## GUM TENDERNESS — A TOOTH-MENACE

It is true that four out of five people over forty suffer from gum shrinkage, or Pyorrhoea (Riggs' Disease). But many people even under thirty have Pyorrhoea. Women, particularly after the baby comes, are peculiarly subject to Pyorrhoea. At such times they cannot be too careful about their teeth.

Pyorrhoea commences with tender gums, or with gum-bleeding, at tooth-brush time. Gradually the gums become spongy. They inflame and then shrink. The teeth become exposed to decay at the base and tiny openings in the gums become the breeding places of disease germs which infect the joints — or tonsils — or cause other ailments.

Beware of that first gum tenderness! Try Forhan's for the gums. It positively prevents Pyorrhoea, if used in time and used consistently. No ordinary tooth paste will do this.

And Forhan's cleans teeth scientifically as well. Brush your teeth with it. It keeps the teeth white and clean. If gum-shrinkage has already set in, start using Forhan's and expect a dental immediately for special treatment.

## WOLFE ISLAND BAY FROZEN

### AND THE STEAMER CANNOT REACH THE WHARF.

Much ice in the American Channel — Daniel McGlynn to Supply Hay and Oats to Rockwood.

Wolfe Island, Dec. 17.—On the 8th of December, 1917, we were visited by a snow storm that completely demoralized traffic for several days. Seven days later the steamer Wolfe Islander made her last trip for the season, and on the 17th of the same month Messrs. Card and McDermott crossed with horses to the city.

The Wolfe Islander was unable to reach the wharf at Wolfe Island on her afternoon trip on Wednesday. She carried a record load of freight. McDermott and Woodman, drove horses and sleighs alongside the boat and the freight was transferred and driven about half a mile to land.

### LATE A. H. NORRIS, ALTHORPE.

Postmaster Thirty-eight Years—Edgemoor, S.S. Superintendent.

Althorpe, Dec. 18.—On Wednesday, Dec. 18, death claimed Albert H. Norris, sr., one of Althorpe's most highly esteemed residents, at the age of seventy-nine years. Although deceased had been ill for some time, his passing away came as a great shock to his wife and family. In 1871 he married Elizabeth Robertson, who with one son, William J., and two daughters, Misses Lizzie and Maggie, are left to mourn the loss of a kind and loving husband and father. He was a member of a large family, three of whom are still living, viz.: John, of Althorpe, Thomas, of Boilingbroke; and Mrs. R. Mitchell, of Clue, New Ontario. Those predeceasing him were: Mrs. Ewen Cameron, of Bathurst; Mrs. Alexander Menzies, and James and Joseph of Althorpe.

Mr. Norris was a man of high principles and noble character and beloved by all who knew him. He was postmaster of Althorpe for thirty-eight years; he also carried the mail between Althorpe and Maberly for a number of years, and was a councillor for two terms, besides being trustee and secretary-treasurer of the school for a long period. In politics, the deceased was a reformer, and in religion a devoted member and elder of the Presbyterian church, which has lost one of its main supporters. The Sabbath school has also lost a faithful teacher and superintendent.

The funeral service was conducted at the house on Saturday at one o'clock by Rev. Mr. France, pastor after which the remains were taken to Westport and placed in the vault, the burial service being conducted there by Rev. Mr. Bourque. The pallbearers were his six nephews, Thomas, John, Albert and Duncan Norris, James Kilpatrick and Joseph Menzies.

## SICK HEADACHES

For Last 10 Years

Headaches affect all ages and both sexes alike, but in all cases the treatment should be directed to remove the cause, for with the cause removed the headaches vanish for all time.

What is necessary for a permanent cure is something that will go right to the seat of the trouble. For this purpose it is impossible to find a better remedy for headaches of all description than Burdock Blood Purifier, acting as it does on every organ of the body to strengthen, purify and regulate the whole system.

Mrs. Flora Hall, Dominion, N.S., writes:—"I have been troubled with sick headaches for the last ten years. I had lost faith in all remedies until recently a friend of mine advised me to try Burdock Blood Purifier. This I did, and found relief in a very short time. I would now recommend B. B. to anyone who is suffering as I did. I only took 3 bottles, and am never troubled with sick headaches any more."

B. B. has been on the market for over 40 years. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

The merchandise we are offering in this great Sale cannot be duplicated for next Fall under 25% to 30% more. # The Lion's Great "Champion" Sale at Its Height Saturday, December 20th

You'll believe in Santa Claus if you attend this great sale.

Owing to the extremely mild weather which we have had and being heavily stocked with winter goods and limited space, much to our regret, we find we will have to dispose of our stock at a great loss, as we ourselves will have to pay more for these goods next season. In these days of high prices, rising costs everywhere, it is unusual to offer reduced prices before Xmas. Knowing that the public would appreciate this at this time and having been showered with liberal patronage since coming to Kingston, we thought this would be a good time to show our appreciation.

You'll believe in Santa Claus if you attend this great sale.
