NEW POLICY AS TO SCHOOLS.

Must Get Away From Present Educational Machine.
"We are satisfied that in the new Government there is honesty of purpose, and where there is honesty of purpose and good intelligence we have not much to fear," said K. J. Dunston, president of the Toronto Board of Trade, presiding at the banquet of the Associated Boards of Trade of the province.

Winter in Algonquin Park.

As a winter panacea for coughs and colds Algonquin Park cannot be equalled. Two thousand feet above the sea it is always dry and cold, and usually bright, and no matter how cold it is the man with a sweater will never suffer. Days spent in snow shoe tramps, through primitive forests, in the breathless flight of the toboggan or ski, and in the ring of steel against the ice-bound waters of some lake; together with evenings spent in social converse around the cosy warmth of an old-fashioned log fire; these slip away unnoted but those who have once experienced them return to their avocations with renewed energies, with hardened muscles, and a grateful memory that forever blots out all thoughts of the relaxing South. The "Highland Inn" owned and operated by the Grand Trunk Railway offers comfortable accommodation at reasonable rates. For all particulars apply to N. T. Clarke, Manager, Algonquin Park Station, Ontario.

Did Not Buy As Many.

Ottawa, Nov. 22.—Sir Henry Drayton, Minister of Finance, stated that citizens of the United States did not buy so many of Canada's victory bonds as commonly reported. A great deal of interest was taken in the flotation, but just as they were beginning to purchase Victory bonds Great Britain floated a loan at 4 1/2 per cent, and this higher rate made investors forget Canada's offerings.

Sells His Entire Herd.

Brookville, Nov. 22.—One of the largest transactions in connection with Canadian Holstein Frisians is the recent sale of the entire herd of W. C. Stevens, Phillipville, to J. C. Regan, of Tully, N. Y. The Stevens herd is one of the finest in the province, comprising 43 animals. One of the best animals in the lot was a choice bred herd bull, Sir Hivedale May Echo Lyons, a half-brother to the great May Echo Sylvia, the champion cow, owned by A. C. Hardy, Brookville.

Market Prices.

On Saturday morning the prices asked for articles on the market were higher than a week ago. It was almost impossible to find eggs, while butter sold for from 60c to 65c a pound. Farmers report that potatoes are going up in price. The latest quotation is \$1.65 a bushel.
