DID NOT ASK CANCELLATION INCIDENTS OF THE DAY

OF MOTOR LICENSE APPOINTMENT OF MR. BOURDEAU.

The Kingston Motor Club Sets This Matter Right—J. M. Hughes is Elected President of the Club.

The annual meeting of the Kingston Automobile Club was held Thursday night at the Board of Trade rooms. President George E. Smith was in the chair. T. M. Asselstine was appointed secretary pro tem.

A letter was read from the chief of police of the city asking for an opportunity of meeting with the executive of the club with a view of getting their co-operation in regard to enforcing the traffic by-laws. The executive was instructed to give the police authorities every assistance in enforcing the by-law.

The financial report showed a membership of 100, with a cash balance on hand of \$131.74.

On the question of the recent items appearing in the local press coming up for discussion, H. D. Wightman, superintendent of the Provincial Employment Bureau, read the letters passing between the Motor Vehicles Department and Mr. Bourdeau concerning the latter's appointment as issuer of licenses. This resolution was passed:

"The Kingston Automobile Club, owing to wild rumors appearing in the papers to the effect that they had been instrumental in seeking the cancellation of the appointment of Mr. Bourdeau as issuer of motor licenses for this district, wish it stated that no such action was ever taken. On the contrary, his appointment has our full sanction and endorsement, and he can command our assistance at any time. That a copy of this resolution be sent to both papers."

T. M. Asselstine, chairman of the signs committee, presented the report of that committee, showing that some 500 signs had been erected throughout the county and city at an expense of over \$300. The report recommended that the city authorities be asked to erect the parking and other signs as required by the traffic by-law.

President Smith gave a verbal report of the meeting of the Ontario Motor League held at Toronto.

The executive was asked to arrange for an outing for orphanage children during the coming summer and also to arrange a series of drives for the members and their families.

It was decided to direct the attention of the Ontario Motor League to the fact that many members are disposing of their cars, permit the league badge to go with the car, consequently there are many cars being operated carrying the badge of the league, when as a matter of fact the present owner has never been a member of the league. It would suggest that some easily removable emblem be issued to each member and that same be issued yearly and bear the annual figures.

The election of officers resulted: President, J. M. Hughes, vice-pres., T. M. Asselstine, sec-treas., J. K. Carroll; chairman of membership committee, F. H. Hughes, directors, Dr. D. A. Black, B. Abernethy, E. O. Sliiter, H. W. Davis, J. A. Minnes, A. Z. Vanuven, auditors, Dr. Black and E. O. Sliiter.

A vote of thanks was tendered to President, George E. Smith for his services during the past year. Mr. Smith was elected an ex-officio member of the directorate.

OFFERS TO PAY FINE.

Levied For a Violation of Ontario Temperance Act.

A lawyer representing Sidney Lee, formerly of Harrowmuth, who was convicted of a violation of the Ontario Temperance Act, but got out of the country without paying the fine, has written the county magistrate asking for particulars about the fine, as he thinks that a settlement can be made.

It will be remembered that Lee was convicted a couple of times and fined, but the last time when his case was called, he was found missing, but nevertheless the court imposed a fine of \$100. It is understood he is living in Watertown, N.Y., but is anxious to return to Canada.

Ask \$125,000 For Hospital.

A delegation from the General Hospital Board of Governors waited upon the Civic Finance Committee on Thursday evening and asked for a grant of \$125,000 to erect an infectious hospital building in connection with the enlarged hospital scheme, so that it would not be necessary to remove the Queen's medical college clinical department to Ottawa. The committee promised full consideration of the request.

David Purdy, former county treasurer, who has been ill recently, is reported to be improving.

The second game of the series for the Dr. Edwards' hockey cup in group A was played on Thursday between Harrowmuth and Verona at Harrowmuth, resulting in a victory for Verona, the score being 8 to 1. D. (Honoris Causa) at Trinity College, Toronto, of which he is a graduate. The address was read by Rev. R. J. Drumbrille, of Kemptville. Bishop Bidwell presided, and spoke of the sincere regret of the members of the Synod over the leaving of Canon Bedford-Jones, who has for over a quarter of a century, been a prominent worker in this diocese.
