### Atlantic Flight

Wonderful Example of the Value of OXO

Interesting letter from Captain Sir J. Alcock, K.B.E., D.S.C.

"You will be interested to learn that OXO was a great "help to us during our Trans-Atlantic Flight; it sustained "us wonderfully during our 16 hours' journey.

"We had found out what a good thing it is when flying "in France, and so decided to carry it with us on this "occasion, and we can assure you that hot OXO is most "acceptable under such cold and arduous conditions. "OXO was the only article of its kind which we carried."

J. ALCOCK, Capt., D.S.C.

OXO steadies the nerves-keeps the brain alert-gives extra warmth to resist cold and exposure-extra strength to fortify against fatigue, and yields an abundance of energy out of all proportion to the amount taken.

Prices same as before the war, 10c., 25c., \$1.15, \$2.25.

### Standard for Over 60 Years

We began knitting underwear in Canada over 60 years ago. Quality has been our slogan all these years.

To us it means more than a phrase,

It is a symbol of all that is best in underwear. It expresses the mission of this business-the standards of manufacture.

Correct styling, correct fit, correct finish, we must have at all times.

But QUALITY stands out pre-eminent and dominates the field of underwear.

So QUALITY then is a prime factor in every garment that comes from the Turnbull mills. Always look for Turnbull's trade mark when you buy underwear.

### Saves Fuel and Food

The continued high cost of foodstuffs and household supplies require the strictest economy.

The most expensive foodstuffs are used in baking, so always be careful to use the right kind of Baking Powder, otherwise great waste may

because it effects the greatest economy. Its double action absolutely assures perfect baking at all times.

Egg-O also helps save fuel because it does not require so hot an oven as is required by other powders. Always follow the directions one level teaspoonful to one level cup of well sifted flour. You use from a quarter to a new less powder when you use Egg-O.

When buying Egg-O the larger tins are the most econ-omical size for family use.
