"Oh! What a Pal Was Mary"

Here's a good old-fashioned ballad song that's making one of the biggest sentimental hits on record. Henry Burr sings the appealing words and beautiful melody with sincere and tender feeling. Coupled with "Waiting" (from "Listen Lester"), by Charles Harrison.

M'GILL AGAIN VICTORIOUS

DEFEATED QUEEN'S IN MONTREAL BY 25 TO 2.

Intercollegiate Rugby—The game on Saturday was played on a field deep with mud. Queen's senior rugby team met defeat at the hands of McGill in Montreal on Saturday afternoon by 25 to 2. The half time score was 12 to 1. The game was played on a field deep with mud, and Shaughnessy's well-trained "machine" again emerged victorious.

Queen's scored only two rouses throughout the game. McKelvey kicking over the line each time for two points. McGill's scores included three touches.

QUEEN'S JUNIORS WIN FROM COLLEGIATE

In the Junior Intercollegiate Series by a Score of 28 to 5.

The seemingly impossible sometimes happens. This was proved when Queen's defeated the K.C.I. 28 to 5 in a rugby game on Saturday afternoon at the Athletic Grounds. The weather was ideal for rugby and the game was a fair one. The Tricolor men had it all over the Collegiate in weight. Both sides were very good in tackling, although the catching was poor. Finkle of Queen's played a good game, and also Carr-Harris of the K.C.I. The Collegiate missed the presence of Wilkinson, who is nursing a broken nose, as a result of the game between the K.C.I. and Regiopolis College.

The teams lined up: Queen's: Dingle flying wing; McLeod, Kell and Cruise, halves; Dolan quarter; Anderson, Denman and Wilson, scrummers; Symmons, Shaw, inside wings; McCartney, Finkle, outside wings; Chesser, V. Minne, middle wings.

MCGILL DEFEATS R.M.C. BY 14 TO 0

In an intermediate inter-league rugby game played in Montreal Saturday morning, McGill defeated R.M.C. by 14 to 0. The game was the second of home-and-home games, and McGill wins the series by 3 points as R.M.C. won last Saturday at Kingston by 11 to 0. McGill are now champions of the Eastern section of the league, and will meet Toronto Varsity for the championship of the league.

London Faces Hockeyless Winter. Once again London faces the prospect of a hockeyless winter. During the last two months there have been sundry rumors of the erection of huge arenas on various suggested sites, but with the middle of November here, nothing more tangible than the rumor has materialized. And the worst of the situation is that nothing more will materialize this year at least, as it is too late in the season to start on the construction of a rink, even if the financial backing were behind the blueprints.

O.H.A. DRASTIC ACTION TO MAKE GAME CLEAN

Suspects to Be Cleaned Out—New Order of Things in Big League.

At the first meeting of the Ontario Hockey Association Executive for the season, drastic action was taken to remove control of the clubs from the irresponsible and temporary direction which had brought about undesirable conditions, especially in the senior hockey in Toronto.

It was laid down that the policy of the O.H.A. was to grant franchises only to clubs representing permanent and responsible organizations engaged in some form of athletic sport. The matter was opened by an application from the Galt amateur association, and found the Executive ready with a plan of dealing with the affair in a general way.

BROCKVILLE IS READY FOR HOCKEY SEASON

Would Be Picked to Join Proposed Central Canada Association.

A meeting to consider the hockey situation in Brockville has been called for Monday night and prospects are that a big gathering will result. At the close of last season the leading officers of the league were instructed to act for the remainder of the year in keeping Brockville in the limelight in hockey matters and it is possible that the Brockville City and Central Canada Hockey Association, an organization first talked of last season in Ottawa and Montreal hockey circles.

QUEEN'S RUNNERS FOR HARRIER MEET

The try-out for the team to represent Queen's in the intercollegiate harrier meet on Saturday next at Montreal, took place on Saturday afternoon at the University. The trial course was five miles in length, and only five runners finished. These five will be the team for the race at McGill. They are Tom McIntosh, K. O'Connor, T. R. Smith, L. McNaught and Trays. The runners finished in the order named. The course was a hard and grueling one, and all five were pretty tired on their arrival at the gym. Teams from McGill, Toronto, and R.M.C. will run in the meet, in addition to Queen's.

RUGBY ON SATURDAY.

PRO. HOCKEY OUTLOOK.

Ottawa Journal: Chances for professional hockey are not bright by any means. It is expected that the Montreal Arena will be completed by January 1. A significant move in the situation is that George Kennedy forgot to mail Goldie Rodgers a contract, and the latter declares he is a free agent. Willy George doesn't make any mistakes, and it looks as though he has tipped the hand of the professional promoters.

TWO FINE SOCCER GAMES

PLAYED IN THE LOCAL LEAGUE SATURDAY AFTERNOON

The 21st and The R. C. A. Tied, 2 to 2—Shipbuilders Defeated the G. W.V.A. by 1 to 0.

There were two soccer football games played on Saturday afternoon. The first was between the 21st and R. C. A. and resulted in a tie, the score being 2 to 2. Heap and Goldfinch scored in the first half and Heap and Graham in the second. It was a splendid game, as indicated by the score, the R. C. A. being favorites because they have been coming to a front position for some time and showing real sporting qualities. The 21st, too, has put great vim into the game and in the present leading team in the series. The line up was:

21st: Blackburn goal; Strowger backs; Leveyse; Tyson half backs; Harrison; Hearst; Singleton forwards; Jarvis; Heap; Irwin; Guy. Referee, Verr.

The second game was played between the Shipbuilders and the G. W.V.A. and was won by the Shipbuilders by a score of 1 to 0. This was exceedingly fast game and only luck saved the lead, made by the Shipbuilders in the first half when Lavery scored the only goal. The G.W.V.A. put up a great game. In the second half the ball was repeatedly shot at the net, and anyone but Duncan would have lost his head. Edwards was the star goal for the Veterans and did some beautiful work that evoked applause. The line up was:

Shipbuilders: Duncan goal; Fuller backs; Kay; Brown half backs; Roach; Gardiner; Lavery forwards; Carey; McFarlane; Park; Baird. Referee, Sergt.-Major Gray.

To Travelling Salesmen

WHEN showing goods, the traveller's cuffs as well as his goods are brought right before the prospective customer's eyes. A soiled cuff doesn't create a favorable impression. And it draws the attention away from the article to the soiled cuff.

The alert, particular traveller, therefore, has to take a big bunch of shirts on his trips and change often—unless he carries W. G. & R. Shirts with Double Wear Cuffs with him when he needs just half the usual quantity.

Everyone knows that the cuffs—the most exposed portion of a shirt—get soiled first. And it doesn't take long for a dirty train or dusty road to soil them.

But when one side of his Double Wear Cuffs gets soiled the traveller just turns the cuffs, which fold easily and fit perfectly flat either way they're turned. He thus wears his shirt twice as long.

If he is away for a period of two weeks to a month or longer every inch in his grip or personal trunk is valuable. W. G. & R. Shirts with Double Wear Cuffs save space for him, cut laundry bills for shirts in half, and wear longer.
