The Lists Approved.
At a committee meeting of the Veterans' Municipal Committee, held in the office of the G.W.V.A. on Friday evening, the name of M. M. Hood was withdrawn from the list of candidates for the Board of Education, and Rev. R. J. Wilson was adopted as the candidate for St. Lawrence ward. Dr. Wilson has consented to be a candidate. A deputation from the Trades and Labor Council was also present and presented their list of candidates. This list was approved for the candidates for St. Lawrence ward. An announcement regarding the candidates for school trustees will be made in the course of the next few days.

Will Not Raise a Fund.
In response to a number of enquiries regarding the possibility of having a Christmas tree for the children of soldiers this year, the Whig announces that as most of the soldiers are now back from overseas, only a very few are still being in England. It was not thought advisable to raise a fund for this year. It was felt that on this occasion, the first Christmas which many soldiers have spent at home for three or four years, there would be a desire on their part to celebrate the festival as one of family reunion in their own homes, and therefore it would not be advisable to have any public Christmas tree.

And the Price Still Going Up.

Stomach and Liver Trouble

Once the liver fails to filter the poisonous bile from the blood, there is a clogging up and poisoning of the whole system, which causes many troubles to arise. Therefore, upon the liver, more than any other organ of the body, depends the general health.

Carelessness and neglect, and oftentimes wilful disregard of nature's laws will put the system out of sorts. The bowels become constipated, the liver inactive and the stomach upset.

To bring the system back to its normal state, you should take Milburn's Laxa-Liver Pills. They "run up the liver, get the bowels back to their proper condition and tone up the stomach."

Mrs. G. L. Cackett, Enchant, Alta., writes:—"I have used Milburn's Laxa-Liver Pills and have found them good for both stomach and liver troubles. I have told others about your valuable medicine and they have used them with good results."

"They are also good for headache."

Milburn's Laxa-Liver Pills are 25c a vial at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
