To Build Engines.  
It is stated that engines and equipment for Belgium are being ordered in Canada through the government, and it is understood that the Locomotive Works here will get a number of engines to build.

A Nine Days Wonder.  
The advancing prices of all kinds of goods is a source of surprise and wonderment to many housekeepers. They squirm at paying the prices, but after a while they come to it, and all the time hoping that some day some things will fall in value.

Take Down the Names.  
The police should make a note of the property where snow shovelling has not been proceeded with. The law permits the city to clear the walks and charge the costs to the property. There are many places that need attention.

A Cut in Electric Rates.  
Renfrew's public utilities are on a paying basis. The municipal power plants have done so well during the past year—that it has been decided to reduce the rates for current for domestic and commercial use, the former from 4c, 2c, 1c to 3c, 2c, 1c per kw. and the latter from 7c, 4c, 2c to 6c, 3c, 1c per kw. A minimum of a floor area charge will be retained.

Given a Hearty Welcome.  
On Tuesday, at St. Vincent's rectory, Cape Vincent, N.Y., a dinner was given for Rev. Robert DuFord, who succeeds the late Rev. J. F. Byrne as pastor of St. Vincent's church. Following the dinner a reception was held which was well attended by the members of the parish and their friends. The beautiful

ful rectory, so well arranged for such a function, seemed to add to the welcome of all.

Township Officials.  
In the township of Elizabethtown the council appointed A. A. Orr a member of the local board of health, Victor B. Rowsom and Harry Throop assessors, George H. Takaberry, school attendance officer for the whole township, and Charles W. de Carie and S. N. Olds, auditors.

**ANOTHER EPIDEMIC OF THE SPANISH INFLUENZA**

A great many authorities have predicted a return of that terrible plague which swept Canada from one end to the other not long ago and left so many deaths in its wake, and those who did survive were left in a great many cases with some serious after effect such as weak heart, shattered nerves, impoverished blood and a general weakened and exhausted condition of the system.

If you are run down, heart not just right, nerves a little shaky, take a few boxes of Milburn's Heart and Nerve Pills and fortify your system against this terrible plague.

If you had the "Flu" before and it left you with any bad after effect Milburn's Heart and Nerve Pills will bring you back to health and strength.

Mrs. C. C. Palmer, Keppel, Sask., writes:—"I wish to inform you of the great good Milburn's Heart and Nerve Pills did for me. After a bad attack of the Spanish influenza my heart and nerves were left in a very bad condition. I got two boxes of your pills and must say they are the best I ever used, and I have taken a great many different kinds. I will always keep Heart and Nerve Pills in the house."

Price 50c. a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Forbear is a trouble saving word.

**HE DARKENED HIS GRAY HAIR**

Tells How He Did It.

Mr. J. A. McCrea, a well-known resident of San Francisco, who was called Daddy and Grandpa on account of his white hair, and who darkened it with a horse-made mixture, recently made the following statement:

"Anyone can prepare a simple mixture at home that will darken gray hair, and make it soft and glossy. To a half-pint of water add 1 ounce of bay rum, a small box of Orlex Compound and 1/4 ounce of glycerine. These ingredients can be bought at any drug store at very little cost. Apply to the hair twice a week until the desired shade is obtained. It does not color the scalp, is not sticky or greasy and does not rub off."

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyntha's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.
