Keep It In Mind.
Remember, girls, 1921 is leap year. She who hesitates is lost.

She Sold Her Residence.
Mrs. Joseph P. Stapleton, Wellington, has sold her residence to Mr. Wannamaker of Cold Creek. She will not move until April.

Had to Hurry West.
Rev. Dr. Crummy, Moose Jaw, who came east with the remains of his mother, left shortly after the funeral at Frankville in order to fill an engagement at Edmonton on Sunday.

Deseronto's Population.
While it is a little early for the assessor's figures, Deseronto will start the new year with about 1,800 people, says the Post. The assessor's total last spring was 2,021, but these figures were made up before the iron works closed. Since that plant shut down some forty families have been forced to move out of town.

Booze and Suit Cases.
As a result of the recent raids pulled off by the police, there is quite a stock of booze, suit cases and club bags in the possession of the police. The sealed liquor is divided among the hospitals and charitable institutions, and it is suggested that the police hold an auction sale to get rid of the suit cases and club bags.

Double Holidays.
Even if this is leap year, it has its compensations. Victoria Day, the earliest holiday apart from Good Friday, falls this year on a Monday; Labor day comes on the first Monday in September of course, while Christmas and New Year's will fall on Saturdays, each holiday leaving free two consecutive days for enjoyment.

Paid Twice a Month.
Thanks to the police commissioners, the members of the Kingston police force are now being paid twice a month, on the 1st and 15th day of the month. The change is a most welcome one to the members of the force. Another change is that of paying the men by cheque on the Bank of Nova Scotia.

Should Install Smoke Ventilators.
In view of the smoke nuisance at the covered rink, and the fact that so many insist in smoking everywhere

Col. Ham on Visit to States.
Col. George H. Ham, of the Canadian Pacific Railway, left on Tuesday for Florida and the southern states. He is combining a business trip and a trip for the benefit of his health. He will be away for about three months.

To Teach at Perth Road.

Ice Found All Right.
The ice in the harbor 300 feet out from the Rathbun wharf, King street and the Kingston Ice Company has been given a permit by the Board of Health to cut their domestic supply that distance out.

Great For Sport.
The hockey fans and the followers of curling are delighted with the cold snap. As a result of the cold weather, the ice in the skating rink and curling rink is in first class condition, and the ice makers are experiencing no trouble whatever in making ice.

Added to the Staff.
Lieut. "Bill" Wallace has been appointed assistant with Lieut. Lorne Green at the Belleville office of the Department of Soldiers' Civil Re-employment. Owing to the distribution of the general appropriation fund, a larger staff was greatly needed in the office.

Bicycles Still Going.
Kingston has a large number of very enthusiastic bicycle riders. This has been manifested during the cold weather of the past few days, as quite a number of bicycles have been noticed on the street. Riding a bicycle, with the thermometer showing twenty-one degrees below zero, is some "stunt," so Kingstonians will please take off their hats to the veteran bicyclist.

Likely Shot Himself.
With a bullet wound under the chin, penetrating to the brain, the dead and frozen body of William Gilland, aged seventy, a retired member of the Irish Constabulary, who lived alone in a small frame building at the head of the locks, one mile west of Cardinal, was found on Tuesday. Dr. Charles F. McPherson, Prescott, coroner for the county of Grenville, decided that the man had been drinking and had shot himself.

A Community Nurse.
Miss Comerford, Eldorado, a trained nurse, has been appointed community nurse at Sulphide. Nurse Comerford spent three years in war service overseas. She has been engaged by the Nichols Chemical Co. and is in charge of the company hospital there. It will also be her duty to visit regularly the homes of the employees, giving such help and advice as is found necessary. The company is to be commended for this magnificent contribution to the community life of Sulphide.

Combined Sugar.
Purchasers are finding that when purchasing granulated sugar it is necessary to take yellow sugar with the white. The same is true all down the line. A wholesale dealer received a consignment of a carload of white sugar, and with it came an equal amount of yellow sugar. The retailers are sent an equal amount of each when they send their orders, so that householders need not grumble when they are treated to the same arrangement. The grocers are obliged to do this from now on.

Gas Prices at Deseronto.
Deseronto council at its inaugural meeting decided to raise the price of gas from \$2 to \$2.50 per thousand feet, beginning Feb. 1st. In addition to the new rate, a meter rent of fifteen cents per month will be charged. All gas bills must be paid before the twelfth of the month. Frank Brennan was appointed assessor at \$100 per year. Edward Cole becomes a member of the Board of Health. Under a new act, Dr. Boyce was appointed medical attendant on people who are unable to pay for medical services. Rev. E. Radcliffe was re-appointed a high school trustee.
