Mums Are Done Enter Narcissi
The Narcissi are a large and beautiful family of sweet scented bulbous flowers, ranging through the polyanthus varieties, such as Paper Whites and Chinese Sacred Lily, to the double varieties or Daffodils. The Narcissi is used perhaps as extensively in any other bulb in commercial forcing and vies in importance with the Hyacinth and Tulip, while it has a decided advantage in filling in between the Chrysanthemum and the mainly winter flowering plants, which Chrysanthemum brings.
