No Mercy Shown to the Representatives Who Showed Anti-British Feeling During the War.

Toronto, Dec. 3 .- Reports reaching here yesterday give the following descriptive story of the riotous scenes which followed the meeting, of the Kitchener city council, when the resolution to go back to the name "Berlin" was struck out by

"Cheers" greeted this decision to strike out the resolution. Some one called for three obsers for the council but few voices responded. A call for cheers for the mayor met with 'boohs' and hisses. The council proceeded with other business and the deputation began to file out. They did not proceed outside the hall, however, but began a search for the missing aldermen, Bowman and Betzer. These two were found in a side room with the door locked The lock was quickly broken and a roar went up from the veterans who filled the corridor.

"Resisting every step of the way, Betzer was half dragged, half car-Such was the word brought to El ried into the council chamber. "Take your seat like a man," from
