Bad Breath IS CAUSED BY CATARRH

Canadians suffer more from Catarrh than from any other disease. On this account Catarrh is dangerous and should be checked at the outset. It isn't necessary to take internal medicine to cure Catarrh. There is a far better method. Catarrh is senting a purifying, healing vapor through the breathing organs. In this way the germs of Catarrh are destroyed. The only successful vapor treatment is CATARRHOZONE, which the patient breathes through a special inhaler to the real seat of the trouble. The rich, piney essence of Catarrhose, heals and soothes all inflamed surfaces. They effectively treat the nose, throat, and lungs with a powerful antiseptic that destroys irritation at once. Catarrhose brings into the system the balmy air of the pine forest. It cures completely colds, coughs, catarrh, weak throat, and bronchitis. Once tried, Catarrhose is always used. Nothing so pleasant, so simple, so quick to relieve, so absolutely sure to permanently cure. Accept no substitutes. The Young Man's Best Recommendation

A Savings Account is more than a start towards financial independence—it is a mark of character. One of the strongest recommendations in the world of business that a young man can present, is a Merchants Bank Pass-Book, showing a record of consistent savings. A Savings Account may be opened with \$1.00, which shows how highly we regard the accounts of those who desire to save. THE MERCHANTS BANK Head Office: Montreal, OF CANADA Established 1864.
