TO ENTER TWO TEAMS IN SUNDAY SCHOOL A.A.

Sydenhame Street Methodist Bible school will be represented by two teams in the S.S.A.A. basketball series this winter. At a meeting held on Sunday it was decided to enter both junior and senior teams. The senior team will be composed of young men from the Union club. After the regular season of the school the young men under the age of eighteen years met and organized by electing the following officers: Honorary presidents, Rev. W. T. G. Brown, A. Shaw and E. P. Jenkins, president J. F. Woods; vice-president Joseph Crawford; secretary, Donald Anglin; treasurer, Harry McQueen; committee, Gordon Crawford, "Teddy" Jenkins, L. McKinnon, Charles Thompson and W. Anderson.

OTTAWA CHALLENGE ALSO GOES BEGGING

Second Vice-President Hugh Gall of the C.R.F.U. has received from the Ottawa club a challenge for the Canadian intermediate title. Ottawa won the intermediate honors in the Quebec union. They are anxious to play the O.R.F.U. winners. However, they will not be accommodated, as the O.R.F.U. will have no winner until December 6, which will be too late for a play-off. The winner of today's intermediate final might take on Ottawa, but it is hardly likely. Ottawa are through early for the simple reason that there were only three teams in the Quebec series. The O.R.F.U. had eight teams operating.

SCIENCE TEAM WINS THE CHAMPIONSHIP

Science students are Inter-Faculty rugby champions. In the final game of the series played on the lower campus on Saturday afternoon, the science men defeated the medicals by a score of 3 to 5. At half time the score stood 3 to 0 for the winners. Although the day was stormy a large number of the students were on hand to cheer their teams. A week ago the men from Science Hall won from Arts. The officials were Prof. J. F. Macdonald, referee, and "Jack" Williams, umpire.

YALE INVASION FAILED

Sturdy Harvard Too Much for Old Rival by 10 to 3. The Harvard team versatile in attack and sturdy in defence on Saturday turned back by a score of 10 to 3 Yale's football invasion. The crimson victory came as a result of a strong offence in the early periods and a stiffened defence later. Harvard at the outset scored by touchdown, and field goal, with Casey and R. Horween as the individual performers. Yale obtained its three points by a respectable kick from field goal by Braden in the final period. He booted the ball 53 yards cleanly between the posts. Yale errors had robbed the blue of many chances to score, some of which were turned to Harvard profit, and the record of the game will be one of Harvard success plus Yale errors.

JOHNSON AND MORRIS

Matched for Final Fight at San Luis, Mexico. Jack Johnson, the former heavy-weight champion, has been matched to fight Carl Morris, of Tulsa, Okla., at San Luis, Mexico, fourteen miles south of Yuma, Ariz., according to announcement tonight by Al Jones, Yuma boxing promoter. The bout will be held sometime in December, Jones said. It would be a finish fight. Both boxers have signed articles and posted forfeits, the promoter asserted. Johnson is expected to train at San Luis and Morris at Yuma. Johnson is at Nogales, Mexico, and it was said he probably would have to use an airplane to reach San Luis, as the federal officers would arrest him on a statutory charge preferred several years ago if he passed through United States.

Hams is French Champion. The heavy-weight championship of France changed hands at the Salle Wagram, Paris, when Nilles was outpointed over twenty rounds by Paul Hams. Hams was floored in the second round, but from the fourth to the end he held the upper hand. Nilles was down in the twelfth and seventeenth. Hams is a native of Guadeloupe, is powerfully built, and has good all-round boxing qualities, which he may yet develop.

MAKE IRONLAD RULE TO ENSURE FINALS

Canadian Union Likely to Avoid Repetition of This Season's Wind-Up.

The Ottawa Citizen says: The collapse of plans for the annual championship playoffs in the Canadian Rugby Football Union and the failure of the McGill-Montreal and Varsity-Toronto matches to materialize, continues to be the chief topic in football circles. The first post-war series has really fizzled out and there appears to be general regret all round the circuit. Many suggestions have been made and it is understood that the Canadian Union will act in the near future to guard against a repetition of the unsatisfactory windup of this season. Checks in each of the leagues affiliated will probably be compelled to play off in the event of winning the championship. In any event, some sort of a standing rule will be made.

In Montreal there appears to be more concern over the collapse of the McGill-Montreal game than over the Canadian championship final. Montrealers were looking forward to a great old tussle between the intercollegiate and the interprovincial champions and explanations are still flying thick and fast. The fact of the matter is that Montreal appears to be that Montreal, thinking McGill wanted a game, issued a challenge. The McGill club was willing and the M.A.A.A. of course, gave its consent, but the players of both teams held a joint meeting, smoked the pipe of peace and agreed not to play. Both clubs have been hard hit, but they, of course, could not order their players to take part in the game. Montreal sport writers appear united in one thing, viz.: that there was a decided lack of sporting spirit on both sides. The cancellation of the Varsity-Toronto game was due solely to interference on the part of the University Faculty.

VARSIITY II WINS INTERMEDIATE HONORS

Toronto Varsity II won the intermediate championship of the intercollegiate Rugby Union when it defeated McGill II, at Toronto by 20 to 11. A week ago at Montreal, Varsity defeated McGill by 19 to 14, so it wins the round by 39 to 25.

For the O.H.A. Executive.

Toronto Star: The London Hockey Club is nominating H. H. Ferguson for a place on the Ontario Hockey Association executive. "Fergy" is well known, and he is a hockey enthusiast of the right type. He was brought up under Jim Sutherland in Kingston, and played for Frontenacs for several years. Then he was with T. R. and A. A. in Toronto. He has been up in London during the past two or three years, and his hustling has played no little part in keeping Forest City on the hockey map. He was in a great measure responsible for the London Club, when rink accommodations could not be secured for a third round game with Seaford last winter taking the fixture to Woodstock, an undertaking that forced Ferguson, Jack Greer, "Buster" Reid, Harry Lecky and others to go down in their pockets for over \$300 to make up the deficit on the trip. The supporters of the London Club were each given the ride to Woodstock and admission to the rink for \$1. It cost \$1.80. Mr. Ferguson should make an ideal member for the O.H.A. executive.

No Military Football Games.

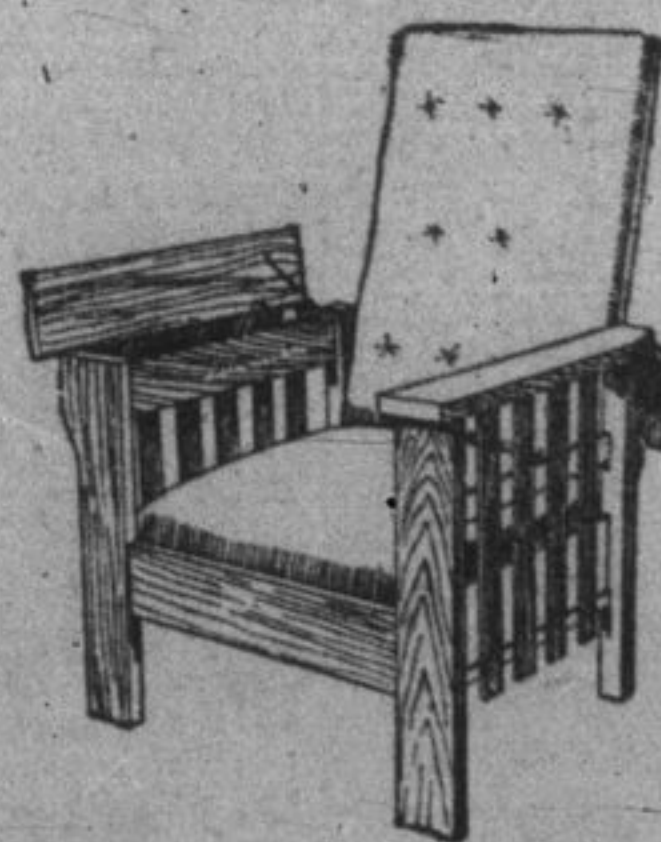

Owing to the heavy rain on Saturday, no games were played in the military football league. Some of the R.C.A. and 21st players went to the cricket field ready for a game under any conditions, but the other teams were not so hot for a contest.

Queen's Hockeyists to Tour.

Queen's Journal: Hockey games are being arranged for the senior team in New York and Boston, while arrangements are being made to take the juniors to Redford and Ottawa before the regular schedule begins.

A soiled cuff attracts the eye

YOUR cuff is the most exposed portion of your shirt. It soils the quickest. And everyone knows how PROMINENT a soiled cuff is. It seems a magnet that draws all eyes.

A soiled cuff irritates a particular man. He keeps pushing or pulling up his shirt sleeve to hide it. It causes him to change his shirt when the body of it is still fresh and clean.

The Double Wear Cuff is a boon to the particular dresser. When the cuff gets soiled just turn it. It folds easily and lies perfectly flat whether turned in or turned out. And just think of the comfortable feeling it gives you to know that you can turn your cuff, if you should happen to get it soiled unexpectedly when down town, and it's inconvenient to go home and change your shirt.
