RIFLEMEN HOLD BANQUET GALE DID SOME DAMAGE

THE SEASON'S PRIZES PRESENTED BY GEN. WILLIAMS

Event Held in the Randolph Hotel on Saturday Evening by the Kingston Headquarters Rifle Association.

The Kingston Headquarters Rifle Association held a banquet in the Randolph Hotel on Saturday evening at which the trophies awarded to the winners in the season's competitions were presented by Major-Gen. V. A. S. Williams, G.O.C. D.D., No. 3, Col. Harry Genet, A.A.G., No. 8, acted as toast master, and after an excellent dinner, some entertaining speeches were given.

Captain W. E. Swaine, Q.M., Machine Gun Company, proposed the toast to "Our Association," which was responded to by Major W. J. McManus, A.D.C., who gave a great deal of time to promoting its success.

Major-Gen. Williams, who replied, thanked the mayor for his very kind remarks. He said that 2,116 officers and 47,000 other ranks trained in the district during the war. He told the work performed in the district since he became G.O.C., and emphasized the importance of training in a rifle shooting. He hoped to see a number of rifle clubs formed, and a district shoot next year.

Col. Harry Genet proposed the toast to "The Royal Military College," which was responded to by Major-Gen. A. C. Macdonell. He gave an interesting account of some of the work of the First Canadian Division in France and emphasized the great character, discipline and good shooting. Efficiency in direction and control of fire was a great asset in a man. He hoped that it might be possible for the College to take part in the competitions next year in connection with their musketry.

Lt.-Col. G. H. Gillespie proposed the toast to "Our Guests," and thanked the ex-mayor J. M. Hughes for his interest in the association by donating a trophy. Lt.-Col. Elkin, who had taken a great interest in the association and helped in many ways towards its success. He told of the school cadets and hoped that the cadet shoot might take place in Kingston instead of Toronto. He was proud of the record made by the K.C.I. team in winning the King's cup this year.

J. M. Hughes told of his work on the Soldier's Aid Commission and of his pleasant relations with the headquarters staff while he was mayor. He was followed by Lt.-Col. Elkin who said it was always a pleasure for him to help along with the rifle association.

The secretary, S. M. Mayer, read his report, and Major-Gen. Williams then presented the prizes as follows: General William's trophy, (silver cup) won by Capt. E. W. Skinner, 14th P.W.O.R.; Newman trophy, won by staff sergeant A. Aldridge, R.C.H.A.; Hughes trophy, won by Sgt. A. Middleton; McManus trophy, won by Sgt. W. J. Baker; Millin trophy, won by Capt. E. W. Skinner; extra series, won by Q.M.S. W. Fugh, 590 yards, won by R.M.S. A. Middleton; 600 yards, won by Capt. E. W. Skinner; extra series aggregate, won by Capt. E. W. Skinner. In addition, a number of money prizes were presented to winners of second and third place positions. They were Q.M.S. F. Temple, Lt.-Col. Gillespie, J. Barrett, Sgt. W. J. Baker and Sgt. Mayer.

The singing of God Save the King brought a very pleasant evening to a close.

PRaise for Wanden Truscott

Resolution Passed at the Closing Meeting on Saturday.

Wanden Truscott came in for some well-deserved praise at the final meeting of the county council, held on Saturday morning, when a resolution of thanks to the warden was moved by Councillors Halliday and Wensley, and carried by an unanimous vote.

During his term of office, Mr. Truscott has very ably carried out all the duties resting on him, and did his work well. All the members of the council had warm words of praise for him.

TO THE ELECTRIC WIRE SERVICE OF THE CITY

The Lighting Service Interrupted on Saturday Evening—High Voltage Wires Crossed on Queen Street.

A great deal of damage was caused by the heavy wind storm on Saturday evening which reached its height between midnight and 2.00 a.m. Sunday. All over the city the electric light service was interrupted. The lights went off about 11 a.m., placing the city in darkness. The greatest inconvenience was felt in the theatres where there was no light for a period of ten minutes. The Kingston military headquarters rifle association was holding a banquet in the Randolph hotel but the table was decorated with a row of candles that gave sufficient light. Fences and limbs of trees were blown down but no injury was sustained by pedestrians. The velocity of the wind was reported at about forty miles an hour from observations taken at the physics building, Queen's University, but despatches from Toronto state that it was seventy miles an hour there.

C. C. Folger, manager of the city utilities, was at his office up to 3.00 a.m. Sunday. He states that a live wire was down on Montreal street and a guard had to be placed over it for the safety of pedestrians and others. But the greatest inconvenience was caused by the crossing of high voltage wires on Queen street, and the linemen had hard work keeping the service going.

The lake was lashed into a fury that lasted all day Sunday, but no marine disaster was reported. All of the local vessels are in their winter berths, and the local shipping agencies knew of no vessels being out in the storm.

THE EIGHTH ANNIVERSARY

Of the Consecration of His Grace, Archbishop Spratt.

The eighth anniversary of the consecration of Archbishop Spratt was celebrated by a pontifical mass at 8 a.m. on Monday. There was a very large congregation, and the service was most impressive. Special music was rendered. His Grace is receiving congratulations and good wishes from all parts of the diocese. The service took place in St. Mary's cathedral and His Grace was assisted by Rev. Father Hanley, rector of the cathedral, as high priest; Father Keeney, deacon; Father Nicholson, sub-deacon; Rev. Father Ross Coyle, master of ceremonies. Rev. Fathers Casey and Joseph were also present in the sanctuary.

The men's choir rendered the mass under the direction of Prof. Neurry, Jr., and the solo as the offertory was sung by Prof. Neurry, Sr. At the conclusion of the mass, the choir rendered the "Vivat Pastor Bannus." The congregation included the children from all of the city schools, the convent and academy, and they were given a holiday in honor of the Archbishop's feast.

UNVEIL MEMORIAL TABLET

IN ST. GEORGE'S CATHEDRAL ON SUNDAY MORNING

In Memory of the Late Lieut. Hugh Norton-Taylor, 21st Battalion, who Was Killed in Action at Courcellette.

At the morning service in St. George's cathedral on Sunday a beautiful brass tablet in memory of the late Lieut. Hugh Norton-Taylor of the 21st Battalion, C.E.F., was unveiled by Dean Starr, assisted by Col. Genet. The ceremony was performed before the sermon in the chapel adjoining the chancel. The tablet, which is placed above that of the deceased's mother who died in 1918, bears the following inscription: "In loving memory of Lieutenant Hugh Norton-Taylor, 21st Battalion, killed in action at Courcellette, France, September 16th, 1918."

Lieut. Norton-Taylor was a son of the late Colonel and Mrs. W. H. Norton-Taylor, and in the sermon Dean Starr spoke of his great devotion and loyalty to his country, being among the first to enlist when the call for men went forth. He enlisted as a private in the 21st Battalion, machine gun section, when that unit was organized in 1914-15, and proceeded overseas, where he was promoted to the rank of lieutenant. He performed splendid service and on Sept. 16th 1918 was killed at the sugar refinery, Courcellette. His sister was present at the unveiling of the tablet.

Look! Read This. Lt.-Col. Betteridge, of Montreal, will conduct a Special Holy Mass Meeting tonight at 8 p.m. in the Salvation Army Citadel. There will be special music by the band and songsters. All should come and enjoy a treat, all are welcome.
