UNDER-INSURANCE

The purchasing power of the 1914 dollar is 47c. today. If the contents of your house, factory, office or shop were destroyed by fire it would cost you double as much money to replace them as in 1914. If you have not increased your insurance proportionately, you are skating on thin ice.

We are agents for some of the best Fire Insurance Companies in the business. Let us talk the situation over with you.

Erzberber Plans Their Recovery From Switzerland.

Berlin, Jan. 13.—Speaking in the Biberach district of Wurttemberg, Mathias Erzberger, Vice-Chancellor and Minister of Finance, declared that he proposed to conclude a treaty with Switzerland enabling the recovery of German capital smuggled into that country in 1919. Should the measure fail of its objective, Herr Erzberger asserted he would authorize the Entente to seize such fortunes and credit them in the indemnity to be paid by Germany.

Erzberger has advertised for 3,000 additional rooms to accommodate the staff which he says will be required to administer new tax measures soon to become effective.

Returning from a speaking tour in South Germany, Erzberger announced that additional taxing measures would be submitted to the assembly.
