JAPAN WAKING UP TO THE ADVANTAGES OF MUSIC

Urging Musical Education of the People in Order That She May Take Place Among Great Nations.

Not long ago a cable from Japan announced that His Majesty the Emperor had conferred on the four professors of the Musical Academy of Tokyo, the Sixth Order of Merit, and decorated them with the Order of the Sacred Treasure, in recognition of the services rendered in musical education.

It requires no lengthy explanation to perceive what effect music has on the national thoughts and the social condition. To regard music as a mere idle pastime and leave its cultivation uncared for, is a grave danger to our country.

What is Ensemble Music? Ensemble music is music with different parts or voices sounding simultaneously.

The term ensemble music is, as a rule, used with reference to instruments. From the earliest beginning a child should have the constant opportunity to learn to appreciate good music in the same manner as he is taught the elements of speech.

The Musician's Responsibility. None should be more keenly aware of the grave danger to musical advancement which an abuse of their power entails, than the artists themselves.

If your phonograph is the needle playing variety never neglect to change the needle when changing the record.

MINIATURES PROMISED

New York Society Covers Unique Field in Ensemble Music.

The coming musical season will witness the fifth series of concerts to be given by the New York Chamber Music Society.

This chamber music society stands today as the culmination of an ideal conceived by Miss Carolyn Beebe, who as pianist of the ensemble, directs its activities.

Be Liberal With the Choir. If there is one place in which overgenerosity in expenditures is seldom, if ever, seen it is the allowances that church committees make for their choirs.

The Child's Opportunity. The time to begin to teach a child to appreciate music is when the mother croons her first lullaby to her babe.

Music, The Refiner. Through music, the child, partially and unconsciously at first, but more definitely as he grows, enters into the unseen world of beauty.

Picture Your Exercises. Beginners at the piano sometimes find their exercises tiresome therefore their interest must be stimulated, and creative little mind pictures for every exercise is interesting.

PUBLIC SERVICE RECORD

THOUSAND ARTISTS VOLUNTEER IN FREE CONCERT SERIES.

Enterprise of New York Globe Brings Music to the Masses and Increases Concert Audiences.

A splendid record of public service through music and of material aid to the spread of the art itself, is that of Charles D. Isaacson, noted equally as editor of the New York Globe's "Family Music Page" and as manager for his paper of a unique series of first class free concerts in schools, camps and factories.

The chief centre of the Globe free concerts is in one of New York's largest high school auditoriums. Admission is open to members of the Globe Music Club, which requires no dues and which numbers at present some 13,000 signed adherents.
