"THE MEN'S STORE"

HAS TAKEN POSSESSION

ONE OF MACHINES USED IN FOUNDRY

Thomas G. Bishop, owner and proprietor of the Angrove Foundry Company, has taken possession of his new property, and is open for any sort of contracts. The property consists of the Angrove iron foundry and the adjoining machine shop that was occupied by George Wright. Mr. Bishop has combined the two, and by extending the plant and installing new lathes and other machinery has one of the most up-to-date iron working plants to be found anywhere in Ontario. In addition to casting iron and brass, he makes a specialty of acetylene welding, and is able to turn out the finest machine work. This year he manufactured six steam winches

for hoisting anchor cables. All of them were successfully installed on large lake vessels, and are giving splendid service. These winches permit of the use of wire cable, which results in a great saving to the ship owners. These winches were cast, machined and assembled at this foundry.

Mr. Bishop, who is an engineer and machinist, has been seven years in Kingston, and formerly conducted a shop at the foot of Princess street. His new plant is located at the corner of King and Queen streets, and is a credit to the industry of Kingston. Mr. Bishop makes a specialty of marine work, but is equipped to undertake heavy and light general repairs.

GAVE A SILVER SERVICE

TO HIGH CHIEF GRIPMAN H. COOK ON NEW YEAR'S EVE.

The Knights and Their Wives Had a Fine Spread at the Randolph With Speeches and Songs.

The annual banquet of the Knights of the Grip took place in the Randolph Hotel on Wednesday night for the first time since 1913. The feature of the occasion was the presence of the wives of the knights and the presentation of a silver service to High Chief Gripman H. Cook, traveler for the Kingston Milling Company. The presentation was made by Past High Chiefs Stewart and McMahon, both of whom gave very appropriate addresses, in which was expressed, in the highest terms, the esteem in which Mr. Cook is held by his brother travelers.

Mr. Cook acted as toast master, and after the splendid dinner three toasts were drunk, first "The King" and then the "Guests" and "Returned Soldiers." Canon W. F. Fitzgerald responded on behalf of the guests, and gave one of his brilliant and humorous addresses. James Sutherland, F. Moxley and J. Leckie responded on behalf of returned soldiers. A splendid musical programme was rendered by Allen's Orchestra, and Mrs. Evans sang a number of songs very sweetly, receiving prolonged applause.

There were 130 present, including many knights from outside the city. After the speeches, the dining hall was cleared, and dancing was indulged in until a late hour. The banquet was one of the most successful ever held by the Knights of the Grip.

MCCBRIDE-SUTHERLAND

Wedding in St. Paul's Church on Wednesday at Noon.

The marriage of Anita Margery, elder daughter of Captain and Mrs. James T. Sutherland, to Ertle Stanley McBride, of Toronto, was solemnized on Wednesday, Dec. 31st, at high noon, in St. Paul's church, Canon W. F. Fitzgerald, M.A., officiating. The bride, who was given away by her father, was gowned in a travelling suit of brown broadcloth, trimmed with Russian sable, and wore a fawn beaver picture hat. A corsage bouquet of opheelia roses completed her costume. She carried a white Ivory Prayer Book, the gift of the officiating clergyman, from which the marriage service was read. Miss Ethelmay, sister of the bride, wearing a frock of taupe charmeuse, with a corsage bouquet of pink roses, was bridesmaid, while George L. Spargo acted as best man.

There was no reception after the ceremony, the bride and groom leaving on the noon train for the east. Early in the new year the happy couple will proceed to Toronto, where they will reside.
