Objectives for Unit—Teams, \$1,700,000; special subscriptions \$950,000. Total \$2,650,000. Returns to date—Teams \$848,500; special subscriptions, \$1,110,000. Total \$1,958,500.

Returns From Canvassing Districts

Table with columns: Districts, Flag Objective Returns (to date), and Total. Lists districts like Kingston City, Wolfe Island, etc., with their respective amounts.

As shown in the above figures, Kingston and Frontenac have still to raise about \$700,000 to reach the objective, and the executive committee urges that the greatest energy be put into the campaign this week to get the district over the top. With the exception of two municipalities all are far beneath their quota and the executive feels that the honor of Kingston and Frontenac is at stake and we have got to keep up the reputation that we have made in the past.

When informed Monday morning that Canada had subscribed \$318,000,000, J. M. Hughes, chairman, expressed great satisfaction, and said that as other districts had exceeded the amounts asked of them, Kingston was under a greater obligation to reach her mark. He felt that the additional \$100,000,000 asked for from Ontario would be forthcoming, and so far as the Kingston executive was concerned it was prepared to adopt any plans calculated to win her proper place in the Victory Loan of 1919.

VETERANS TO ASK PRINCE NOT TO HONOR U.S. WRITER

Declare Costello Wrote Articles Attacking British Forces and Bravery of Officers.

Windsor, Nov. 10.—Aroused at the announcement that Harry Costello, former Lieutenant, of Detroit, had been summoned to Washington, where he will be decorated by the Prince of Wales for gallantry on the Archangel front, the Executive Committee of Windsor Command of the Great War Veterans' Association yesterday authorized Captain Peacock, Secretary, to take whatever steps he deemed advisable to prevent the ceremony.

Capt. Peacock, however, believes it would be futile to ask the Prince to cancel the engagement with Costello if the decoration is for bravery on the field. He got in touch Saturday with Sergt. W. E. Turley, Provincial Secretary of the veterans' organization, with a view to referring the matter to that officer before communicating with Admiral Sir Lionel Halsey, a member of the Prince's staff.

In the event of Secretary Turley advising action, the following letter, drafted Saturday afternoon by Capt. Peacock, will be sent to Ottawa: "Costello of Detroit during September of this year wrote for press distribution several scurrilous articles which were published by papers throughout the United States attacking British Expeditionary Forces in Russia, especially the personal gallantry and conduct of British officers."

"Despatches today state that Costello is to be decorated by the Prince of Wales. Is there some mistake?"

After Hon. W. L. M. King, Newmarket, Nov. 10.—United Farmers of North York will try their fortune in Dominion politics. At a meeting Saturday afternoon in their club rooms here they decided to enter a candidate in the federal arena, but left the matter of calling a convention in the hands of the executive.

If Hon. W. L. Mackenzie King, leader of the Liberal party, adheres to his intention of seeking election in North York, the farmers believe they can defeat him. A good organization has been built up in North York, and much of the time of the meeting Saturday was spent in perfecting it.
