Royal Highness. Your visit to our city is most opportune, inasmuch as Kingston is and has always been truly loyal to the British throne. The U. E. Loyalists, who in 1784 could not bear to be severed from the mother country, settled here and named our city "Kingston" in the honor of the King of England. This loyalty has ever since remained. NEWS IN BULLETIN.

Samuel Gompers, president of the American Federation of Labor, will call a meeting of the 112 affiliated bodies, including four railway labor organizations, in Canada, into action for the great industrial battle. All hope of averting the U.S. coal strike, which is set for Nov. 1st, has been given up. It has been persistently rumored at Niagara Falls that Member-elect H. Swayzee would resign in favor of Sir Adam Beck. In an interview he flatly denied the story. Two Serbian divisions are now on their way to aid General Denikine in Southern Russia. W. F. O'Connor, of the Board of Commerce, has decided against an investigation of Toronto manufacturers and wholesale grocers. The steamer Melita has arrived at Quebec with Canadian soldiers.

Spain Facing Election, Too.

Madrid, Oct. 25.—An attack on the Government made by Antonio Maura, leader of the Conservatives, and a former premier, may result in a dissolution of Parliament and the calling of general elections as soon as King Alfonso returns to Spain. It has been pointed out that that Government might not be able to carry on without the support of Senor Maura's followers.
