YEAR 87; NO. 17.

KINGSTON, ONTARIO, WEDNESDAY, JANUARY 21, 1920.

LAST EDITION

ARE ON HAND FOR BARTER WITH THE ALLIES

The Russo-Allied Pact Will Be Far-Reaching-The British People Would Oppose War With Soviets.

Berlin, Jan. 21 .- Great concern is try at large; manifested by the German press at the Supreme Council's decision to allow the resumption of commercial relations with the Russian people, on hereby endorse the general request a basis of reciprocity between Allied and neutral countries and Russia.

says this implies, a day after world be deleted." peace has come into force, the continued division of the world into Allied and neutral, and, therefore, also mostile countries.

It would appear Germany is not to sia. This occasions anxiety to Germans who regard the resumption of trade relations with Russia as of the the utmost importance.

The Vossische Zeitung says: Exchange of goods on a basis of recipro-Russia for anything to reach the territorial ambitions in Siberia. starving population apart from the Bolshevist troops.

Oppose War With Soviets. London, Jan: 21.-Lord Northcliffe continues to combat the idea of any relationship with the Soviet Government, and is throwing the whole strength of his newspapers into the fight. Winston Churchill, among the statesmen, is taking a similar line and seems to have the support of the army and the navy. Just what these gentlemen want is not clear. Even the boldest of them hardly would advise a great war against the Soviets. They cannot be blind to the fact that such a policy would be repudiated by the over- of the family of seven, with serum And to Demand That France and Whelming mass of British citizens, received from Washington. This with organized labor at their head.

ONLY ONE DAY'S GRAIN RESERVE WAS ON HAND

In Budapest on Jan. 11th-Snowfall May Cause Starvation in Hungary.

Paris, Jan. 21.-Sir William Goode, British Director of Relief, has received despatches from the British The Jugo-Slavs Stick to the Line Drawn Mission at Budapest, saying that on Jan. 11th there was only one day's grain reserve, and that the heavy snowfall would doubtless result in starvation

The immediate cause of this small reserve, it is declared, was Serbia's refusal to permit the passage of foodstuffs purchased by the Hungarian Government. The British representative termed the situation, "playing

with death.' The British Mission representative said that the rich had small supplies. Great Britain Execute Purely the but, if requisitioned, they would add only a couple of days' reserve. WERE SHELTERED UNDER UNION JACK

Citizens of the United States Safe Only in British Consulate.

San Antonio, Tex., Jan. 21.-It was under the British flag that Americans, in Mexico at the time Vera Cruz was occupied by Americans, were given a refuge, Dr. John Hunter told the senate sub-committee, investigating the Mexican situation. He was in Guadeljara at the

The newspapers, Mr. Hunter said published stories that Mexicans already had captured all the American towns on the border except El Paso and that the Mexican prisoners at Fort Bliss, who killed 500 American soldiers, were marching on that town. The article added the Americans were fleeing northward with

the Mexicans in pursuit. This "news" so excited the Mexicans, the witness said, that they were shouting advice to each other to kill every American in Mexico. The Americans in Guadalajara went to the British consulate while the American consulate was being sacked, later escaping from Guadalajara to the port of Manzanillo.

DEARER PRICE OF BREAD

Public Must Bear it, Says the Board of Commerce. Ottawa, Jan. 21 .- The Board of Commerce monthly report on the Dominion for the month of November shows the average price of flour to have been \$10.63 against, \$10.72 in October, which is taken to indicate that the trade is using more winter wheat flour at a lower price. yield of bread per barrel in October. and November 263, equivalent to 177 loaves of one and a half pounds each

for October, and 176 for November. The board says fewer reports were received, as compared with the previous month, but the number tabulated and the results from same are fairly representative of conditions existing in November.

Notwithstanding general efforts in the way of expensive advertising to agree that Italian national rights in Stopped Her Auto in a Prohibited increase bread sales. November consumption.
