OFFER OF COUNTY COUNCIL

TO PAY \$3,000 TOWARDS SHARBOT LAKE BRIDGE

The Standing Committees Appointed For the Year—The Suburban Road Area Commission Wants \$48,000 This Year.

When the county council met again on Wednesday afternoon, the striking committee submitted its report recommending that the standing committees for the year and the report was adopted. The committees are as follows:

Finance—Councillors Truscott, (chairman), Hamilton, Sproule, Spankie, Kane, Halliday, McGregor.

Good Roads—Councillors Clarke, (chairman), Truscott, Matland, Patterson, McFadden, Dennison.

Property—Councillors Matland, (chairman), Hamilton, Clarke, McFadden, Dennison, Patterson and Halliday.

Roads and Bridges—Councillors Gray, (chairman), Gemmill, Drew, Patterson, McFadden, Armstrong, McGregor.

Printing and Education—Councillors Halliday, (chairman), Kane, Spankie, Hamilton, Truscott, Armstrong, Sproule.

The Suburban Road Area Commission asked that the sum of \$48,000 be provided for the work this year, the amount being apportioned as follows: Machinery \$15,000; construction, \$15,000; maintenance, \$15,000. The county auditor submitted his annual report which showed that for 1919 the revenue exceeded the expenditure by \$657.95. This shows how carefully the council and the officials administered the affairs of the county. The auditor drew attention to the fact that according to the statutes, trustees of a school could not act as secretary or treasurer, whereas in the case of the Sydenham High School two of the trustees had acted in that capacity, one as secretary and the other as treasurer.

On motion of Councillors Gemmill and Drew, the council decided to pay \$3,200 towards the construction of the Sharbot Lake bridge as proposed by the Public Works Department of the Ontario Legislature through W. D. Black, M.P.P. The proposal submitted by Mr. Black from the department engineer was that there should be a fill of 200 feet and a trestle bridge of 320 feet, the cost being estimated at \$5,000. Mr. Black will try and have the bridge proposition put through at Toronto as soon as possible so that the work may be started.

The council adjourned till 2 p.m. Thursday in order to allow the committees to meet and transact business.

A prospector named Magten, of Sherbrooke, has discovered the mine and experts who analyzed it state that it is of the richest and clearest kind available.

FLOUR BAG COMES BACK FROM MONS.

Owen Sound, Jan. 29.—An interesting war souvenir was received yesterday by the county council from the Georgian Bay Milling Company. It was a bag which had contained flour from the company's mill, sent as part of Canada's first contribution to the relief of starving Belgium. Found in Mons by a Mesford man, a member of the first Grey County Battalion, it was brought home by him, returned to the company, and by it presented to the county.

VETS BUILD BIVVY BEFORE TORONTO CITY HALL.

A front view of the sand bag bivy partially erected by Toronto veterans Saturday afternoon in front of the City Hall. The bags were filled with sawdust by the veterans and then carried to the scene and built up by forty volunteers. Shown in the centre of the picture is Mike Sullivan, appointed by the U.V.L. as Toronto organizer for the building of the dug-out.

Citizens Decide to Start Campaign for Progress.

Brockville, Jan. 29.—Local support of local industries was the chief topic of discussion at a citizens' meeting called by Mayor Lewis, with an attendance of some 350 rate-payers.

The institution of a campaign to raise the sum of \$5,000 annually for three years, with an equal sum which the town council and public utilities commission will be asked to provide for the maintenance of industrial propaganda work, was decided upon by the meeting.

There is now a surplus of 8,000 horse-power in the St. Lawrence hydro electric system with which Brockville is now hooked up, and if this were made use of, the chairman of the public utilities commission stated that the rates would drop from \$25 to \$18 per horse-power.

This fact will be utilized to attract American industries here.

In connection with the meeting it was decided to organize an investment company to sell bonds to local subscribers for the purpose of investing the proceeds in industries which decide to locate in Brockville.

Mayor Lewis announced that applications had been made to Toronto for provincial funds to erect fifteen houses under the housing commission plan.

LABOR TO HAVE AGENT

At Ontario Legislature, Says P. M. Draper.

Ottawa, Jan. 29.—"Labor will have an agent at the Ontario legislature this session, but we have no one in view yet," said P. M. Draper, secretary of the Trades and Labor Congress to-day. "The session, I understand, won't open until March. In the meantime we will look up a suitable man. I am inclined, however, to wait till Tom Moore comes back next month from Paris."
