OTTAWA WANDERERS WIN

DEFEAT THE KINGSTON INTERMEDIATES BY 6 TO 4.

Brothers Played In the Nets For Both Teams—The Ottawa Players Are a Good Team.

The Ottawa Wanderers won from the Kingston Intermediates in an exhibition hockey match on Wednesday night by a score of 6 to 4. The visitors obtained the lead in the first period and retained it throughout, except for a brief space in the second period when the score was 4 to 4. This was changed by Morrison. In the third period Kingston strove vainly to pull up but G. Burnett scored again for the visitors. The Kingston team went into the game full of confidence and were picked winners. They should have won, but hard luck and the star goal keeper, Toban of the Wanderers, who, strange to say, is a brother of Kingston's goal keeper, contributed to their defeat. The local team had the best condition. The local team had lots of support from the fans, but the attendance was not large.

The game was called at 8.35, and within two minutes Brown scored for Kingston. He was followed by J. Stewart, Kingston's veteran player. The game became very fast from this point and the three Burnett brothers scored for the Wanderers in succession. Brown had the misfortune to injure his neck and had to go off. The period ended 3 to 2.

The second period opened at 9.22 with Kingston the aggressors. J. Burnett was the first to send the puck into the net securing a lead of two goals, but Brown, who returned to the ice, tied the score by two goals in succession. The Kingston enthusiasts were not given long to enjoy their satisfaction for Morrison made a lucky shot into Kingston's net and the period needed 5 to 4.

The last period was called at 10.15 and was a bitterly fought contest. The Kingston defence joined in rushing the puck and despite momentary openings failed to score. In this period only superior work on the part of Ottawa's goaler saved the lead. Early in the period, G. Burnett scored and the remainder of the game saw Kingston striving vainly to score. The period ended 6 to 4 for Ottawa. The stars were: For Kingston, J. Brown, J. Stewart and "Bouncer" Brouse; for Ottawa, Toban, goal, and G. Burnett, centre forward.

The line up was: Ottawa, Toban goal, Morrison and O'Neil defence; G. Burnett, centre; J. Stewart and Ford wings; subs., J. Burnette, W. Burnette, Borne, Kingston—Toban goal; Stanton and Brouse defence; J. Stewart centre.

Every Woman's Ambition For Rosy Cheeks Now Easily Satisfied

Hollow cheeks with dark lines under the eyes, how a woman hates them!

But rosy cheeks, clear skin, and bright eyes, give them to a woman and she is happy.

The woman who attracts, whose fresh, dainty complexion compels admiration, is always careful of her health, particularly of her blood condition. Bad complexion always means bad blood.

Girls, don't let your blood grow thin or watery. To do so brings on sagged looks and declining strength. Many a woman who has allowed herself to run-down, to develop that tired, worried look has built up again in this simple way. Why don't you try it?

At the close of every meal, just take two small chocolate-coated Ferrozone Tablets—any person can do this in a minute. The action of Ferrozone is apparent at once. It sets you up, makes you feel good, starts your appetite, aids digestion, brings that old-time feeling of youth into the system again.

Ferozone puts you on the right road—the one leading to health. Not a man, woman or child needing blood, vigor, endurance—not a person who is weak, nervous or sickly, not a person in ill-health who won't receive immediate help from Ferrozone.

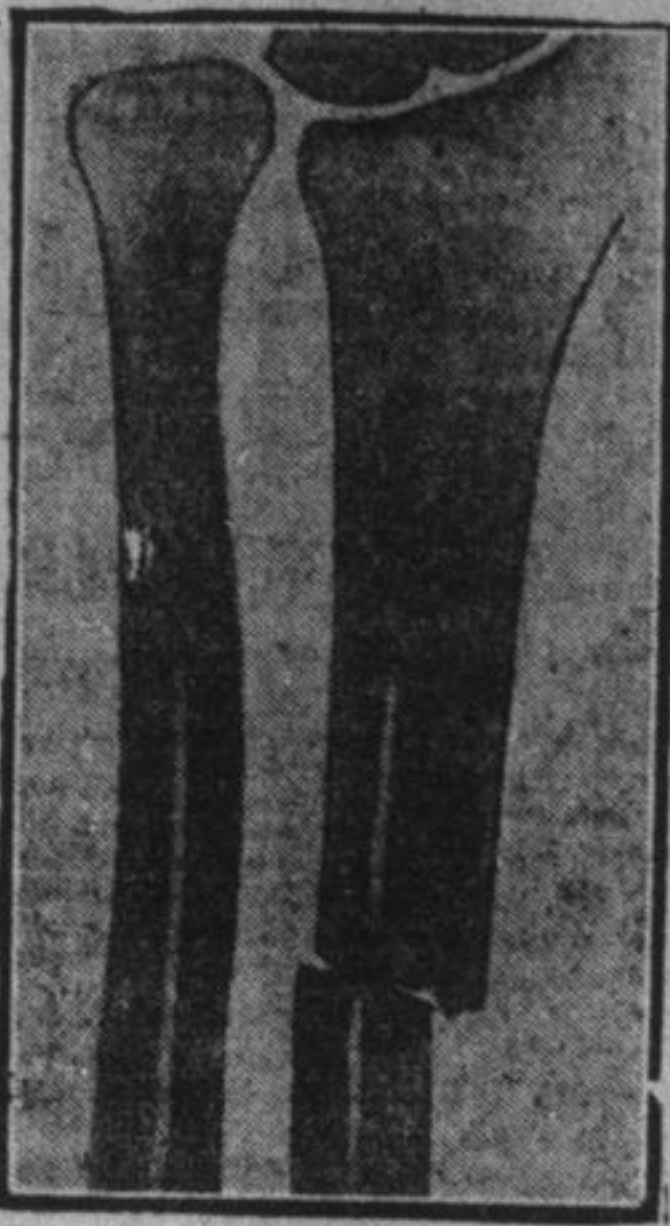

As a tonic and restorative, as a health-bringer and body-builder, Ferrozone is unrivaled. It cures because it feeds and nourishes, because it contains the elements that build up and strengthen. For better looks and better health try Ferrozone yourself, sold everywhere, 50c per box, 6 boxes for \$2.50.

BASEBALL NOTES.

Eddie Collins rises to remark that he has not the least ambition to accept the responsibility of managing a big league club until his playing days are over, and he adds that he expects to keep on playing for a few years. Collins makes his position clear because he has been mentioned as likely to succeed Kid Gleason.

ARRANGING PRACTICE HOURS FOR TEAMS

James Bews, manager of the covered rink, is very busy arranging for practice hours for the different hockey teams. Since the rink opened this season there has been very little difficulty in getting suitable hours. Now that the hockey games are being played on Monday, Wednesday and Friday evenings, it means that the practice teams have certainly no "kick" this winter about practices, as the ice is seldom not in use.

KENNY'S BROKEN ARM
An X-ray photograph of the right arm of "Wild Bert" Kenny, of New York, taken at St. Michael's Hospital, Toronto, New Year's afternoon, after his unsatisfactory bout with battling Levinsky, of New York, at the Arena Gardens. The arm was pronounced broken by Dr. Hugh M. Cook, Dr. John H. Hurley and Dr. T. N. Callaghan, of St. Michael's Hospital. The latter had the X-ray plate taken and afterwards replaced the broken bones and put the arm in a plaster cast. It will be three months before Kenny can enter the ring again.

WILDE SIDETRACKED.

His Contract Cancelled Because of Poor Showing.

The opening of the International Sporting Club at New York has been postponed until the completion of its clubhouse, which is expected to be late in the summer or in the fall. In making this announcement, Secretary Empe also stated that Jimmy Wilde's contract with the club had been cancelled, and the little Englishman will not have the honor of opening the most important club in the history of the American ring.

Wilde's contract was cancelled because of his poor showing against Jack Sharkey, who recently defeated the little Englishman in a bout at Milwaukee. Wilde was a disappointment, and the officers of the International Sporting Club decided that he would not do for the opening attraction. A clause in the contract permits the club to cancel the match if Wilde's drawing power becomes affected.

It was originally planned to open the club in temporary quarters in the Lexington Opera House with Wilde and Joe Lynch as the readliners. Now that the match has been called off, there will be no further attempt to hold bouts until the club is located in its own clubhouse. This will not be finished until late in the summer.

Carpentier May Visit America.

George McDonald, who came from England some weeks ago as advance agent for Charles E. Cochrane, the British promoter, who seeks to match Jack Dempsey and Georges Carpentier for a heavyweight championship battle to be staged in London next June, called for Europe yesterday on the S.S. La France. McDonald is going back for the purpose of signing Carpentier to a contract for a theatrical tour in this country and expects to reach these shores with the French idol in tow within a short time.

Cochrane is now in America, but has not yet succeeded in obtaining Dempsey's signature to an agreement to fight for him.

Collins makes his position clear because he has been mentioned as likely to succeed Kid Gleason.

Dave Robertson, somewhat disappointed over the showing which he made after joining the Cubs last season, writes from his home in Norfolk, Va., that he is taking light exercise and hopes to make 1920 his year in baseball.

Nick Altrock is to perform in two leagues this year. After the close of the American League campaign Nick is to be loaned to the San Francisco club of the Pacific Coast League to show his funny antics among the Coast League circuit.

Joe Guyon, a member of the noted family of Indian athletes who was a star with the Georgia Tech football team two seasons back, has signed with the Atlanta club of the Southern Association for the coming season.

Jim Thorpe is said to be balking about a transfer to the minors, in view of the fact that he hit so well for the Boston Braves last year. The Boston officials say that they would gladly have sent Thorpe to another major league had any put in a claim for his services.

Donie Bush was a long time signing his contract a year ago, but there will be no holding out this year. Bush had agreed to terms before 1919 faded out.

The 1920 championship campaign in the Pacific Coast League will get under way on April 6th and will continue for twenty-eight weeks, closing close to Nov. 1st.

Players Wintering In Cuba.

Among the thousands of sport-loving Americans who are in Havana for the racing season are many well-known baseball players, who are either there for pleasure or are employed in various capacities. Among the number is Larry Doyle, the Giants' clever second baseman, who is employed in one of the books. Frank Sobuts, the former Cub player, now with Toronto, is also working for a bookmaker. Others are: Ed. Holly, another former Leaf; Hans Lobert, formerly with New York and Cincinnati; and Bill Shipke, at one time with Washington, but later manager of the Omaha Western League Club.

Holly is working in a book, while Doyle is keeping in excellent health by long early morning hikes over the fine country roads and an occasional plunge in the surf at Marianao Beach, where surf bathing is popular among the racing fraternity during the winter months.

Didn't Like Worrying Him.

At a Manchester hotel a lady came down from upstairs and asked the manager if she could get a glass of water.

"Why, certainly, madam," said he, filling up a glass for her.

Two minutes later she was back in the office again.

"I don't like to trouble you," she said, "but could I get another glass of water?"

"No trouble at all, madam," said the manager, handing her another glass.

Two minutes later she appeared again.

"Certainly, madam," said the affable manager, "but may I inquire what you are doing with so much water?"

"I know you'll just scream when I tell you," said the lady; "I'm trying to put out a fire in my room!"

One at a Time.

A man from the north of Scotland, visiting Glasgow, was "boned" by a Salvation Army lass, and he gave her a sixpence. Turning into another street, he was again asked for a contribution. "Na, na," he said, "I gied a sixpence to ane o' your folk from the corner just noo." "That was very good of you," said the girl. "But then you can't do a good thing too often. And besides, you know, the Lord will repay you a hundred fold." "Aweel," said the cautious Scot, "I'll just wait till the first transaction's finished before we start the second."
