STEAMER IN PORT AFTER ROUGH TRIP

The Lakewood Was In the Big "Blow" on Lake Erie.

After experiencing one of the worst storms in her career, the steamer Lakewood has arrived at Richardson's elevator, with a cargo of corn, from Chicago. The vessel was on Lake Erie during the terrible "blow" over the week-end and the captain and the members of the crew, had a thrilling time. The vessel stood the storm well however, and managed to get through without a mishap. The Lakewood was formerly a passenger boat, and was built over for the grain trade on the lakes. As soon as the cargo on the Lakewood has been discharged, the vessel will clear for Oswego, to load coal for Toronto.

U. S. Hospital Ship.

It was expected in marine circles that the United States Hospital steamer, General R. M. O'Reilly would pass up to-night, or to-morrow, on her way from New York to Chicago, but no arrangements were made for her to stop at Kingston. Owing to weather conditions, the vessel had to stop over in Brockville on Wednesday. The steamer was for two years engaged in the United States Red Cross service along the Atlantic Coast with headquarters at New York. She is now being taken to Chicago to pass into the hands of private interests.

Houghton–Germain Wedding.

The marriage took place in Kingston on December 1st of Verna E., only daughter of Mr. and Mrs. D. Germain, of this city, and Winfred J. Houghton, son of Mr. and Mrs. D. Houghton, of Newboro. Rev. W. T. G. Brown officiated.

Join the Y.M.C.A. this week and assist the organization in it's good work; and by so doing you may be helping others to help themselves. Join the "Y."

The question of establishing a dining hall at Queen's university for the students is still under consideration.

CHURCH IS DESECRATED

Sinn Fein Outrage in County Cork Arouses Much Indignation.

Belfast, Dec. 4.—The Irish Government offers five thousand pounds sterling reward for evidence against assassins of fourteen policemen recently murdered in Ireland.

Ardhagreshy Paris' Church, near Fermoy, County Cork, was broken into and savagely desecrated by Sinn Feiners. The communion table, chain railings and other fixtures and furnishings were smashed. The Bible and Prayer Book were sacrilegiously torn up. The few Protestants in the parish are very indignant at this wanton outrage, as indicative of what they might expect under a Sinn Fein parliament, ruled by the assassination club.

BIG HOTEL FOR MONTREAL

C.P.R. Heads Behind 16-Storey Building to Cost $3,000,000.

Montreal, Dec. 4—Representatives of New York and Montreal capitalists waited on the Board of Commissioners at the City Hall, yesterday, and asked for permission to build a sixteen-storey hotel, to cost $3,000,000. They urged that the civic by-law, which limited the height of buildings in Montreal to ten storeys should be lifted for the hotel, because it would not pay if of less height than sixteen. The site of the proposed hotel is the corner of Peel and St. Catherine streets.

The Montreal capitalists behind the venture include Lord Shaughnessy and E. W. Beatty of the C.P.R.

WOMEN IN PULPIT

Toronto Presbytery Agrees to Innovation

Toronto, Dec. 4—Toronto Presbytery, at its regular monthly meeting, agreed to allow women to occupy the pulpits once a year.

A deputation of two ladies from the Women's Missionary Society asked the Presbytery to allow representatives to present the claims of the society to the congregation on one Sunday in the year. On this day women will take full charge of the services. This new departure will be the women's part in the forward movement.

PREMIER BACK AGAIN.

Preparing to Move Into More Permanent Quarters.

Ottawa, Dec. 4.—Sir Robert Borden is again at the helm, but by none is it expected that Sir Robert will long remain there. His health is much improved, but he is far from being in a robust condition nevertheless, and the strenuous burdens of the past five years have left a mark which neither rest nor recreation can entirely eradicate. It is no disrespect to Sir Robert to say that the question of his successor is being frankly discussed, for it is believed that he would gladly retire were such a successor found.

In unofficial but well confirmed circles here, it is believed that Sir Robert Borden may be given a nigh post in connection with the League of Nations.

Another story is that Sir Robert will be Canada's first representative upon the Imperial Cabinet in London, which next year's Imperial Conference is expected to bring into being.

GRAIN MOVEMENT SLOW

Transportation of Coal Has Affected Shipments.

Winnipeg, Dec. 4.—It is estimated that not more than two-thirds of the season's grain has been shipped out from the west. To date 70,000,000 bushels have passed over the Canadian Pacific Railway lines, and it is expected that between 30,000,000 and 35,000,000 bushels will yet be shipped out.

The early cold spell is responsible in part for the slow movement, all available cars on railway lines having to be used for the transportation of coal.

DEPORT ANARCHISTS

U. S. Will Send Them Home to Soviet Russia.

New York, Dec. 4.—Families of anarchists are to be deported with them to Soviet Russia, according to a telegram received by Harry Weinberger, counsel for Alexander Berkman and Emma Goldman, from Anthony Caminetti, Commissioner-General of Immigration.

Farmer Loses Arm.

Brockville, Dec. 4.—Thomas McCloskey, farmer, residing three miles from Chesterville, while operating a power sawing machine on his farm had the misfortune to have one arm caught in the machine and later it was amputated above the elbow.

Bishop Bidwell and Dean Starr left at noon for Toronto, to attend a meeting of the social service committee of the Anglican Church.
